NOTICE OF FILING—SUBMISSION ON THE RECORD

Comes now the intervenor, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention (“Attorney General”), and hereby submits this Notice of Filing to the Kentucky Public Service Commission (“Commission”) regarding the submission of this case for a decision on the evidence and states as follows:

As the record in this matter is well-developed, including multiple rounds of discovery from both intervenors and Commission staff, the Attorney General proposes that this matter may be submitted on the record. The Attorney General believes the record contains all of the evidence necessary for the Commission to make a decision in the best interest of customers, while balancing the concerns of the utility. As such, the Attorney General submits a hearing in this matter is unnecessary, and respectfully requests the Commission enter an order in this case expeditiously, so that customers may begin receiving the savings they deserve.
