**RE: Case No. 2018-00040 – Electronic Investigation of the Impact of the Tax Cuts and Job Act on the Rates of Delta Natural Gas, Inc.**

Dear Ms. Pinson,

The Commission's September 21, 2018 Order in this proceeding required Delta Natural Gas Company, Inc. ("Delta") to "file with the Commission, in the form of a data response, the following information: the actual excess ADIT; whether RSGM or ARAM is being used for the protected ADIT; the actual amortization period that will be used for the protected ADIT; the revenue requirement impact of the amortization of the excess protected ADIT; and, proposed revised rates, if needed," within 30 days of filing its 2017 federal tax return. The Order further required Delta to file tariffs if the rates need to be revised.

Delta filed its 2017 federal tax return on October 15, 2018. Pursuant to the Commission's Order, Delta is herewith filing the data responses requested by the Commission, and proposed tariff sheets that reflect the rates set forth in the schedules provided in the responses.

In accordance with 807 KAR 5:001, Section 8, I certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on November 13, 2018; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original copy in paper medium will be filed by hand-delivery with the Commission within two business days from the date of the electronic

filing.
