MOTION FOR INFORMAL CONFERENCE

Pursuant to 807 KAR 5:001, Section 9(4), West Daviess County Water District (“West Daviess District”), by counsel, respectfully petitions the Public Service Commission (“Commission”) to schedule an informal conference at the Commission’s office on a mutually convenient date and time for West Daviess District and Commission Staff for the purpose of discussing its Application in this proceeding. In support of its Motion, West Daviess District states as follows:

1. West Daviess District requests an informal conference to discuss its Application and any additional information the Commission requires in this proceeding. West Daviess District believes an informal conference is the most

efficient and expedient process for addressing any questions Commission Staff has regarding West Daviess District's Application.

2. Bids were opened on December 6, 2017. The bids have a **90-day** hold period and will expire on March 6, 2018 unless West Daviess District issues a Notice of Award to each contractor before that date. Accordingly, West Daviess District requests an Order from the Commission no later than Friday, **March 2, 2018**. Hence, West Daviess District now requests an informal conference to ensure that Commission Staff has adequate time to review and approve the AMI System Project before the bids expire.

3. Southeast Daviess County Water District ("Southeast Daviess District") also requests an informal conference in Case No. 2017-00458. Because Southeast Daviess District and West Daviess District have common management and counsel, Southeast Daviess District and West Daviess District request a joint informal conference.

WHEREFORE, West Daviess County Water District respectfully requests that the Commission issue an order scheduling an informal conference at the Commission's office at a mutually convenient date and time.
