RE: KY PSC Case No. 2018-00041

Dear Ms. Pinson,

Pursuant to the Commission's Order of April 30, 2018, Columbia Gas of Kentucky, Inc., submits its proposed Tax Act Adjustment Factors to be effective with its October 2018 billing cycle and in support thereof, Supplemental Testimony of Chun Yi-Lai and Panpilas Fischer in the above referenced matter. The tariff sheets attached to witness Yi-Lai's testimony have an effective date for billing September 28, 2018. While this filing does not meet the Commission's 30-day notice requirement, Columbia respectfully requests a deviation to a 20-day notice, pursuant to 807 KAR 5:011 Section 15, since the requested tariff change proposes a decrease in rates, rather than an increase.

In accordance with 807 KAR 5:001, Section 8, I certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that one paper copy of this filing will be filed by hand-delivery with the Commission within two business days from the date of electronic filing.

Sincerely,

A handwritten signature in blue ink that reads "Brooke E. Wancheck".
