November 22, 2016

Muhlenberg Co. Water District #3  
PO Box 67  
Bremen, KY 42325

The Central City Municipal Water and Sewer System has a storage capacity of 4.8 million gallons of water per day. Central City consumes an average 770,000 gallons daily.

The greater capacity in the system was built to accommodate the water needs of your district; therefore, we can and will reserve 700,000 gallons of water specifically for your system as storage.

Respectfully,

David Rhoades  
City Administrator
