Company For A Certificate Of Public Convenience)
And Necessity To Construct A 138 kV) Case No. 2018-00072
Transmission Line In Boyd County, Kentucky)
(EastPark 138 kV Transmission Line (Phase 1)))

Kentucky Power Company's Fourth Quarter 2022 Status Report

Kentucky Power Company ("Kentucky Power") provides the following report on the status of the efforts of Unity Aluminum, Inc. ("Unity") to secure financing to complete construction of the facilities to be built in EastPark Industrial Park, and of Kentucky Power's land acquisition for the transmission line and substation:

Kentucky Power filed its Third Quarter 2022 Status Report and Motion to Surrender Conditional CPCN and for Related Relief herein on October 17, 2022, wherein it informed the Commission that Unity no longer intended to locate its facilities at EastPark, moved to surrender the conditional CPCN approved by the Commission in this case, and requested that the Commission relieve Kentucky Power of the requirement to submit quarterly status reports on Unity's efforts to secure financing. Kentucky Power has no further responsive information to provide to the Commission as part of this status report at this time.

Respectfully submitted,
