Re: Atmos Energy Corporation:  
Case No. 2017-00349

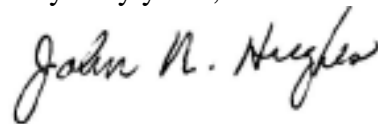

Dear Ms. Pinson:

Atmos Energy Corporation submits confidential updates to PSC DR 1-71 and an accompanying petition for confidentiality. On November 20, 2017, Atmos erroneously submitted this confidential attachment associated with this response, namely DR-1-71, Attachment 1 Supplemental GCR 2017.08, which should be removed from the public docket. This same information was also included in the Supplemental response, MFR set 1, vol. 1, pages 86 through 126. That entire volume should be removed from the public docket and replaced with the attached corrected version.

I certify that the electronic filing is a complete and accurate copy of the original documents to be filed in this matter, which will be filed within two days of this submission and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

If you have any questions about this matter, please contact me.

Very truly yours,

John N. Hughes
