

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In The Matter Of:

An Examination By The Public Service)
Commission Of The Environmental)
Surcharge Mechanism of Kentucky) Case No. 2017-00327
Power Company For The Two-Year)
Billing Period Ending June 30, 2017)

Kentucky Power Company's Motion to Amend Procedural Schedule

Kentucky Power Company ("Kentucky Power" or "Company") respectfully moves the Commission to amend the procedural schedule established by the Commission's August 31, 2017 Order in this case. The Company requests that the procedural schedule be amended to extend the date for the Company to file its testimony and responses to Staff's first set of data requests by one week to September 28, 2017.

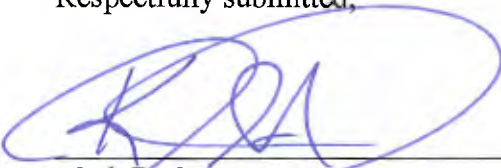

Kentucky Power states that its resources currently are fully engaged in responding to data requests in the pending six-month review of the operation of its fuel adjustment clause, Case No. 2017-00282, and in its pending base rate case, Case No. 2017-00179. The Company's responses to Commission Staff's first set of data requests in the fuel adjustment clause case are due on September 13, 2017. In addition, the Company is responding to a total of 226 supplemental data requests, exclusive of subparts, filed in the rate case. Responses to the data requests in the base rate case are due on September 20, 2017, one day before the current due date for testimony and data request responses in this case.

There appears to be sufficient time in the existing schedule to allow the requested one week extension without impacting future dates in the procedural schedule.

WHEREFORE, Kentucky Power Company respectfully requests the Commission to enter an Order:

1. Amending the procedural schedule in this case to extend the date for the Company to file its testimony and responses to Staff's first set of data requests by one week to September 28, 2017; and
2. Granting Kentucky Power all further relief to which it may be entitled.
