¹After high-speed data allowance is used, speeds are slowed to max of 128 Kbps for rest of 30-day term. Includes Stream Saver. See att.com/stream saver for details. ²Incl. unl. calling, texting & data usage w/in & between the US, Mexico & Canada. If talk/text while in Mexico and/or Canada exceeds 50% of total talk & text usage for three consecutive months, svc. may be terminated. ³Unused high-speed data rounds up to the nearest megabyte (MB) & carries over for one 30-day renewal when your plan renews on time. Unused Rollover Data automatically expires after one renewal period, or with any plan change. Rollover Data is used after any data package Data Add-On and after your monthly high-speed plan allowance. See att.com/prepaid for full details and restrictions.
