**Re: *Application of Monroe County Water District to Modify The Order of March 18, 2016 In Case No. 2015-00315
Case No. 2018-00148***

Dear Ms. Pinson:

Enclosed for filing in the above-referenced proceeding are Monroe County Water District's *Application* and *Motion to Incorporate Record and Permit Deviation From Certain Filing Requirements*.

Because of their size, the plans for Monroe County Water District's proposed flocculation and sedimentation basin (Exhibit 6 of the *Application*) are electronically and physically submitted as a separate document from the *Application*.

In accordance with 807 KAR 5:001, Section 8, I certify that a true and accurate copy in electronic medium of this letter and the enclosed documents were uploaded to the Commission's electronic filing system this day; that there are currently no parties that the Commission has excused from participation by electronic means in the above-style proceeding; and that a copy in paper medium of these documents will be delivered to the Commission on or before May 24, 2018.

Very truly yours,

Stoll Keenon Ogden PLLC
