**STATEMENT OF WSCK REGARDING POTENTIAL HEARING**

---

Water Service Corporation of Kentucky (“WSCK”), by counsel, submits this Written Statement in response to the Commission’s February 26, 2018, Order. In the procedural schedule contained in that Order, the Commission required parties to request either a hearing or that the case be submitted for a decision based on the record.

WSCK anticipates filing a rate case next month. As previously indicated, the upcoming rate case will afford a comprehensive review of all components of rates and will be the best mechanism to incorporate the new federal corporate income tax rate. See WSCK Response to Commission Staff’s Second Request for Information, Item 1(a); Direct Testimony of Steven M. Lubertozzi at 9:3-6. Accordingly, WSCK submits that any hearing on the issues related to the Tax Cuts and Jobs Act be consolidated with the upcoming rate case.

Respectfully submitted
