**Re: Case No. 2017-00417**

Dear Ms. Pinson:

On May 3, 2018, Lebanon Water Works Company (the "Company") filed with the Public Service Commission's ("Commission") electronic filing system its Response to Commission Staff's Second Request for Information.

The file titled "Lebanon\_Response\_to\_PSC\_Second\_Request\_for\_Information.pdf" contains bookmarks designating each question and exhibit as required by 807 KAR 5:001, Section 8(4)(b)(4). However, when accessing the file online through the Commission's website, only the bookmarks for Question 1 and Exhibit 1-1 appear visible. When the file is *saved* after clicking on the link on the Commission's website, all bookmarks are visible. By this letter, the Company notifies the Commission of this issue to ensure the Commission is aware of the filing's compliance with 807 KAR 5:001, Section 8(4)(b)(4).

Enclosed is the original and one copy of this letter. A true and accurate copy of this document in electronic medium was uploaded to the Public Service Commission's electronic filing system this day.

Should you have any questions, please contact me at your convenience.

Sincerely,  
Stoll Keenon Ogden PLLC
