Re: Case No. 2017-00441 Joint Application of LG&E and KU for Review, Modification, and Continuation of Certain Existing Demand-Side management and Energy Efficiency Programs

Dear Ms. Pinson:

Pursuant to the Commission's Order of January 4, 2018 establishing the procedural schedule in this case, Intervenor Metropolitan Housing Coalition respectfully requests that an evidentiary hearing be scheduled in this matter. Metropolitan Housing Coalition disagrees with the LGE/KU proposal that this matter be decided on the pleadings, particularly in light of the filing of rebuttal testimony by LGE/KU that has not been subject to data requests in order to discover the factual bases of the rebuttal testimony.

Alternatively, Intervenor Metropolitan Housing Coalition would propose that the Commission modify the procedural order in this case to:

1. Allow an additional set of data requests to be directed to the applicant and be limited to the rebuttal testimony, and
2. An opportunity for simultaneous briefing of issues and responses to the briefs.

Cordially,

A handwritten signature in blue ink, appearing to read "Tom FitzGerald".

Counsel for Metropolitan Housing Coalition
