Confidentiality Agreement

I agree not to disclose or divulge any information pertaining to the contents, status, or ranking of the proposals submitted in response to the request for proposal (RFP) process being conducted by Martin County Water District (Martin District), in connection with Kentucky Public Service Case Nos. 2018-00017 (Ky. PSC 2018) and 2016-00142 (Ky. PSC 2016), nor the selection of a contractor as a result of Martin District's RFP process. I agree not to disclose or otherwise divulge any information regarding the above that is discussed or disclosed during the formal confidential conference on June 18, 2019. I understand that the terms "disclose or otherwise divulge" include, but are not limited to, reproduction of any part or portion of the above referenced RFP.

I understand that any behavior in contravention of the terms of this agreement or any breach of confidentiality relating hereto would result in expulsion from participation in further proceedings related to Martin District's RFP process. Additionally, any such behavior or breach of confidentiality would be considered by the Commission as unduly complicating or disrupting the proceedings pursuant to 807 KAR 5:001, Section 4(11) and intervention status could be reassessed. Further, any such behavior or breach of confidentiality could jeopardize the integrity of the ongoing procurement process being conducted by Martin District, which could require termination of the process, or cancellation of a contract award made as a result of the procurement process if said process was determined to be compromised by my breach of the terms of this agreement.

I am acting of my own accord and am not acting under duress.
