Kentucky Power Company's Second Motion
To Amend Procedural Schedule

Kentucky Power Company moves the Public Service Commission of Kentucky to amend the March 30, 2018 Order establishing a procedural schedule in this case. The Company proposes the amended schedule set forth below:

Filing	Date
Simultaneous testimony filed	April 27, 2018
Requests for information filed	May 8, 2018
Responses to requests for information filed	May 18, 2018
Last day to request hearing or that case be submitted on the record	May 25, 2018

Kentucky Power requests the procedural schedule be modified as set forth above to provide additional time for the parties to file testimony. In addition, the additional time will permit Kentucky Power and Kentucky Industrial Utility Customers, Inc. to prepare a settlement agreement following their discussions at the April 11, 2018 informal conference. The additional time also will permit the Attorney General to consider the April 11, 2018 settlement discussions

between Kentucky Power and KIUC in light of the Company's discovery responses filed on April 12, 2018.

The schedule also extends by five days the date for filing data requests with respect to the testimony in light of the amended date for filing testimony. All other dates remain unchanged.

Counsel for Kentucky Industrial Utility Customers, Inc. and the Attorney General have indicated they do not object to the revised schedule.

Respectfully submitted,
