Question No. 1

Witness: John P. Malloy

- Q-1. Refer to KU/LG&E's response to Commission Staff's First Request for Information, Item 48. Provide the table in Excel spreadsheet format with formulas intact and unprotected, and all rows and columns fully accessible.
- A-1. Certain information requested is confidential and proprietary and is being provided under seal pursuant to a petition for confidential protection.

The referenced table is attached as requested (Attachment 1), however it does not take into account the effects of the Tax Cuts and Jobs Act and is an output of the confidential attachment provided in response to AG 1-34. Therefore, an updated version of the table that includes the effects of the TCJA, as well as the financial model from which the table is calculated, are also attached (Attachment 2 and Confidential Attachment 3, respectively). The referenced table is contained in the tab labeled "CEM Inputs" in Attachment 3.

Attachments 1 and 2
are being provided in
separate files in Excel
format.

Attachment 3 is
Confidential and
provided under seal in
a separate file in Excel
format.
