

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC EXAMINATION OF THE APPLICATION)	
OF THE FUEL ADJUSTMENT CLAUSE OF)	CASE NO.
LOUISVILLE GAS AND ELECTRIC COMPANY)	2018-00021
FROM MAY 1, 2017 THROUGH OCTOBER 31, 2017)	

MOTION OF LOUISVILLE GAS AND ELECTRIC COMPANY
FOR CLARIFICATION OF MAY 18, 2018 ORDER

Pursuant to KRS 278.400, Louisville Gas and Electric Company (“LG&E”) respectfully moves the Kentucky Public Service Commission (“Commission”) to clarify its May 18, 2018 Order (“Order”) in this proceeding. Beginning on page 1 of the testimony of Derek A. Rahn filed on March 2, 2018, the Company requested approval of a proposed change to its monthly Form A filing to properly account for sales associated with buy-throughs requested by Curtailable Service Rider customers. The proposed change will more accurately demonstrate that the CSR buy-through credit is a reduction to total recoverable fuel costs for the expense month, regardless of whether the power provided during a curtailment was internally generated or purchased.

WHEREFORE, Louisville Gas and Electric Company respectfully request that the Commission clarify its May 18, 2018 Order in this proceeding, and confirm acceptance of the proposed change to LG&E’s Form A, Page 2.

Dated: May 25, 2018

Respectfully submitted,

Allyson K. Sturgeon
