Folks,

Like Tim at Salt River, I wanted to give you a heads up that Farmers has likewise given EKPC notification on the remaining balance of our Amendment 3 rights. Farmers too, is hopeful that we can all determine a path forward that will be beneficial to all sixteen member-owners. We look forward to working together to find common ground that is fair to all. We do not philosophically support where Amendment 3 is currently taking us all, and hope we can find a better way for our sixteen members.
