## INTRODUCTION

This "Benefit Booklet" provides you with a summary of the benefits provided by the Atmos Energy Corporation Group Medical Plan (the "Plan") as in effect on January 1, 2017. Prior to January 1, 2017, the Plan may have treated you differently. Atmos reserves the right to change, amend, modify, alter or terminate the Plan at any time and in any manner.

This Benefit Booklet serves as the Summary Plan Description for the Plan. This Summary Plan Description is incorporated by reference into the Plan and contains the terms and provisions of the Plan. Because the Summary Plan Description is intended to be written in a nontechnical, easily understood manner, many of the complicating details and special exceptions found in the Plan have been omitted. Many of the technical legal concepts which are required in the Plan and which may affect your rights as described in this Summary Plan Description have been omitted in order to make this Summary Plan Description more easily understood by the average participant. Thus, in order to obtain a full detailed understanding of the Plan's terms, you should also examine the other Plan documents which are available from the Plan Administrator. In the event any of the terms of the Plan as described in this Summary Plan Description are subject to more detailed rules and limitations or other special meaning as set forth in the other Plan documents, the other Plan documents will control.

Blue Cross and Blue Shield of Texas (sometimes referred to as "BCBSTX") is the Claims Administrator for the Plan. You should read this Benefit Booklet carefully to familiarize yourself with the Plan's provisions and keep it handy for reference. To help you understand the terms of the Plan and what you need to do to get your maximum benefits, contact the Customer Service Helpline.

## MEDICAL BENEFIT OPTIONS

The following Medical Benefit Options are available under the Plan. As explained below, not all options are available to all participants.

- High Deductible Medical Benefit Option*
- Preferred Provider Organization (PPO) Medical Benefit Option
- Exclusive Provider Organization (EPO) Medical Benefit Option
- Out-Of-Area Medical Benefit Option**
* The High Deductible Medical Benefit Option is designed to be compatible with a Health Savings Account ("HSA"). See the subsection entitled "High Deductible Medical Benefit Option and HSA" for further information.
** The Out-Of-Area Medical Benefit Option is only available to eligible employees for whom Network coverage is not available. The Plan Administrator will notify you if the Out-Of-Area Medical Benefit Option is available.

In general, you cannot make mid-year changes to your Medical Benefit Option election, but please see the section entitled
"PARTICIPATION AND ELIGIBILITY" for exceptions to this rule.

## MANAGED HEALTH CARE NETWORK BENEFITS

Network Benefits are available under the PPO, EPO and High Deductible Medical Benefit Options through Providers listed in your Network directory.

To receive In-Network Benefits, you must choose Providers within the Network for all care (other than for emergencies). The Network has been established by BCBSTX and consists of Physicians, Specialty Care Providers, Hospitals, and other health care facilities to
serve Participants throughout the Network Plan Service Area. Refer to your Provider Directory to make your selections. You may obtain a Provider directory by calling the Customer Service Helpline at 1-866-314-0266 or by accessing the website at www.bcbstx.com.

> Remember...for Participants who elect the EPO Option, you must choose Providers within the Network for all care (other than for emergencies or unless otherwise authorized by the Claims Administrator).

Services and supplies must be provided by Network Providers that have specifically contracted with the Claims Administrator to furnish services and supplies for those types of conditions to be considered for In-Network Benefits.

If you choose a Network Provider, the Provider will bill the Claims Administrator - not you - for services provided. The Provider has agreed to accept as payment in full the lesser of:

- The billed charges;
- The Allowable Amount as determined by the Claims Administrator; or
- Other contractually determined payment amounts.

You are responsible for paying Deductibles, Copayments, and Co-Share Amounts determined by the Plan option in which you enroll.

You may be required to pay for limited or noncovered services. No claim forms are required when you receive Network Benefits.

## MANAGED HEALTH CARE OUT-OF-NETWORK BENEFITS

If you choose Out-of-Network Providers, only Out-of-Network Benefits will be available.

If you go to a Provider outside the Network, benefits will be paid at the Out-of-Network Benefits level. If you choose a health care Provider outside the Network, you may have to submit claims for the services provided. You will be responsible for:

- Billed charges above the Claims Administrator's Allowable Amount;
- Co-payment and Co-Share Amounts;
- Deductibles;
- Preauthorization; and
- Limited or non-covered services.

Remember...for Participants who elect the EPO Option, if you choose to use Out-ofNetwork Providers, no benefits will be available. You will be responsible for all charges billed by the Out-of-Network Provider.

## OUT-OF-AREA BENEFITS

If you live in an area where Network Benefits are not available, and you are otherwise an eligible employee, you may enroll in the Out-ofArea Medical Benefit Option. The Plan Administrator will notify you if you are eligible to enroll in the Out-of-Area Medical Benefit Option. Out-of-Area benefits are provided through a traditional indemnity arrangement for Participants who elect coverage under the Out-of-Area option.

You may have to submit claims for the services provided. You will be responsible for:

- Billed charges above the Claims Administrator's Allowable Amount;
- Co-Share Amounts;
- Deductibles;
- Preauthorization; and
- Limited or non-covered services.

## PRESCRIPTION DRUG PROGRAM

Benefits are available for Covered Drugs under the PRESCRIPTION DRUG PROGRAM as explained later in this Benefit Booklet.

## HIGH DEDUCTIBLE, PPO, AND EPO MEDICAL BENEFIT OPTIONS

## Providers Participating in a Blue Cross and Blue Shield Par Provider network.

The Claims Administrator has arranged with certain health care providers to participate in a network. These health care providers, called Network Providers, have agreed to discount their charges for Eligible or Covered Expenses. There is no difference in benefits covered, whether or not you use a Network Provider. However, if Network Providers are used, the amount of Eligible or Covered Expenses for which you are responsible will generally be less than the amount owed if Out-of-Network Providers had been used.

You will be issued an Identification Card (ID Card) showing that you are eligible for the network discounts. You must show this ID Card every time health care services are given. This is how the provider knows that you are covered
under a network plan. Otherwise, you could be billed for the provider's normal charge.

You may call Member Services to determine which providers participate in the Network. The telephone number for Member Services is on the ID Card.

## NETWORK PROVIDERS

The PPO and High Deductible Medical Benefit Options pay for Eligible or Covered Expenses received from both Network or Out-of-Network Providers. Under the PPO and High Deductible Medical Benefit Options, if you use Network Providers, the Plan pays a greater portion of Eligible or Covered Expenses. This is called the Network level.

If you use Out-of-Network Providers, the PPO and High Deductible Medical Benefit Options pay a lesser portion of Eligible or Covered Expenses. This is called the Out-of-Network level. In certain cases, a higher level of benefits are payable. For example, payment is made at the Network level for Emergency Care given at an Out-of-Network Hospital, subject to reasonable and customary limits. Other benefits are also payable at the Network level for certain Out-of-Network Providers. See the subsection entitled "Out-of-Network Providers Paid at Network Level" for additional information.

The EPO Medical Benefit Option only pays for Eligible or Covered Expenses received from Network Providers. In order to receive benefits under the EPO Medical Benefit Option, you must receive care from a Network Provider. Notwithstanding the foregoing, Emergency Care benefits will be provided under the EPO Medical Benefit Option regardless of whether they are provided by a Network Provider.

A directory of the Network Providers is available from the Claims Administrator. The types of Providers that participate in the

Network include, but are not limited to, the following:

- Ambulatory Surgical Centers;
- Chiropractors;
- Durable Medical Equipment Providers;
- Home Health Care Providers;
- Home IV Providers;
- Hospices;
- Hospitals;
- Physical Therapists;
- Physicians;
- Podiatrists;
- Rehabilitation Facilities; and
- Skilled Nursing Facilities.

This Plan also covers certain specialized Providers and facilities. These are types of Providers and facilities which are not represented in the Network. These Providers and facilities are not subject to the Network/Out-of-Network level of coverage. Instead these types of Providers and facilities are covered up to the Allowable Amount at the Network level. The following are examples of specialized Providers or facilities:

- Birth Centers;
- Hospices; and
- Home Health Care Agency.

## Out-of-Network Providers Paid At Network Level

Under the PPO and High Deductible Medical Benefit Options, the following services are payable at the Network level, even if received from an Out-of-Network Provider:

- Radiology, anesthesiology and pathology services provided in an Inpatient Hospital, Outpatient facility which is part of a Hospital; or Ambulatory Surgical Center; and
- Emergency Care.

## Network Provider Charges Not Covered

A Network Provider has contracted with the Claims Administrator to participate in the Network. Under this contract a Network Provider may not charge you or the Claims Administrator for any services or supplies which are not Medically Necessary.

You may agree with the Network Provider to pay any charges for services and supplies which are not Medically Necessary. In this case, the Network Provider may make charges to you. However, these charges are not Eligible or Covered Expenses under this Plan and are not payable by the Claims Administrator.

## Out-of-Network Benefits

The PPO and High Deductible Medical Benefit Options pay the Out-of-Network percentage of Eligible or Covered Expenses as shown in the Schedule of Coverage for Out-of-Network Provider services. The EPO Medical Benefit Option does not pay for medical treatments, services or supplies received Out-of-Network.

## HIGH DEDUCTIBLE, PPO, EPO AND OUT-OF-AREA MEDICAL BENEFIT OPTIONS

## Deductibles

Each covered person must satisfy certain Deductibles when enrolled in the Plan, before any payment is made for certain Eligible or Covered Expenses. Then the medical benefits pay the percentage of Eligible or Covered Expenses shown in the Schedule of Coverage. The amount of each Deductible is shown in Schedule of Coverage. Notwithstanding anything in this Summary Plan Description to the contrary, in no event will a Deductible apply to preventive care.

## Individual Deductible

You must pay the individual Deductible each Calendar Year before any benefits are payable. The individual Deductible applies to all Eligible or Covered Expenses unless a Co-payment applies. If the service requires a Co-payment you will not be required to meet the Deductible before benefits are paid. For charges that apply a Co-payment, benefits are payable after the Copayment is met. The Co-payment will not apply to the Deductible. Notwithstanding anything in this Summary Plan Description to the contrary, in no event will a Deductible apply to preventive care.

## Family Deductible

The most your whole family will have to pay for individual Deductibles in any Calendar Year is the amount of the family Deductible shown in the Schedule of Coverage. The family Deductible applies no matter how large a family may be. Only Eligible or Covered Expenses which count toward your individual Deductible count toward the family Deductible.

## Out-of-Pocket Maximum Feature

Eligible or Covered Expenses are payable at the percentage shown in the Schedule of Coverage until the Out-of-Pocket Maximum shown in the Schedule of Coverage has been reached during a Calendar Year. Then, Eligible or Covered Expenses, other than billed charges above the Allowable Amount, are payable at $100 \%$ for the rest of that year. All Co-Share Amounts, Deductibles, and Copayments count toward the Out-of-Pocket Maximum.

Any amount that you pay toward a medical service or supply that is not an Eligible or Covered Expense shall not count toward the Out-of-Pocket Maximum. The following amounts shall not count toward the Out-ofPocket Maximum:

- Services, supplies, or charges limited or excluded by the Plan;
- Billed charges above the Claims Administrator's Allowable Amount;
- Expenses not covered because a benefit maximum has been reached; and
- Penalties applied for failure to preauthorize.

Note - High Deductible and PPO Medical Benefit Option Participants: Eligible or Covered Expenses for Out-of-Network Providers count toward the Network individual and Network family Out-of-Pocket Maximum. However, Eligible or Covered Expenses for Network Providers do not count toward the Out-of-Network individual and Out-of-Network family Out-of-Pocket Maximum.

## Individual Out-of-Pocket Maximum

When the individual Out-of-Pocket Maximum is reached for any one person in a Calendar Year, Eligible or Covered Expenses, other than those listed in the subsection entitled "Out-of-Pocket Maximum Feature" in this "INTRODUCTION" Section of the Benefit Booklet, are payable at $100 \%$ for that same person for the rest of that year.

## Family Co-Share Amount (Out-of-Pocket

 Maximum)When the family Out-of-Pocket Maximum is reached for all covered family members in a Calendar Year, Eligible or Covered Expenses, other than those listed in the subsection entitled "Out-of-Pocket Maximum Feature" in this "INTRODUCTION" Section of the Benefit Booklet, are payable at $100 \%$ for the rest of that year.

## HIGH DEDUCTIBLE MEDICAL BENEFIT OPTION AND HSA

In accordance with federal regulations, eligible employees who (i) enroll in the High Deductible Medical Benefit Option, and (ii) are not enrolled in any other health plans, including a traditional health care flexible spending account or Medicare benefits, may elect to participate in a Health Savings Account ("HSA").

An HSA allows employees to make contributions and accumulate earnings on such contributions on a tax-free basis, and it also allows withdrawals to be made on a tax-free basis as long as the funds are used for eligible health care expenses. Furthermore, if you establish an HSA, participate in the High Deductible Medical Benefit Option, and do not participate in any other health plan, Atmos may make an annual contribution to your HSA. You do not have to make pre-tax contributions to an HSA in order to receive any company contributions to the HSA.

You can use your HSA as you would use a traditional flexible spending account in paying for a wide variety of out-of-pocket eligible healthcare expenses, including Deductibles and Co-Share Amounts; however, unlike a traditional flexible spending account, there is no "use it or lose it" rule. Amounts in your HSA carry over from year to year.

## HOW AN HSA WORKS

Eligible employees can fund an HSA each year with pre-tax dollars deducted from their pay up to the maximum legally established amount for the type of coverage (single or family) they select, plus catch-up contributions, if applicable. The funds that are deposited into an HSA are portable if you leave Atmos. In addition, each year Atmos may contribute an additional amount to your HSA.

## FUNDING YOUR HSA

If you enroll in the High Deductible Medical Benefit Option and establish an HSA through Atmos, you may contribute, on an annual basis, a minimum of $\$ 100$. Individuals may contribute up to a maximum annual amount set by the IRS, and individuals who are age 55 or older and who are not enrolled in Medicare, can contribute an additional amount tax-free in addition to the applicable annual amount known as a catch-up contribution. The amount you may contribute may change from year to year. This information will be distributed each year during the Annual Enrollment Period. If you are eligible and elect to make pre-tax contributions to your HSA, your contributions will be made through payroll deductions. In addition to your contributions to the HSA, if you enroll in the High Deductible Medical Benefit Option and HSA, Atmos may make an additional contribution to your HSA. Additional information regarding any employer contributions will be distributed during the Annual Enrollment Period. If you enroll midyear, regardless of whether or not you are a new employee, any annual employer contribution will be pro-rated.

## REIMBURSEMENT FROM YOUR HSA

Expenses reimbursable from your HSA include the payment of Deductibles and Co-Share Amounts attributable to medical, dental or vision coverage, prescription drug expenses, prescribed over-the-counter medications, dental expenses, orthodontia, eyeglasses, and contact lenses. Please see IRS Publication 502 for a representative listing of eligible expenses but note that insurance premiums may not generally be reimbursed from an HSA with limited exceptions. Please consult your tax advisor for more information. Please note, unlike a traditional medical flexible spending account, expenses will not be reimbursed until the balance of the HSA is greater than or equal to the amount requested for reimbursement.

## SPECIAL CONSIDERATIONS

Information regarding the balance of your HSA and any activity with respect to your HSA can be obtained from the HSA Administrator, as indicated in the Section entitled "ERISA PLAN ADMINISTRATION INFORMATION."

If you participate in an HSA, neither you nor your spouse may contribute to traditional health care flexible spending account, unless it is an HSA-compatible flexible spending account such as a limited-scope health care flexible spending account for dental and vision expenses only.

The HSA you open serves as an individual savings account, set up by you, and you are the owner of the account. The HSA is not an employee benefit plan established or maintained by Atmos.

## ELIGIBILITY FOR EMPLOYEES

You are eligible to participate as an employee if you are a full-time employee of Atmos Energy Corporation ("Atmos"). For purposes of this requirement, a full-time employee is one who is regularly scheduled to work at least thirty (30) hours per week. Unpaid leave approved by Atmos, including approved voluntary time-off, military leave, FMLA leave, and workers' compensation leave, will not impact your eligibility to participate in this Plan. However, you will not be eligible to participate in this Plan if you are an employee who is covered by a collective bargaining agreement between a union and Atmos that does not provide for coverage under this Plan.

New full-time employees regularly scheduled to work at least thirty (30) hours per week are eligible to enroll on their date of hire. Individuals classified as independent contractors or leased employees are not eligible to participate in the Plan.

Please contact the Atmos Energy Corporation's Benefits Office at 972-855-4032 questions regarding whether you are a full-time employee and eligible for coverage.

## ELIGIBILITY FOR DEPENDENTS

Dependents are:

- Your legal spouse (as further described below); and
- Your children who are under age 26.

Children include the following:

- Your biological child or stepchild;
- Your legally adopted child. A child is considered legally adopted upon your assumption and retention of a legal obligation for total or partial support of
a child in anticipation of the adoption of the child. A child's placement for adoption terminates upon the termination of the legal obligation for total or partial support. A child who is immediately adopted by you without a preceding placement for adoption is considered to be placed for adoption on the date of adoption;
- Any other child who is a dependent for federal income tax purposes, and who is living with you, as a member of your household in a parent-child relationship. In the case of any such child you would be required to obtain legal guardianship prior to the child becoming a covered dependent; or
- Any child who is the subject of a Qualified Medical Child Support Order ("QMCSO") or a National Medical Support Notice (a "NMSN"). Refer to the subsection entitled "Qualified Medical Child Support Order," "under this "ELIGIBILITY AND PARTICIPATION" Section for additional information.

Coverage for a child who is mentally or physically incapacitated will not be denied due to age, and he or she shall be considered a "child" for purposes of dependent eligibility. Coverage for a mentally or physically incapacitated child will be available as long as dependent coverage under this Plan continues and the child continues to meet all of the following conditions:

- The child is incapacitated and became incapacitated prior to attaining any limiting age;
- The child is not capable of selfsupport; and
- The child is a dependent of the employee for federal income tax purposes.

For purposes of this provision, mentally or physically incapacitated means any medically determinable physical or mental condition that prevents the child from engaging in selfsustaining employment. The incapacity must begin before the child attains the limiting age. If the child is covered under this Plan immediately prior to attaining the limiting age, you must submit satisfactory proof of the incapacity and dependency through your Plan Administrator to the Claims Administrator within 31 days following the child's attainment of the limiting age. As a condition to the coverage of any child as an incapacitated dependent beyond the limiting age, the Claims Administrator may require periodic certification of the child's physical or mental condition.

## Legal Spouse

An individual will be considered your legal spouse if he or she is a person of the same or opposite sex to whom you are lawfully married. The marriage must have been solemnized, authenticated and recorded as required by the state or foreign jurisdiction in which the marriage took place, and the marriage must be legally recognized as valid for purposes of applicable Federal law (including, but not limited to, the Internal Revenue Code, ERISA, and the Affordable Care Act), and any regulations issued under such applicable Federal law. An individual also will be considered your legal spouse if you reside in a state which recognizes common law marriages, and your common law marriage meets the legal requirements in your state. You must provide a notarized declaration of your common law marriage to the Plan Administrator. Your spouse must be a legal resident of the United States in order to participate in the Plan. A person from whom you've been separated under a legal
separation or divorce decree shall not be considered your spouse.

## Proof of Dependent Status

For information about the specific forms of proof required to prove dependent status, please contact your local HR department at Atmos Energy Corporation.

You must give the Claims Administrator and/or Plan Administrator proof that a dependent meets these conditions when requested. You will not be asked to provide proof of a dependent child's disabled status more than once a year. If, upon request, you do not provide adequate proof that a dependent meets the applicable requirements, coverage for the dependent will be terminated.

## WHEN COVERAGE STARTS

## Your Coverage

You must enroll for coverage under the Plan. Refer to the subsection entitled "HOW TO ENROLL" under this "ELIGIBILITY AND PARTICIPATION" Section of the Benefit Booklet for information on how to enroll.

Coverage starts on the date you enroll for coverage when you are first eligible to participate, during an Annual Enrollment Period or Special Enrollment Period, or when a Change in Status occurs.

## Your dependent's Coverage

You must enroll your dependents for coverage under the Plan. Refer to the subsection entitled "HOW TO ENROLL" under this "ELIGIBILITY AND PARTICIPATION" Section of the Benefit Booklet for information on how to enroll.

Coverage starts on the latest of:

- The date you become covered;
- The date you acquire your first dependent; or
- The date you enroll your dependent for coverage.

Please see "Special Enrollment Periods" under this "ELIGIBILITY AND PARTICIPATION" Section for information about the effective date of coverage in the event of a birth, adoption, or placement for adoption.

## Qualified Medical Child Support Order

If, as a result of a divorce or legal separation, your child is not otherwise eligible to be covered by the Plan, it may be possible to obtain coverage through a Qualified Medical Child Support Order ("QMCSO") or a National Medical Support Notice (a "NMSN"). A QMCSO is any judgment, order or decree issued by a court of competent jurisdiction that includes certain information and relates to the medical plan or insurance coverage of a child of a Plan participant. A NMSN is issued by a state or governmental agency and provides for health benefit coverage for a child of a Plan participant. A QMCSO or a NMSN cannot require a plan to provide any type or form of benefit or any option not already provided by the Plan. The QMCSO must specify the name and address of the participant and each alternate recipient, describe the type of coverage to be provided and the period for which the coverage is to be provided, and specify the plan to which the QMCSO applies.

If you or a dependent is required by a medical child support order or NMSN to provide health benefit coverage for any of your children (an alternate recipient), you must submit that order or notice to Human Resources at Atmos Energy for a determination as to whether it is a QMCSO
or a properly completed NMSN (which is deemed to be a QMCSO) as defined in the Omnibus Budget Reconciliation Act of 1993 and the Child Support Performance and Incentive Act of 1998. The order or notice must be submitted within 31 days after the order becomes effective or, if later, within the time for initially enrolling your dependents for coverage. Contact the Plan Administrator for additional information regarding QMCSOs.

If you or a dependent is required by a QMCSO or NMSN to provide health benefit coverage for any of your children, and you are not already enrolled as an employee for health benefit coverage, you must enroll for health benefit coverage at the same time you would enroll your child for coverage in order to comply with the terms of the QMCSO or NMSN.

## Special Provision for Newborn Children

You must enroll each of your dependents for dependent coverage if they are to be covered under the Plan. If you currently have dependent coverage, you must still notify Human Resources at Atmos Energy of the addition of a new dependent within 31 days after you acquire a new dependent (that is within 31 days of the child's birth, adoption or placement for adoption). You must file a written request with your Employer to deduct the required contributions from your pay for dependent coverage during the first 31 days in order for the child to be a timely enrollee.

## HOW TO ENROLL

You can enroll for coverage by enrolling online via Employee Self-Service. This process authorizes your Employer to deduct the required contributions from your pay. You will be able to enroll during the 31-day period following the date you first become eligible to participate, during an Annual Enrollment Period, a Special

Enrollment Period, or when a Change in Status occurs, as applicable.

You must enroll for employee coverage in order to enroll for dependent coverage. You must enroll each dependent you want covered under the Plan.

Generally, you should enroll your dependents when you enroll for coverage. However, there may be additional time periods during which you can enroll your dependents. Refer to the subsections entitled "Qualified Medical Child Support Order," "Special Provision for Newborn Children" and "Special Enrollment Periods" under this "ELIGIBILITY AND PARTICIPATION" Section for information on other potential dependent enrollment periods.

No person can be covered both as an employee and as a dependent. No person can be covered as a dependent of more than one employee under the Plan.

## Annual Enrollment Period

An Annual Enrollment Period is a period of time each year during which you may enroll in one of the options offered under the Plan. The Annual Enrollment Period is agreed on by your Employer. This Annual Enrollment Period occurs once each Calendar Year and you will be notified as to when it is scheduled.

During the Annual Enrollment Period, you will have the right to change your election of the High Deductible, PPO or EPO, and if you are eligible, the Out-of-Area Medical Benefit Options.

You and your eligible dependents must enroll in the same plan.

## Special Enrollment Periods

Under certain circumstances, an employee and/or dependent may enroll under a dependent

Special Enrollment Period, a Loss of Coverage Special Enrollment Period, a Medicaid/CHIP Special Enrollment Period, or a Special Enrollment Period to comply with health care reform requirements.

A Loss of Coverage Special Enrollment Period is available to a person who meets each of the following conditions:

- The employee or dependent can enroll under a Loss of Coverage Special Enrollment Period if the employee or dependent was covered under a group health plan or had health insurance coverage at the time coverage under this Plan was previously offered to the employee or dependent; and
- The employee's or dependent's prior coverage was one of the following:
- COBRA continuation which was exhausted; or
- Non-COBRA coverage which was terminated either as a result of loss of eligibility for the coverage (including as a result of legal separation, divorce, death, termination of employment, or reduction in the number of hours of employment) or employer contributions towards such coverage were terminated.

The employee must request enrollment under this Plan not later than 31 days after the date of the end of the COBRA continuation, termination of coverage, or termination of the Employer contribution. You must provide any proof of the loss of coverage that is requested by the Plan Administrator and/or the Claims Administrator.

A Dependent Special Enrollment Period permits eligible employees and their dependents to take advantage of a Special Enrollment Period under certain circumstances, if they request enrollment on a timely basis. A Dependent Special Enrollment Period is available to eligible
employees and their dependents acquired through marriage, birth, adoption, or placement for adoption. The Dependent Special Enrollment Period is the 31 -day period which begins with the date the person becomes a dependent (i.e. the date of the marriage, birth, adoption or placement for adoption). You must request enrollment within that 31 -day period and provide any proof of the new dependent that is requested by the Plan Administrator and/or the Claims Administrator. If you timely enroll, the effective date for coverage in the event of a birth, adoption, or placement for adoption will be retroactive to the date of the event.

If a subsequent dependent is enrolled, the employee must enroll at the same time if not already covered. In addition, any of the employee's other dependents may be enrolled at the same time, if not already covered, subject to the same enrollment requirements.

A Medicaid/CHIP Special Enrollment Period will be available to eligible employees and their dependents who previously declined Plan coverage and who either (i) lose eligibility for coverage under Medicaid or the Children's Health Insurance Program ("CHIP"), or (ii) become eligible for state assistance through Medicaid or CHIP that helps pay for Plan coverage, provided that enrollment is timely requested. The Medicaid/CHIP Special Enrollment Period is the 60-day period following the date government provided coverage ends, or the date an individual is determined to be eligible for state assistance, as applicable. Enrollment must be requested within the 60 -day period.

You should contact the Plan Administrator if you have any questions about the Loss of Coverage, Dependent, or Medicaid/CHIP Special Enrollment Periods.

## Late Enrollees

A late enrollee is a person who does not enroll when they are first eligible to enroll in the plan or during a Special Enrollment Period. A late enrollee can enroll only during an Annual Enrollment Period.

## PARTICIPANT CONTRIBUTIONS

The coverage under this Plan is contributory. The contribution rates to participate in a specific Plan option and coverage level are subject to change each year based on two elements (1) the cost to administer the Plan and (2) the Plans claim experience. Each Plan Year's rates will be communicated during the Annual Enrollment Period for that Plan Year. The Company employs an outside actuary to develop the required contribution rates using the contracted administrative and projected net claims costs for that Plan Year. The developed rates reflect the Company's cost sharing philosophy for participants - 20\% of these costs.

## CHANGE OF ELECTION

For information about the specific forms of proof required to prove dependent status, please contact your local HR department at Atmos Energy Corporation.

Additional midyear changes to your Plan elections are permitted only when there is a "Change in Status." You must provide proof of the Change in Status, as requested by the Plan Administrator. While a Change in Status will allow you to enroll or terminate coverage, in general, you cannot make mid-year changes to your Medical Benefit Option elections as a result of a Change in Status.

The following events constitute a Change in Status:

- A change in legal marital status. Events that change an employee's legal marital status,
including marriage, death of spouse, divorce, legal separation, or annulment;
- A change in the number of dependents. Events that change an employee's number of dependents including birth, adoption, placement for adoption, or death of a dependent;
- A change in employment status. A termination or commencement of employment by the employee, spouse, or dependent;
- A change in work schedule. A reduction or increase in hours of employment by the employee, spouse, or dependent, including a switch between part-time and full-time, a strike or lockout, or commencement or return from an unpaid leave of absence;
- A change in dependent status. An event that causes an employee's dependent to satisfy or cease to satisfy the requirements for coverage due to attainment of age, or any similar circumstance as provided in this Plan; or
- A change in residence or worksite. A change in the place of residence or work of the employee, spouse, or dependent.

You may also be able to make mid-year changes under the Atmos Energy Corporation Flexible Benefits Plan under the following circumstances:

- Significant changes in the cost of your benefit;
- Significant changes in the coverage of your benefit;
- You, your spouse, or your dependent become eligible for COBRA continuation coverage or become eligible (or cease to be eligible) for Medicare or Medicaid; and
- You, your spouse, or your dependent have either a Loss of Coverage or Medicaid/CHIP Special Enrollment Period as described earlier.

A dependent pregnancy is not classified as a Change in Status. This means if you were not enrolled in the Plan or your dependent was not already covered by the Plan, your dependent's pregnancy would not permit you to add coverage or change coverage levels mid-year to add your dependent.

There may be other circumstances that result in a mid-year election change to your benefits. You should review the Atmos Energy Corporation Flexible Benefits Plan Summary Plan Description for more information available from the Plan Administrator on mid-year election changes to your medical benefits.

## Consistency Rule

Your revocation of a Plan election during a period of coverage and new election for the remaining portion of the period (referred to below as an "election change") must be consistent with the Change in Status. An election change is consistent with a Change in Status if, and only if:

- The Change in Status results in the employee, spouse, or dependent gaining or losing eligibility for coverage under this Plan or a medical plan of the spouse's or dependent's employer; and
- The election change corresponds with that gain or loss of coverage.

An election change during a Plan Year because of a Change in Status can only be accepted within the first 31 days following the Change in Status (unless the Change in Status gives rise to a Medicaid/CHIP Special Enrollment Period, in which case the enrollment period shall be 60 days). Your

## election must follow the Consistency Rule for a Change in Status.

## WHEN COVERAGE STOPS

Coverage will stop on the earliest of the following:

- When you stop being an eligible employee (as defined above);
- When you stop making contributions; or
- When the Plan is terminated.

Your dependent's coverage will stop when he is no longer an eligible dependent, or when your coverage stops, if earlier.

## CONTRACTING/NONCONTRACTING FACILITIES

The Claims Administrator has written contracts with many (but not all) Hospitals and Facility Other Providers. Those institutions are Contracting Facilities. An institution without a written contract with the Claims Administrator is a Non-Contracting Facility.

In an emergency situation, the immediate, initial treatment necessary to stabilize the Participant furnished by any Hospital is subject to the benefits provided by the Plan.

## PARPLAN <br> For employees residing in the state of Texas

When you consult a Physician or Professional Other Provider, you should inquire if he participates in the Claims Administrator's ParPlan, a simple direct-payment arrangement. If the Physician or Professional Other Provider participates in the ParPlan, he agrees to:

- File all claims for you;
- Accept the Claims Administrator's Allowable Amount determination as payment for Medically Necessary services; and
- Not bill you for services over the Allowable Amount determination.

You will be responsible for any applicable Deductibles, Co-Share Amounts, or services that are limited or not covered under the Plan.

If your Physician or Professional Other Provider does not participate in the ParPlan, you will be responsible for filing the claims, and you may be billed for charges above the Claims Administrator's Allowable Amount determination. Information on how to file claims is included in the subsection of this Benefit Booklet entitled "CLAIM FILING

## PROCEDURES" in the "HOW TO RECEIVE HEALTHCARE BENEFITS" Section.

Note: For employees residing outside the state of Texas, check with your Physician or Professional Other Provider to determine if he participates as a contracting provider with Blue Cross and Blue Shield.

# BLUE CROSS AND BLUE SHIELDS' OTHER SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS 

## Blue Card

Other Blue Cross and Blue Shield Plans outside of Texas ("Host Blue") may have contracts similar to the ParPlan contracts described above with certain Providers ("Host Blue Providers") in their service area.

When you receive health care services through BlueCard outside of Texas and from a Provider which does not have a contract with Blue Cross and Blue Shield, the amount you pay for Covered Services is calculated on the lower of:

- The billed charges for your covered services; or
- The negotiated price that the Host Blue passes on to Blue Cross and Blue Shield.

Often, this "negotiated price" will consist of a simple discount which reflects the actual price paid by the Host Blue. Sometimes, however, it is an estimated price that factors into the actual price increases or reductions to reflect aggregate payment from expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care provider or with a specified group of providers. The negotiated price may also be billed charges reduced to reflect an average expected savings with your health care provider or with a specified group of providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The
negotiated price will also be adjusted in the future to correct for over- or under-estimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating liability for covered services that does not reflect the entire savings realized or expected to be realized on a particular claim or to add a surcharge. Should any state statutes mandate your liability calculation methods that differ from the usual BlueCard method noted above or require a surcharge, Blue Cross and Blue Shield would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

## SPECIALTY CARE PROVIDERS

## Applies to In-Network and Out-of-Network

A wide range of Specialty Care Providers is included in the Network. When you need a specialist's care, In-Network Benefits will be available, but only if you use a Network Provider.

There may be occasions however, when you need the services of an Out-of-Network Provider. This could occur if you have a complex medical problem that cannot be taken care of by a Network Provider.

- If specialty care by an Out-of-Network Provider is needed, In-Network Benefits may still be available if a Network Physician notifies the Claims Administrator, and the Claims Administrator authorizes your visit to an Out-of-Network Provider prior to the visit; otherwise, Out-of-Network Benefits will be paid and the claim will have to be resubmitted for review and adjustment, if appropriate. For Participants who elect the EPO Medical Benefit Option, no benefits will be paid by the

## Plan for specialty care by an Out-ofNetwork Provider without prior authorization; or

- If the services you require are covered by this Plan, but not available from Network Providers, In-Network Benefits will be provided when you use Out-of-Network Providers, if prior authorization is received. For more information on prior authorization, refer to the "PREAUTHORIZATION REQUIREMENTS" subsection in this "HOW TO RECEIVE HEALTHCARE BENEFITS" Section of the Benefit Booklet.

## Participants electing the PPO or High Deductible Medical Benefit Options

If you elect to see an Out-of-Network Provider and if the services could have been provided by a Network Provider, only Out-of-Network Benefits will be available.

## Participants electing the EPO Medical Benefit Option

Network Benefits for authorized Out-ofNetwork services will be paid based on the Allowable Amount for Hospitals and Facility Other Providers, and Physicians or Professional Other Providers not contracting with BCBSTX (or any other Blue Cross and Blue Shield Plan outside of Texas.) If the Allowable Amount is less than the amount charged by the Provider, you may be billed for the balance. (See Allowable Amount definition.) If you choose to see an Out-of-Network Provider without prior authorization, no benefits will be paid by the Plan. For more information on prior authorization, refer to the subsection entitled "PREAUTHORIZATION REQUIREMENTS" in this "HOW TO RECEIVE HEALTHCARE BENEFITS" Section of the Benefit Booklet.

## MEDICAL NECESSITY

All services and supplies for which benefits are available under the Plan must be Medically Necessary as determined by the Claims Administrator.

Charges for services and supplies which the Claims Administrator determines are not Medically Necessary will not be eligible for benefit consideration and may not be used to satisfy Deductibles or to apply to the Out-ofPocket Maximum.

The fact that a Physician has performed or prescribed a procedure or treatment, or the fact that it may be the only treatment for a particular injury, sickness, mental illness or pregnancy does not mean that it is a Medically Necessary service or supply as defined by the Plan. See the "Medically Necessary" definition in the Section of this Benefit Booklet entitled "DEFINITIONS."

## PREAUTHORIZATION REQUIREMENTS

Preauthorization establishes in advance the Medical Necessity of certain care and services covered under this Plan. It ensures that the preauthorized care and services described below will not be denied on the basis of Medical Necessity. However, preauthorization does not guarantee payment of benefits. Coverage is always subject to other requirements of the Plan, such as limitations and exclusions, payment of contributions, and eligibility at the time care and services are provided.

Preauthorization is simple. You, your Physician, Provider of services, or a family member calls one of the toll-free numbers listed on the back of your Identification Card. Calls made after working hours or on weekends will be recorded and returned the next working day. A benefits management nurse will follow up with your Provider's office. In most cases,
preauthorization is made within minutes on the telephone with your Provider's office.

The following types of services require preauthorization:

- All inpatient admissions;
- Extended Care Expense;
- Home Infusion Therapy;
- All inpatient treatment of Chemical Dependency;
- All inpatient treatment of Mental Health Care (including Serious Mental Illness);
- If you transfer to another facility or to or from a specialty unit within the facility; and
- Out-of-Area coverage.

Preauthorization does not apply to Emergency Care.

Participants electing the PPO or High Deductible Medical Benefit Options

In-Network: In-Network Benefits will be available if you use a Network Provider or Specialty Care Provider. In-Network Providers will preauthorize services for you, when required.

Out-of-Network: If you elect to use Out-ofNetwork Providers for services and supplies available In-Network, Out-of-Network Benefits will be paid. Failure to preauthorize services will be subject to guidelines described below.

However, if care is not available from Network Providers as determined by the Claims Administrator, and the Claims Administrator authorizes your visit to an Out-of-Network Provider prior to the visit, In-Network Benefits may be paid; otherwise, Out-of-Network Benefits will be paid and the claim will have to
be resubmitted for review and adjustment, if appropriate.

## Participants electing the EPO Medical Benefit Option

In-Network: Network Providers will preauthorize services for you, when required.

Out-of-Network: If you choose to use Out-ofNetwork Providers for services and supplies available in the Network, no benefits will be paid under this Plan.

However, if care is not available from Network Providers, you must seek preauthorization from the Claims Administrator to use an Out-ofNetwork Provider. You or your Network Provider must contact the Claims Administrator to receive a referral authorization prior to use of the Out-of-Network Provider. If you receive the referral authorization, from the Claims Administrator, Network Benefits will be paid based on the Allowable Amount for Out-of Network Providers. You may be billed for any difference between the Allowable Amount and the amount charged by the Provider. If you fail to request preauthorization for Out-of-Network benefits, no benefits will be paid by the Plan.

To request authorization, ask your Network Provider to contact the Claims Administrator, or you may contact Customer Service at the number shown on your Identification Card.

## Participants electing the Out-of-Area Medical Benefit Option

If you receive your care in a Contracting Facility and the services have been preauthorized, Out-of-Area Benefits will be available, subject to all Plan provisions. Failure to preauthorize services will be subject to guidelines described below.

## Failure to Preauthorize

If preauthorization for each inpatient Hospital Admission, Extended Care Expense, Home Infusion Therapy, and Chemical Dependency, Mental Health Care (including Serious Mental Illness), as described, is not obtained:

- The Claims Administrator will review the Medical Necessity of your treatment prior to the final benefit determination;
- If the Claims Administrator determines the treatment or service is not Medically Necessary, benefits will be denied; or
- If a Hospital Admission or extension for any treatment or service described below is not preauthorized and it is determined that the admission or extension was not Medically Necessary, benefits will be reduced or denied.

## Inpatient Admissions

In the case of an elective inpatient admission, the call for preauthorization should be made at least two working days before you are admitted, unless it would delay Emergency Care. Emergency Care never requires preauthorization. Preauthorization is required regardless of whether treatment is provided by a Network, Out-of-Network, or Out-of-Area provider.

When an inpatient admission is preauthorized, a length-of-stay is assigned. The Plan is required to provide a minimum length of stay in a Hospital facility for the following:

- Maternity Care:
- 48 hours following an uncomplicated vaginal delivery; or
- 96 hours following an uncomplicated delivery by caesarean section.
- Treatment of Breast Cancer:
- 48 hours following a mastectomy; or
- 24 hours following a lymph node dissection.

If you require a longer stay than was first preauthorized, your Provider may seek an extension for the additional days. Benefits will not be available for room and board charges for medically unnecessary days.

## Extended Care Expense and Home Infusion Therapy

Preauthorization for Extended Care Expense and Home Infusion Therapy may be obtained by having the agency or facility providing the services contact the Claims Administrator to request preauthorization. The request should be made:

- Prior to initiating Extended Care Expense or Home Infusion Therapy;
- When an extension of the initially preauthorized service is required; and
- When the treatment plan is altered.

The Claims Administrator will review the information submitted prior to the start of Extended Care Expense or Home Infusion Therapy. The Claims Administrator will send a letter to you and the agency or facility confirming preauthorization or denying benefits.

If Extended Care Expense or Home Infusion Therapy is to take place in less than one week, the agency or facility should call the Medical Preauthorization Helpline.

If the Claims Administrator has given notification that benefits for the treatment plan requested will be denied based on information submitted, claims will be denied.

To satisfy all medical preauthorization requirements for Inpatient Hospital Expense, Extended Care Expense, or Home Infusion Therapy, call:

Toll-free: 1-800-528-7264

## Inpatient Chemical Dependency, Mental Health Care (including Serious Mental Illness)

All inpatient treatment of Chemical Dependency and Mental Health Care (including Serious Mental Illness) should be preauthorized, regardless of whether the treatment is provided by an In-Network, Out-of-Network or Out-ofArea provider.

You or your Provider should contact the Mental Health Helpline for a referral to Network Providers who have entered into a managed care arrangement with BCBSTX to furnish services and supplies for Mental Health Care (including Serious Mental Illness) or treatment of Chemical Dependency. When your services have been preauthorized and are provided by the Network Provider, In-Network Benefits will be available.

To satisfy preauthorization requirements for Mental Health Care (including Serious Mental Illness) or Chemical Dependency, call BCBSTX Toll-free: 1-800-528-7264

## CASE MANAGEMENT

Under certain circumstances, the Plan allows the Claims Administrator the flexibility to offer benefits for expenses which are not otherwise Eligible or Covered Expenses. The Claims Administrator, at its sole discretion, may offer such benefits if:

- The Participant, his family, and the Physician agree;
- Benefits are cost effective; and
- The Claims Administrator anticipates future expenditures for Eligible or Covered Expenses that may be reduced by such benefits.

Any decision by the Claims Administrator to provide such benefits shall be made on a case-by-case basis. The case coordinator for the Claims Administrator will initiate case management in appropriate situations.

## CLINICAL TRIALS

The Plan will not:

- Deny your participation in a clinical trial;
- Deny (or limit or impose additional conditions on) the coverage of "routine patient costs" (see below) for items and services furnished in connection with participation in a clinical trial; or
- Discriminate against you on the basis of your participation in a clinical trial,
provided that you meet the following requirements:
- You are eligible to participate in a clinical trial according to the clinical trial protocol with respect to treatment of cancer or other life-threatening disease or condition; and
- Your participation in such clinical trial would be appropriate based upon your eligibility to participate according to the clinical trial protocol (i) as concluded by the referring health care professional who is a participating health care provider in the clinical trial; or (ii) as established by medical and scientific information provided by you.

For purposes of this section, "routine patient costs" include all services and supplies consistent with the coverage provided under the

Plan that are typically covered for someone who is not enrolled in a clinical trial, but do not include the investigational item, device or service itself, services and supplies that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient, or a service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

For purposes of this section, "clinical trial" means an "approved clinical trial" as defined in Section 2709 of the Public Health Service Act.

## INTERNAL CLAIM PROCEDURES

## Filing of Claims Required

## Notice of Claim

You must give written notice to the Claims Administrator within 12 months, or as soon as reasonably possible, after any Participant receives services for which benefits are provided under the Plan.

## Claim Forms

Claim forms for filing Proof of Loss are available on the Atmos Energy intranet and may also be obtained by calling customer service at 1-866-314-0266.

The Claims Administrator for the Plan must receive claims prepared and submitted in the proper manner and form, in the time required, and with the information requested before it can consider any claim for payment of benefits.

## Who Files Claims

Providers that contract with the Claims Administrator and some other health care Providers (such as ParPlan Providers in the state of Texas) will submit your claims directly to the Claims Administrator for services provided to you or any of your covered dependents. At the time services are provided, inquire if the Provider will file claim forms for
you. To assist Providers in filing your claims, you should carry your Identification Card with you.

## Contracting Providers

When you receive treatment or care from a Provider or Covered Drugs dispensed from a Pharmacy that contracts with the Claims Administrator, you will generally not be required to file claim forms. The Provider will usually submit the claims directly to the Claims Administrator for you.

## Non-Contracting Providers

When you receive treatment or care from a health care Provider or Covered Drugs dispensed from a Pharmacy that does not contract with the Claims Administrator, you may be required to file your own claim forms. Some Providers, however, will do this for you. If the Provider does not submit claims for you, refer to the subsection of this Benefit Booklet entitled "Participant-Filed Claims" in this "HOW TO RECEIVE HEALTHCARE BENEFITS"
Section for instruction on how to file your own claim forms.

## Mail Service Prescription Drug Program

When you receive Covered Drugs dispensed through the Mail Service Prescription Drug Program, you must complete and submit the mail service prescription drug claim form to the address on the claim form. Additional information may be obtained from Human Resources at Atmos Energy, from the BCBSTX website, www.bcbstx.com, or by calling the Customer Service Helpline at 1-866-314-0266.

## Participant-Filed Claims

## Medical Claims

If your Provider does not submit your claims, you will need to submit them to the Claims Administrator using a subscriber-filed claim
form provided by the Plan. You can obtain copies of the claim form from Human Resources at Atmos Energy, from the BCBSTX website (www.bcbstx.com) or by calling the Customer Service Helpline at 1-866-314-0266.

Follow the instructions on the reverse side of the form to complete the claim. Remember to file each Participant's expenses separately because any Deductibles and other provisions are applied to each Participant separately. Include itemized bills from the health care Providers, labs, etc., printed on their letterhead and showing the services performed, dates of service, charges, and name of the Participant involved.

## Prescription Drug Claims

When you receive Covered Drugs dispensed from a Non-Participating Pharmacy, a Prescription Reimbursement Claim Form must be submitted. This form can be obtained from Human Resources at Atmos Energy, from the BCBSTX website, bcbstx.com, or by calling the Customer Service Helpline at 1-866-314-0266.

This claim form, accompanied by an itemized bill obtained from the Pharmacy showing the prescription services you received, should be mailed to the address shown below or on the claim form.

## Who Receives Payment

Benefit payments will be made directly to contracting Providers when they bill the Claims Administrator. Written agreements between the Claims Administrator and some Providers may require payment directly to them.

Any benefits payable to you, if unpaid at your death, will be paid to your surviving spouse, as beneficiary. If there is no surviving spouse, then the benefits will be paid to your estate.

Except as provided in the subsection entitled "ASSIGNMENT AND PAYMENT OF BENEFITS" in the "GENERAL INFORMATION" Section of this Benefit Booklet, rights and benefits under the Plan are not assignable, either before or after services and supplies are provided.

## Benefit Payments to a Managing Conservator

 Benefits for services provided to your minor dependent child may be paid to a third party if:- The third party is named in a court order as managing or possessory conservator of the child; and
- The Claims Administrator has not already paid any portion of the claim.

In order for benefits to be payable to a managing or possessory conservator of a child, the managing or possessory conservator must submit to the Claims Administrator, with the claim form, proof of payment of the expenses and a certified copy of the court order naming that person the managing or possessory conservator.

The Claims Administrator for the Plan may deduct from its benefit payment any amounts it is owed by the recipient of the payment. Payment to you or your Provider, or deduction by the Plan from benefit payments of amounts owed to it will be considered in satisfaction of its obligations to you under the Plan.

An explanation of benefits summary is sent to the participant, showing what has been paid.

## When to Submit Claims

All claims for benefits under the Plan must be properly submitted to the Claims Administrator within twelve (12) months of the date that services or supplies are received. Claims not submitted and received by the Claims Administrator within twelve (12) months after that date will not be considered for payment of benefits except in the absence of legal capacity.

## Receipt of Claims by the Claims Administrator

A claim will be considered received by the Claims Administrator for processing upon actual delivery to the administrative office of the Claims Administrator in the proper manner and form and with all of the information required. If the claim is not complete, it may be denied or the Claims Administrator may contact either you or the Provider for the additional information.

After processing the claim, the Claims Administrator will notify the Participant by way of an explanation of benefits summary.

## BENEFIT DETERMINATIONS

Urgent Claims that Require Immediate Action

Urgent care claims or appeals are those claims or appeals that require notification or approval prior to receiving medical care, where a delay in treatment as a result of the application of the time periods for making non-urgent care determinations could seriously jeopardize you or your dependent's life or health or ability to regain maximum function or, in the opinion of a physician with knowledge of you or your dependent's medical condition could cause severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

In the case of an urgent care claim, the Claims Administrator shall notify you of the Plan's benefit determination (whether adverse or not) as soon as possible, taking into account the medical exigencies, but not later than 72 hours after receipt of the claim by the Plan, unless you fail to provide sufficient information to determine whether, or to what extent, benefits are covered or payable under the Plan. In the case of such a failure, the Claims Administrator shall notify you as soon as possible, but not later than 24 hours after receipt of the claim by the Plan, of the specific information necessary to complete the claim. You shall be afforded a reasonable amount of time, taking into account the circumstances, but not less than 48 hours, to provide the specified information. The Claims Administrator shall notify you of the Plan's benefit determination (whether adverse or not) as soon as possible, but in no case later than 48 hours after the earlier of (i) the Plan's receipt of the specified information, or (ii) the end of the period afforded you to provide the specified additional information.

A denial notice will comply with the requirements set forth below.

## Pre-Service Claims

Pre-service claims or appeals are those claims or appeals that require notification or approval prior to receiving medical care.

In the case of a pre-service claim, the Claims Administrator shall notify you of the Plan's benefit determination (whether adverse or not) within a reasonable period of time appropriate to the medical circumstances, but not later than 15 days after receipt of the claim by the Plan. This period may be extended one time by the Plan for up to 15 days, provided that the Claims Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you, prior to the expiration of the initial 15 -day period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information, and you shall be afforded at least 45 days from receipt of the notice within which to provide the specified information. In the case of your failure to follow the Plan's procedures for filing a pre-service claim, you shall be notified of the failure and the proper procedures to be followed in filing a claim for benefits as soon as possible, but not later than 5 days ( 24 hours in the case of a failure to file a claim involving urgent care) following the failure. Notification may be oral, unless you request written notification. This paragraph applies only in the case of a failure by you to file a claim with the Claims Administrator that names a specific claimant, a specific medical condition or symptom, and a specific treatment, service or product for which approval is requested.

A denial notice will comply with the requirements set forth below.

## Post-Service Claims

Post-service claims or appeals are those claims or appeals that are not pre-service claims or
appeals and are filed for payment of benefits after medical care has been received.

In the case of a post-service claim, the Claims Administrator shall notify you of the Plan's benefit determination (whether adverse or not) within a reasonable period, but not later than 30 days after receipt of the claim. This period may be extended one time by the Plan for up to 15 days, provided that the Claims Administrator both determines that such an extension is necessary due to matters beyond the Plan's control and notifies you, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information, and you shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.

A denial notice will comply with the requirements set forth below.

## Concurrent Care Claims

If the Plan has approved an ongoing course of treatment to be provided over a period of time or number of treatments, then any reduction or termination by the Plan of such course of treatment (other than by Plan amendment or termination) before the end of such period of time or number of treatments shall constitute an adverse benefit determination. The Claims Administrator shall notify you of the adverse benefit determination at a time sufficiently in advance of the reduction or termination to allow you to appeal and obtain a determination on review of that adverse benefit determination before the course of treatment is reduced or terminated. Any request to extend the course of treatment beyond the period of time or number of treatments that is a claim involving urgent care shall be decided as soon as possible, taking
into account the medical exigencies, and the Claims Administrator shall notify you of the benefit determination (whether adverse or not) within 24 hours after receipt of the claim by the Plan, provided that any such claim is made to the Plan at least 24 hours prior to the expiration of the prescribed period of time or number of treatments. Any request to extend the course of treatment beyond the period of time or number of treatments that is not or is no longer a claim involving urgent care shall be considered a new claim and decided according to post-service or pre-service timeframes, whichever applies.

## Denial Notification Requirements

In the event a claim for benefits is denied or the Claims Administrator otherwise makes an adverse benefit determination as defined in the U.S. Department of Labor regulations regarding claims procedures, the Claims Administrator shall provide you with written or electronic notification of such adverse benefit determination. The notification shall be written in a manner calculated to be understood by you and shall include the following:

- The specific reason or reasons for the adverse determination;
- Reference to the specific Plan provision on which the determination is based;
- A description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary;
- A description of the Plan's review procedures, and as applicable, a description of the Plan's expedited review process for claims involving urgent care, and the time limits applicable to such procedures;
- A statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination
on review, and contact information for the office of health insurance consumer assistance or ombudsman, as applicable, established to assist individuals with internal claims and appeals and external review procedures;
- Any specific internal rule, guideline, protocol or other similar criterion relied upon in making the adverse determination or a statement that such rule, guideline, protocol or other similar criterion was relied upon and that a copy of such rule, guideline, protocol or other similar criterion will be provided free of charge to the claimant upon request;
- If the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances or a statement that such explanation will be provided free of charge upon request;
- Information necessary to identify the claim, (including the date of service, healthcare provider, claim amount (if applicable), and a statement describing availability upon request, of the diagnosis code and its meaning and treatment code and its meaning);
- The reason or reasons for the adverse benefit determination including the denial code and its corresponding meaning, as well as a description of the Plan's standard, if any, that used in denying the claim; and
- A description of available internal appeals and external review processes, including information regarding how to initiate an appeal.

In the case of an adverse benefit determination concerning a claim involving urgent care, the notice described in the preceding paragraph may be provided to you orally within the time frame described above, provided that a written or electronic notification is furnished to you not later than 3 days after the oral notification.

If your claim has been denied and you do not agree with the denial, you must submit your claim for review by following the Claims Review Procedure described below.

## INTERNAL CLAIMS REVIEW PROCEDURES

Upon the denial of your claim for benefits, if you disagree with the denial, in order to preserve legal remedies that may be available to you, you or your duly authorized representative acting on your behalf must file a claim for review in writing with the Plan Administrator (all references to you will include your duly authorized representative for the remainder of this section). You must file a claim for review not later than 180 days following receipt of a notification of an adverse benefit determination. You may submit written comments, documents, records and other information relating to the claim for benefits in connection with the claim for review, and the review will take into account all such comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In addition, you may submit additional evidence and testimony in support of your claim for review and if any new evidence is provided by the Plan or any new rationale is considered by the Claims Administrator in making the decision, you must receive notice of such new evidence and new rationale and have an opportunity to respond. You must respond within the time period during which the Claims Administrator is considering your appeal.

You shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits.

In conducting its review, the Plan Administrator will not afford deference to the initial adverse benefit determination, and the review will be conducted by an appropriate individual who is neither the individual who made the adverse benefit determination nor the subordinate of such individual. In deciding a claim for review that is based in whole or in part on a medical judgment, including determinations with regard to whether a particular treatment, drug or other item is Experimental/Investigational or not Medically Necessary or appropriate, the Plan Administrator shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the judgment. Any such health care professional engaged for purposes of a consultation shall be an individual who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of review, nor the subordinate of any such individual. The Plan Administrator will provide you with the identification of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with your adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. Further, in the case of a claim involving urgent care (whether an appeal on a claim involves urgent care requiring the expedited handling procedures is determined by the nature of the claim at the time of the appeal), the Plan Administrator will provide for an expedited review process pursuant to which your request for an expedited review may be submitted orally or in writing, and all necessary information, including the Plan's benefit determination, shall be transmitted between the Plan and you by telephone, facsimile or other available similarly expeditious method.

In the case of an urgent care appeal, the Plan Administrator shall notify you of the Plan's benefit determination on review as soon as possible, taking into account the medical exigencies, but not later than 72 hours after receipt of the claimant's request for review.

In the case of a pre-service appeal, the Plan Administrator shall notify you of the Plan's benefit determination on review within a reasonable period of time appropriate to the medical circumstances, but not later than 30 days after receipt by the Plan of your request for review.

In the case of a post-service appeal, the Plan Administrator shall notify the claimant of the Plan's benefit determination on review within a reasonable period of time, but not later than 60 days after receipt by the Plan of the claimant's request for review.

The Plan Administrator shall provide you with written or electronic notification of the Plan's benefit determination on review. In the event of an adverse benefit determination on review, the notification shall be written in a manner calculated to be understood by you and shall include the following:

- The specific reason or reasons for the adverse determination;
- Reference to the specific Plan provisions on which the benefit determination is based;
- A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits;
- A statement describing any voluntary appeal procedures offered by the Plan, including information on how to initiate a voluntary appeal, and the claimant's right to obtain the information about such procedures,
- A description of the external review processes, including information on how to initiate an external review;
- A statement of the claimant's right to bring an action under ERISA Section 502(a);
- Contact information for the office of health insurance consumer assistance or ombudsman, as applicable, established to assist individuals with internal claims and appeals and external review procedures;
- Any specific internal rule, guideline, protocol or other similar criterion relied upon in making the adverse determination or a statement that such rule, guideline, protocol or other similar criterion was relied upon and that a copy of such rule, guideline, protocol or other similar criterion will be provided free of charge to the claimant upon request;
- If the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances or a statement that such explanation will be provided free of charge upon request;
- Information necessary to identify the claim (including the date of service, healthcare provider, claim amount, and a statement describing availability upon request, of the diagnosis code and its meaning and treatment code and its meaning);
- The reason or reasons for the adverse benefit determination including the denial code and its corresponding meaning, as well as a description of the Plan's standard, if any, that used in denying the claim, including a discussion of the decision;
- A statement that reads as follows: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

A claimant is not required to file more than one appeal of an adverse benefit determination prior to bringing a civil action under ERISA Section 502(a).

## EXTERNAL CLAIM PROCEDURES

## Request for Standard External Review

If you disagree with the final adverse benefit determination on your claim for review, your next step in having such decision reviewed requires you to request an external independent review from the Plan.

External review will be available with respect to claims for medical benefits. However, a reduction, termination, or failure to provide for a benefit based on a determination that you fail to meet eligibility requirements under the Plan is not eligible for external review. In addition, unless and until the issuance of official guidance to the contrary, external review only applies to (1) an adverse benefit determination that involves medical judgment (including, but not limited to, those based on medical necessity, appropriateness, health care setting, level of care, or effectiveness of a covered benefit; or a determination that a treatment is experimental or investigational), as determined by the external reviewer; and (2) a rescission of coverage (whether or not the rescission has any effect on any particular benefit at that time).

You may only file a request for external review if you file such request within four months of the date you received the Plan's final adverse benefit determination on your claim for review.

Your request for an external appeal must be filed with:

Blue Cross and Blue Shield of Texas Claims Division
P.O. Box 660044

Dallas, TX 75266-0044
Review and Preliminary Determination of Eligibility for External Review for a Standard External Review

The Plan Administrator must review such request and respond to you within five (5) business days of receipt of such request for a standard review with a determination of whether your request for external review is eligible for external review. A request is eligible for external review if it meets all of the following four requirements during the preliminary review.

1) the claimant is or was covered by the Plan at the time the health care item or service in question was provided;
2) the adverse benefit determination or final adverse benefit determination does not relate to whether the claimant satisfied the Plan's eligibility requirements;
3) the claimant has exhausted the Plan's internal appeal process, unless the claimant is not required to exhaust the internal appeal process under the interim final regulations at 29 CFR § 2590.715-2719 (final as of January 1, 2017); and
4) the claimant has provided all the information and forms required to process an external review.

Preliminary Notice Regarding Eligibility for Standard External Review

Within one business day after the Plan Administrator completes the preliminary review, the Plan must issue a written notice to the
claimant and such notice must include the reasons the requested appeal is not eligible for external review if the request was complete but not eligible for external review and must also provide contact information for the Employee Benefit Security Administration (toll-free number 866-444-EBSA (3272)). If the request for external review was not eligible because it was not complete, the notice must include a description of the information necessary to complete the request for external review and permit the claimant to submit such information by the later of 48 hours after the claimant receives the notice or by the end of the four month period during which external review must be requested.

## Standard External Review

The Plan must rotate its assignment of claims for external review to an independent review organization that is one of the at least three independent review organizations retained by the Plan to conduct external reviews and which is due to receive the claim on the Plan's rotational basis established to ensure independence. The external independent review organization must conduct a full review of the file, applicable plan provisions and any material submitted as required by applicable guidance and in compliance with the independent review organization's contract with the Plan. The independent review organization shall conduct such review on a de novo basis without deference to the plan's decision.

Within four business days after the independent review organization is assigned, the Plan shall provide the documents and information considered by the Plan in making its decision. If the independent review organization receives any new evidence or information, it shall provide such information to the Plan and the Plan may reconsider its decision. If the Plan changes its decision upon reconsideration, it must notify the claimant and the independent review organization of its new decision within
one business day of making such decision. The independent review organization must then terminate its review.

The independent review organization shall provide the claimant and Plan with a written notice of its decision within 45 days of the date on which the independent review organization received the request for external review. Such notice shall include all information required by applicable guidance.

Upon a Plan's receipt of an independent review organization's final external review determination reversing the Plan's determination, the Plan shall immediately provide coverage or payment for the claim.

## Request for Expedited External Review

An expedited external review shall be provided:
(1) If a claimant receives an adverse benefit determination on a medical condition for which the time frame for completion of an expedited internal appeal would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function and the claimant has filed a request for an expedited internal appeal, or
(2) If the claimant received a final internal adverse benefit determination and the claimant has a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function, or
(3) If the final adverse benefit determination concerns an admission, availability of care, continued stay, or health care item or service for which the claimant received emergency services, but has not been discharged since receiving such emergency services.

Upon receipt of a request for expedited external review, the Plan shall determine if the request satisfies the requirements to be eligible for a standard external review (under Review and Preliminary Determination of Eligibility for External Review for a Standard External Review above) and must immediately send the claimant a notice of such preliminary determination of eligibility.

If the request for expedited external review is approved, the Plan shall assign the claim to an external reviewer in accordance with its standard procedures for assigning claims to external reviewers (see "Standard External Review" above) and must transmit all necessary documents and information considered by the Plan in making its final internal adverse benefit determination or adverse benefit determination to the assigned independent review organization electronically, by telephone, facsimile or any other available expeditious method. The assigned independent review organization must consider the expedited request under its standard review procedures on a de novo basis. The independent review organization must provide the Plan and claimant notice of the final external review decision as expeditiously as the claimant's medical condition or circumstances require but in no event more than 72 hours after the independent review organization received the request for expedited external review. If such notice is not in writing, within 48 hours of the date the notice is provided, the independent review organization must provide a written confirmation of its decision to the claimant and the Plan.

## Legal Actions

If you want to bring a legal action against the Plan Administrator or the Claims Administrator, you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted, or you lose any rights to bring such an action against
the Plan Administrator or the Claims Administrator.

You cannot bring any legal action against the Plan Administrator or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this document. After completing that process, if you want to bring a legal action against the Plan Administrator or the Claims Administrator, you must do so within three years of the date you are notified of the final decision on the appeal, or you lose any rights to bring such an action against the Plan Administrator or the Claims Administrator.

## ELIGIBLE OR COVERED EXPENSES

This portion of the Plan provides benefits for three major categories of Eligible or Covered Expenses:

- Inpatient Hospital Expenses;
- Medical-Surgical Expenses; and
- Extended Care Expenses.

This "MEDICAL BENEFITS PROVIDED" Section generally explains the medical benefits that are available under the Plan. Please remember to refer to the "DEFINITIONS" Section of this Benefit Booklet for a description of terms such as Inpatient Hospital Expense, Medical-Surgical Expense, and Extended Care Expense.

Refer to the "MEDICAL LIMITATIONS AND EXCLUSIONS" Section of this Benefit Booklet for a description of limitations and exclusions under the Plan, including limitations and exclusions that may apply to otherwise Eligible or Covered Expenses.

Wherever Schedule of Coverage is mentioned, please refer to the Schedule at the beginning of this Benefit Booklet.

Your benefits are calculated on a Calendar Year benefit period basis unless otherwise stated. At the end of a Calendar Year, a new benefit period starts for each Participant.

## CHANGES IN BENEFITS

Changes to covered benefits will apply to all services provided to each Participant under the Plan.

Benefits for Eligible or Covered Expenses incurred during an admission in a Hospital or Facility Other Provider that begins before the change will be those benefits in effect on the day of admission.

## BENEFITS FOR INPATIENT HOSPITAL EXPENSE

Please note that if you are confined in a private room, only the Hospital's average semiprivate room rate is allowed as Inpatient Hospital Expense. Remember, each Hospital Admission requires preauthorization.

The benefit percentage of your total eligible Inpatient Hospital Expense in excess of any Deductible indicated on your Schedule of Coverage is the Plan's obligation. The remaining unpaid Inpatient Hospital Expense including any Deductible is your obligation to pay. This amount will be applied to the Co-Share Amount.

## BENEFITS FOR MEDICAL-SURGICAL EXPENSE

The following services are included under Medical-Surgical Expense as defined in this Benefit Booklet:

- Physician services;
- Services of Professional Other Providers;
- Speech and hearing services;
- Diagnostic x-ray and laboratory examinations;

Remember that certain services require preauthorization, and any Deductibles and CoShare Amounts shown on your Schedule of Coverage will also apply.

The benefit percentages of your total eligible Medical-Surgical Expense shown on your

Schedule of Coverage in excess of your Co-Share Amount and any Deductible shown are the Plan's obligation. The remaining unpaid MedicalSurgical Expense in excess of the Co-Share Amount and any Deductible is your obligation to pay.

To calculate your benefits, subtract any Deductibles from your total eligible MedicalSurgical Expense and then multiply the difference by the benefit percentage shown on your Schedule of Coverage Most remaining unpaid MedicalSurgical Expense including the Deductible is your Co-Share Amount.

## BENEFITS FOR EXTENDED CARE EXPENSE

If shown on your Schedule of Coverage, the Deductible will apply. Any unpaid Extended Care Expense in excess of the benefit maximums shown on your Schedule of Coverage will not be applied to any Co-Share Amount.

Any charges incurred as Home Health Care or home Hospice Care for drugs (including antibiotic therapy) and laboratory services will not be Extended Care Expense but will be considered Medical-Surgical Expense.

Benefits will be determined as indicated on your Schedule of Coverage. Remember that certain services require preauthorization and that any CoShare Amounts and Deductibles shown on your Schedule of Coverage will also apply.

## 1. Benefits for Treatment of Complications of Pregnancy

Benefits for Eligible or Covered Expenses incurred for treatment of Complications of Pregnancy will be determined on the same basis as treatment for any other sickness. Dependent children will be eligible for benefits for treatment of Complications of Pregnancy.

## 2. Benefits for Maternity Care

The Plan provides coverage for inpatient care for the mother and newborn child in a health care facility for a minimum of:

- 48 hours following an uncomplicated vaginal delivery; and
- 96 hours following an uncomplicated delivery by caesarean section.

Inpatient Hospital Expense incurred by the mother for delivery of a child will not include charges for routine well-baby nursery care of the newborn child during the mother's Hospital Admission for the delivery. These charges will be considered Inpatient Hospital Expense of the child and will be subject to the benefits provisions and benefit maximums as described elsewhere in this "MEDICAL BENEFITS PROVIDED" Section.

## Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by caesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96 -hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain a preauthorization for benefits. For information on preauthorization, refer to the subsection entitled "PREAUTHORIZATION REQUIREMENTS" in the "HOW TO RECEIVE HEALTHCARE BENEFITS" Section of this Benefit Booklet.
3. Benefits for Mental Health Care (including Serious Mental Illness) and Chemical Dependency Treatment
Benefits for Inpatient Hospital Expense and Medical-Surgical Expense for Mental Health Care (including Serious Mental Illness) and for treatment of Chemical Dependency are available as indicated.

NOTE: Refer to the subsection entitled "PREAUTHORIZATION REQUIREMENTS" in the "HOW TO RECEIVE HEALTHCARE BENEFITS" Section of this Benefit Booklet to determine what services require preauthorization.

The Plan may use state guidelines to administer benefits for treatment of Chemical Dependency.

Inpatient treatment of Chemical Dependency must be provided in a Chemical Dependency Treatment Center. Benefits for the medical management of acute life-threatening intoxication (toxicity) in a Hospital will be available on the same basis as for sickness
generally as described under the "BENEFITS FOR INPATIENT HOSPITAL EXPENSE" subsection in this "MEDICAL BENEFITS PROVIDED" Section of this Benefit Booklet.

Medically Necessary treatment of Chemical Dependency and/or Mental Health Care (including Serious Mental Illness) in a Psychiatric Day Treatment Facility, a Crisis Stabilization Unit or Facility, or a Residential Treatment Center for Children and Adolescents in lieu of Hospitalization will be considered Inpatient Hospital Expense. Inpatient Hospital Expense benefit percentages for this Plan as shown on your Schedule of Coverage will apply.

Mental health benefits include, but are not limited to: assessment, diagnosis, treatment planning, medication management, individual, family and group psychotherapy, psychological education, psychological testing.

Additional Eligible or Covered Expenses specific to mental disorder treatment are listed below. These additional Eligible or Covered Expenses are subject to the same requirements as Eligible or Covered Expenses described above.

## Additional Eligible or Covered Expenses

The Plan shall be construed and administered in accordance with Section 712 of ERISA and the regulations and other authority promulgated thereunder by the appropriate governmental authority.

## 4. Benefits for Emergency Care and Treatment of Accidental Injury

The Plan provides coverage for medical emergencies wherever they occur. Examples of medical emergencies are unusual or excessive bleeding, broken bones, acute abdominal or chest pain, unconsciousness, convulsions, difficult breathing, suspected heart attack, sudden persistent pain, severe or multiple injuries or burns, and poisonings.

If reasonably possible, contact your Network Physician before going to the Hospital emergency room. He can help you determine if you need Emergency Care and recommend that care. If not reasonably possible to contact your Network Physician, go to the nearest emergency facility, whether or not the facility is in the Network. A Co-payment may be required if you go to a Hospital emergency room.

Whether you require Hospitalization or not, you should notify your Network Physician within 48 hours, or as soon as reasonably possible, of any emergency medical treatment so he can recommend the continuation of any necessary medical services.

All treatment received during the first 48 hours following the onset of a medical emergency will be eligible for In-Network Benefits. After 48 hours, In-Network Benefits will be available only if you use Network Providers or you are receiving Emergency

Care. If after the first 48 hours of treatment following the onset of a medical emergency you are no longer receiving Emergency Care and can safely be transferred to the care of a Network Provider but are treated by an Out-of-Network Provider, only Out-of-Network Benefits will be available.

## Employee Assistance Program

The Plan Administrator has contracted with Magellan to coordinate care for personal problems under the Employee Assistance Program (EAP). Magellan works to ensure treatment is provided by qualified providers at the proper level of care. By doing so, Magellan helps to keep out-of-pocket expenses as low as possible. Magellan contracts with licensed counselors, certified social workers, clinical psychologists, psychiatrists, and psychiatric facilities.

## Employee Assistance Program Benefits

EAP is a benefit offered to employees and their dependents to help them address personal problems.

During your assessment visit, the counselor will try to determine the underlying reasons for your problem and develop a treatment plan. If the
problem cannot be adequately resolved with the additional EAP visits, the EAP counselor may recommend other qualified specialists to help you. You are allowed up to six (6) visits per Calendar Year when you contact Magellan. Depending on your needs, you may be referred to the mental health network prior to the completion of six visits. Therefore, when you need more assistance than is available through the EAP, your mental health benefits are there to help resolve Medically Necessary, longer-term chronic or acute mental health or chemical dependency problems.

If you or a dependent has a psychiatric problem, you can call Magellan at the number listed on your ID card. Magellan is available to take calls 24 hours a day.

If children under age 18 call Magellan, the procedures involved in accessing a counselor will be explained. However, without a signed release of parental consent, Magellan will not discuss educational needs or enter into any problem resolution. Magellan will, however, give children suggestions on how to approach their parents and encourage them to do so.

Magellan's telephone is answered by trained intake specialists under the direction of a full-time psychiatric medical director.

These specialists will listen to your problem and ask a few questions so they can match you with an EAP counselor. Then they will give you all the information you need to discuss your situation in person. If your symptoms require Hospitalization, Magellan will arrange for an emergency evaluation or Hospital Admission.

By providing prepaid professional assessment and short-term counseling, the EAP helps address almost any type of crisis or concern, including:

| Personal Problems | Emotional Problems |
| :--- | :--- |

The eligible employee or covered dependent must be covered under this Prescription Drug Benefit when the prescription is filled.

Prescription drugs are covered through Prime Therapeutics.

## HIGH DEDUCTIBLE MEDICAL BENEFIT OPTION

Notwithstanding anything herein to the contrary, Participants enrolled in the High Deductible Medical Benefit Option will be responsible for paying $100 \%$ of the cost of Prescription Drugs (other than toward preventative maintenance Prescription Drugs). Amounts paid for Prescription Drugs will count toward the Participant's Deductible and Out-of-Pocket Maximum. Preventive maintenance Prescription Drugs (as determined by the Claims Administrator) will be covered the same as Prescription Drugs available under the other Medical Benefit Options. Amounts a Participant pays toward preventative maintenance Prescription Drugs shall count toward the Out-of-Pocket Maximum. Once the Out-of-Pocket Maximum has been met, both preventative maintenance Prescription Drugs and non-preventative maintenance Prescription Drugs shall be covered at $100 \%$.

## MEDICAL BENEFIT OPTION OTHER THAN THE HIGH DEDUCTIBLE MEDICAL BENEIT OPTION

## How Co-payment Amounts Apply

Retail Pharmacy: $25 \%$ Co-payment for all medical plans for a 30-Day Supply of Generic and Preferred Brand Name Prescription Drugs
and 35\% Co-payment for all medical plans for a 30-Day Supply of Non-Preferred Brand Name Prescription Drugs.

Mail Service Pharmacy: 25\% Co-payment for all medical plans for a 90-Day Supply of Generic and Preferred Brand Name Prescription Drugs and $35 \%$ Co-payment for all medical plans for a 90-Day Supply of Non-Preferred Brand Name Prescription Drugs.

## Per-Prescription Minimum and Maximum Co-payment Amounts

There is a Per-Prescription Maximum Copayment Amount imposed on each Covered Drug. Furthermore, for Preferred Brand Name Prescription Drugs and Non-Preferred Name Brand Prescription Drugs there is also a PerPrescription Minimum Co-payment Amount imposed. The applicable Per-Prescription Minimum and Maximum Co-payments are specified in the Schedule of Coverage at the beginning of this Booklet.

## Network Pharmacy

When a Network Pharmacy is used, you pay the Co-payment up to the Per-Prescription Maximum Co-payment Amount for the type of drug, as set forth in the applicable chart (i.e., 30 day or 90 Day Supply).

For example, if a covered person orders a 30 Day Supply of a Preferred Brand Name Covered Drug which costs $\$ 100$, since the $25 \%$ Copayment ( $\$ 25$ ) is less than the Per-Prescription Maximum Co-payment Amount (\$75), the covered person pays the $\$ 25$ Co-payment. On the other hand, if the cost of the Preferred Brand Name Covered Drug had been $\$ 320$, the $25 \%$ Co-payment (\$80) is more than the PerPrescription Maximum Co-payment Amount, so the covered person would only have to pay $\$ 75$ (the amount of the Per-Prescription Maximum Co-payment Amount).

## Out-of-Network Pharmacy

When an Out-of-Network Pharmacy is used, you must pay for the entire cost of each prescription at the time it is filled. Then you must submit a claim. Benefits are payable at the predominant contracted reimbursement rate (including any sales tax) for Network Pharmacies minus the applicable Co-payment amount.

## Mail Service Network Pharmacy

If the Mail Service Pharmacy is used, the covered person must pay the Co-payment amount.

There is no coverage for prescription drugs dispensed by an Out-of-Network Mail Service Pharmacy.

## Supply Limits

## Retail Pharmacy

If the prescription drug is dispensed by a retail Pharmacy, the following limits apply:

- Up to a 30 Day Supply of a prescription drug, unless adjusted based on the drug manufacturer's packaging size. Some products may be subject to additional supply limits adopted by the Claims Administrator. A list of current additional supply limits may be obtained from the Claims Administrator.
- A one cycle supply of an oral contraceptive. Up to three cycles can be purchased at one time if a Co-payment (if not a Generic Covered Drug) is paid for each cycle supplied.

## Mail Service Pharmacy

If the prescription drug is dispensed by the Mail Service Pharmacy, the supply limit is up to a 90 Day Supply of a prescription drug, unless adjusted based on the drug manufacturers packaging size or any additional supply limits adopted by the Claims Administrator. A list of current supply limits may be obtained from the Claims Administrator.

## How The Prescription Drug Program Works

When you need a Prescription Order filled, you can elect to go to a Participating Pharmacy or a Non-Participating Pharmacy or use the Mail Service Prescription Drug Program.

## Participating Pharmacy

When you go to a Participating Pharmacy:

- Present your Identification Card to the pharmacist along with your Prescription Order;
- Provide the pharmacist with the birth date and relationship of the patient;
- Sign the insurance claim log; and
- Pay the appropriate Co-payment for each Covered Drug filled or refilled.

The Participating Pharmacy will take care of the rest.

Participating Pharmacies have agreed not to bill you for any Covered Drug expenses in excess of:

- The appropriate Co-payment amounts; and
- Any pricing differences that may apply.

If you are unsure whether a Pharmacy is a Participating Pharmacy, you may contact the

Customer Service Helpline telephone number shown in this Benefit Booklet or on your Identification Card. You must present your Identification Card to your Participating Pharmacy in order to receive full Plan benefits.

## Non-Participating Pharmacy

If you have a Prescription Order filled at a NonParticipating Pharmacy, you must pay the Pharmacy the full amount of its bill and submit to the Claims Administrator a claim form and itemized receipt verifying that the prescription was filled. The Plan will reimburse you for Covered Drugs equal to:

- $80 \%$ of the Allowable Amount;
- Less any applicable Pharmacy Deductible;
- Less the appropriate Co-payment amount; and
- Less any pricing differences that may apply.

## Mail Service Prescription Drug Program

Your Employer has chosen to provide a Mail Service Prescription Program to you and your covered dependents. Any pricing differences, as explained in the subsection "How Co-Payment Amounts Apply" in this "PRESCRIPTION DRUG PROGRAM" Section will also apply.

When you mail your Prescription Orders to the address provided on the Mail Service Prescription Drug Program Claim Form, you must send in your payment. If you need assistance in determining the amount of your payment, you may either contact the Customer Service Helpline for assistance or send the amount of payment you determine will be needed.

If you send an incorrect payment amount for the Covered Drug dispensed, you will: (a) receive a credit if the payment is too much; or (b) be
billed for the appropriate amount if it is not enough.

## YOUR IDENTIFICATION CARD

The Identification Card you received is the key to your use of the Plan. It tells Participating Pharmacies that you are entitled to prescription drug benefits under the Prescription Drug Program. Participating Pharmacies are not permitted to file claims with the Claims Administrator unless you present the Identification Card with your Prescription Order.

You may print a temporary Identification Card as soon as your coverage is effective. To print an Identification Card, go to www.BCBSTX.com, and follow the instructions for logging in.

Note: If you do not have your Identification Card, you must pay your Participating Pharmacy directly for your prescription charges. You must then file a claim with the Claims Administrator. You will then be reimbursed for your payments less the appropriate Co-payment amount, and any applicable pricing difference.

Please remember that any time a change in your family takes place it may be necessary for a new Identification Card to be issued to you. (Refer to the subsections entitled "CHANGE OF ELECTION" and "HOW TO ENROLL" in the "ELIGIBILITY AND PARTICIPATION" Section of this Benefit Booklet for additional instructions when changes are made). Upon receipt of the change information, the Claims Administrator will issue a new Identification Card.

These drugs are commonly called Legend Drugs. As new drugs are approved by the Food and Drug Administration (FDA), such drugs, unless the intended use is specifically excluded under the Plan, are eligible for benefits. Notwithstanding the foregoing, subject to applicable supply limitations, the Plan covers over-the-counter contraceptives and tobacco cessation medications, provided that they are prescribed by your Provider.

## Generic Covered Drugs

You are encouraged to select Generic Covered Drugs when your prescribing Provider and pharmacist feel it is safe to do so and where state or federal laws permit.

## ASSIGNMENT AND PAYMENT OF BENEFITS

Coverage, and your rights, under a Medical Program Option under the Plan may not be assigned either before or after services or supplies are provided to you. A direction to pay a provider is not an assignment of any right under this Plan or of any legal or equitable right to institute any court proceeding. In the absence of a written agreement with a provider of services or supplies to a participant under this Plan that is entered into, under, or on behalf of,
the Plan (and not merely between a participant and the provider), the Plan Administrator reserves the unilateral right and discretion to make benefit payments to the provider or to or on behalf of the participant, as the Plan Administrator elects, in its complete discretion. Notwithstanding any other provision of this Plan, a participant's written direction to pay any such provider directly is subject to the Plan Administrator's discretion. Payment by this Plan to you, your covered dependents, your beneficiary or a provider discharges this Plan's responsibility to you or your covered dependents for benefits under this Plan to the full extent of such payment.

In no event shall any provider be considered a participant or beneficiary under this Plan for any purpose, including, but not limited to, the right to use the claims and appeals procedures under this Plan.

Disclosures of information about a participant can only be made to such participant or such participant's authorized representative and in accordance with applicable law. Only a participant or beneficiary, or a participant's or beneficiary's authorized representative on the participant's or beneficiary's behalf, is entitled to request and receive information regarding the Plan, including such information required under ERISA to be disclosed to the participant or his or her beneficiary upon request. A participant's designation of an authorized representative must be in writing.

## SUBROGATION

In the event you or your dependents suffers an injury or sickness as a result of an allegedly negligent or wrongful act or omission of a third party, the Claims Administrator has the right to pursue subrogation where permitted by law.

Upon payment of the benefits under this Plan, the Claims Administrator as the Plan's third party administrator, shall be subrogated to you or your dependent's right to recovery from any third party alleged to be legally responsible to you or your dependent. The Claims Administrator may use this right to the extent of the benefits paid under this Plan for your injury or sickness that was the result of the third party's allegedly negligent or wrongful act.

For the purposes of this provision, subrogation means the substitution of one person or entity (the Plan) in the place of another (you or your dependent) with reference to a lawful claim, demand or right, so that he or she who is substituted succeeds to the rights of the other in relation to the debt or claim, and its rights or remedies.

You and your dependent acknowledge that the Claims Administrator's subrogation rights under this "SUBROGATION" subsection shall be considered as the first priority claims against any such third party and shall extend to any
amounts you or your dependent receive from such third party. Such first priority claim shall be paid before any other claims which may exist are paid, including claims for general damages by you or your dependent. The Plan's recovery shall be prior to and without regard to whether you or your dependent has received a full recovery and shall not be reduced by any expenses incurred by you or your dependent in obtaining the recovery. The Plan's claim also shall not be reduced for any "make whole," common fund or similar doctrine. You and your dependent agree that as a condition of receiving benefits hereunder, you shall hold any recovery you receive in a constructive trust for the benefit of the Plan and its subrogation right, regardless of whether you are fully compensated for your injuries or losses.

You or your dependent shall cooperate and assist the Claims Administrator in protecting the Claims Administrator's legal rights under these subrogation provisions, and will do nothing to prejudice the Claims Administrator's rights under these provisions, either before or after the request for services or receipt of benefits under this Plan. You or your dependent agrees to promptly furnish to the Plan all information which you have concerning your rights of recovery from any person, organization, or insurer. You, your dependent or your attorney will notify the Plan before settling any claim or suit so as to enable the Claim Administrator to enforce the Plan's rights by participating in the settlement of the claim or suit.

The Claims Administrator may require an assignment from you or your dependent of any right of recovery to the extent of the reasonable value of services and benefits provided by the Plan plus the Plan's reasonable costs of collection, including attorney's fees as described below. The Claims Administrator may require you or your dependent to assign your rights to the first dollars received from third parties up to the full amount paid by the Plan. The Plan may require an escrow of funds to cover future claims arising from the same incident giving rise
to the subrogation claim. Failure to execute a subrogation agreement or other assignment or reimbursement agreement shall be grounds for termination of the coverage of the party refusing to so execute such an agreement.

The Plan Administrator and/or the Claims Administrator may, at its option, take such action as may be necessary and appropriate to preserve its rights under these subrogation provisions, including the right to bring suit on your or your dependent's behalf. The Claims Administrator, may at its option, collect such amounts from the proceeds of any settlement or judgment that may be recovered by you or your dependent or by any representative. Any such proceeds of settlement or judgment shall be held in trust by you, your dependent, or any representative, for the benefit of the Claims Administrator under these subrogation provisions. The Claims Administrator shall be entitled to recover all amounts the Plan expended on behalf of you or your dependent, and also shall be entitled to recover from the proceeds held by you or your dependent, without reduction, the Plan's reasonable attorney fees which the Claims Administrator incurred in pursuing its claim under this "SUBROGATION" subsection.

## REFUND OF BENEFIT PAYMENTS

If the Claims Administrator pays benefits for Eligible or Covered Expenses incurred by you or your dependents and it is found that the payment was more than it should have been, or was made in error, the Plan has the right to a refund from the person to or for whom such benefits were paid, any other insurance company, or any other organization. If no refund is received, the Claims Administrator may deduct any refund due it from any future benefit payment.

## COORDINATION OF BENEFITS

(This provision does not apply to Prescription Drug Benefits.)

This provision will coordinate the health benefits payable under the Plan with similar benefits payable under other plans.

You or any dependent may be covered under another group health plan. It may be sponsored by another employer who makes contributions or payroll deductions for it. The other plan could also be a government or tax-supported program. This does not include Medicare or Medicaid. (See the subsection entitled "EFFECT OF MEDICARE AND GOVERNMENT PLANS" in this "GENERAL INFORMATION" Section of this Benefit Booklet to determine how this plan coordinates with Medicare.)

This provision applies when benefits for the same charges are payable under this Plan and another plan.

## Which Plan is Primary

One of the plans involved will pay the benefits first. (The plan that pays first is called Primary.) The other plans will pay benefits next. (These plans are called Secondary.)

In order to pay claims, the Claims Administrator must find out which plan is Primary and which plans are Secondary.

There are rules to find out which plan is Primary and which plans are Secondary. The rules are used until one is found that applies to the situation. They are always used in the following order:

- A plan which has no coordination of benefits provision will be Primary to a plan which does have a coordination of benefits provision.
- A plan which covers the person as an employee will be Primary to a plan which covers the same person as a dependent.
- A person may be covered as a dependent under two or more plans.
- The plan which covers that person as a dependent of the person whose birthday is earlier in the Calendar Year will be Primary to a plan which covers that person as a dependent of a person whose birthday is later in the Calendar Year.
- If both parents have the same birthday, the plan which covered one of the parents longer will be Primary to the plan which covered the other parent for a shorter period of time.
- The other plan may not have a rule based on birthdays similar to this rule. The rule in the other plan will determine which plan is Primary.

The person may be covered as a dependent under two or more plans of divorced or separated parents. The rules that are used to find out which plan is Primary and which plans are Secondary are as follows:

- The plan of the parent with custody will be Primary to a plan of the parent without custody. Further, the parent with custody may have remarried. In that case, the order of payment will be as follows:
- The plan of the parent with custody will pay benefits first;
- The plan of the stepparent with custody will pay benefits next; and
- The plan of the parent without custody will pay benefits next.
- There may be a court decree which has specific terms giving one parent financial
responsibility for the medical, dental or other health expenses of the dependent child. If the plan which covers the parent with financial responsibility knows the specific terms of the court decree, it is Primary to any other plan which covers that dependent child.
- A plan may cover a person as an employee who is not laid-off or retired, or as a dependent of that employee. The Plan will be Primary to any plan which covers the person as a laid-off or retired employee, or as a dependent of that employee. The other plan may not have a rule for laid-off or retired employees similar to this rule. In that case, this rule will not apply.
- If none of the above rules apply, the plan which has covered the person for the longest time will be Primary to all other plans.

You will have to give information about any other plans when you file a claim.

## Out-of-Pocket Feature

(Applicable to this "COORDINATION OF BENEFITS" subsection in this "GENERAL INFORMATION" Section only)

This subsection applies when the Plan is Secondary. You may still be required to pay for some charges after the Plan pays its benefits.

The amount of reasonable expenses will be determined first. Then the amount of benefits paid by plans Primary to the Plan will be subtracted from this amount. The Plan will pay you the difference but no more than the amount it would have paid without this provision.

## How Coordination Works Under the High Deductible, PPO, and Out-of-Area Medical Benefit Options

If this Plan is Primary, it will pay benefits first. Benefits under the Plan will not be reduced due to benefits payable under other plans.

If the Plan is Secondary, it pays only the difference between the Plan's normal benefit and any amount paid by the Primary plan. This is called "Non-Duplication Coordination of Benefits." The covered individual is responsible for any remaining balance up to the allowable expense amount. The primary plan pays its normal benefits; the secondary plan calculates its normal benefits, then subtracts the amount paid by the primary plan and pays the difference (if any) between the two amounts. The non-duplication method is designed to provide a certain level of cost sharing by imposing covered individual liability. Non-duplication plans do not have a reserve on secondary plan savings. See the example on the next page for more information on Non-Duplication Coordination of Benefits.

This Plan will pay no more than our normal plan benefit. (If this Plan's benefit is less than or equal to the Primary plan's payment, no payment is due by this Plan.)

## How Coordination Works Under the EPO Medical Benefit Option

The Primary plan will pay benefits first. The Primary plan's rate will be the allowable expense. This is called "Come Out Whole Coordination of Benefits." The Primary plan pays its normal benefit; the Secondary plan pays the difference between the allowable expense and the amount paid by the Primary plan, provided the difference does not exceed the normal plan benefit which would have been payable had no other coverage existed. Generally, the member does not incur out-of-pocket costs.

The computation of "Come out Whole Coordination of Benefits is based upon a Calendar Year accumulation period. Any unpaid benefits accumulated by the Secondary plan during a Calendar Year can be applied to a reserve. The reserve grows when the Secondary plan benefit is saved because the Primary Claims Administrator reimburses the member
for eligible medical expenses in the Calendar Year that are not reimbursed in full between the two plans' normal benefits. This benefit accumulation is even applied to allowable expenses that are not covered by the Secondary plan to the extent that they are covered in full or in part by the Primary plan. The reserve will decrease when the Secondary plan pays more than its normal benefit in order to reimburse the member in full for medical expenses.

## EFFECT OF MEDICARE AND GOVERNMENT PLANS

## Medicare

When you become eligible for Medicare, this Plan pays its benefits in accordance with the Medicare Secondary Payer requirements of federal law. If the Employer is subject to the Medicare Secondary Payer requirements, this Plan will pay primary.

## When This Plan Pays Primary to Medicare

This Plan pays primary to Medicare for covered persons who are Medicare eligible if:

- Eligibility for Medicare is due to age 65 and the employee has "current employment status" with the employer as defined by federal law and determined by the employer.
- Eligibility for Medicare is due to disability and the disabled employee has "current employment status" with the employer as defined by federal law and determined by the employer.
- Eligibility for Medicare is due to end stage renal disease (ESRD) under the conditions and for the time periods specified by federal law.

## When Medicare Pays Primary to this Plan

Medicare pays primary to this Plan for covered persons who are Medicare eligible if:

- Eligibility for Medicare is due to end stage renal disease (ESRD), but only after the conditions and/or time periods specified in federal law cause Medicare to become primary.

See "How this Plan Pays When Medicare is Primary."

## Important! - Medicare Enrollment Requirements

When this Plan pays benefits first, without regard to Medicare, and the covered person wants Medicare to pay after this Plan, the covered person must enroll for Medicare Parts A and B. If the covered person does not enroll for Medicare when he or she is first eligible, the covered person must enroll during the Loss of Coverage Special Enrollment Period which applies to that person when the person stops being eligible under this Plan.

When Medicare pays benefits first, benefits available under Medicare are deducted from the amounts payable under this Plan, whether or not the person has enrolled for Medicare. If Medicare pays first, the covered person should enroll for both Parts A and B of Medicare when that covered person is first eligible; otherwise, the expenses may not be covered by the Plan or Medicare.

## How This Plan Pays When Medicare Is Primary

If Medicare pays benefits first, this Plan pays benefits as described below. This method of payment only applies to Medicare-eligible individuals. It does not apply to any covered person unless that covered person becomes eligible under Medicare and Medicare is the Primary payer.

First, this Plan determines the amount of charges for Eligible or Covered Expenses according to the terms of the Plan. However, the amount of Eligible or Covered Expenses is based on the amount of charges allowed under Medicare rules instead of the Allowable Amount as defined by the Plan. This amount becomes the "Plan benefits". Then, this Plan subtracts the amount payable under Medicare for the same expenses from the Plan benefits. This Plan pays only the difference (if any) between the Plan benefits and Medicare benefits.

The following examples will illustrate how the Plan coordinates with Medicare:

The Plan would pay $\$ 489.60$, because Medicare did not pay as much as the Plan would pay if you had not been covered by Medicare.

The amount payable under Medicare which is subtracted from this Plan's benefits is determined as the amount that would have been payable under Medicare when Medicare is primary even if:

- The person is not enrolled for Medicare. Medicare benefits are determined as if the person were covered under Medicare Parts $A$ and $B$.
- The person is enrolled in a Medicare+Choice (Medicare Part C) plan and receives non-covered out-of-network services because the person did not follow all rules of that plan. Medicare benefits are determined as if the services were covered under Medicare Parts A and B.
- The person receives services from a provider who has elected to opt-out of Medicare. Medicare benefits are determined as if the services were covered under Medicare Parts A and B and the provider had agreed to limit charges to the amount of charges allowed under Medicare rules.
- The services are provided in a Veterans Administration facility or other facility of the federal government. Medicare benefits are determined as if the services were provided by a non-governmental facility and covered under Medicare.
- The person is enrolled under a plan with a Medicare Medical Savings Account. Medicare benefits are determined as if the person were covered under Medicare Parts A and B .

## Government Plans (other than Medicare and Medicaid

If you are also covered under a Government Plan, this Plan does not cover any services or supplies to the extent that those services or supplies, or benefits for them, are available to you under the Government Plan.

This provision does not apply to any Government Plan which by law requires this Plan to pay primary.

A Government Plan is any plan, program, or coverage other than Medicare or Medicaid which is established under the laws or regulations of any government, or in which any government participates other than as an employer.

## Refund of Overpayments

If the Claims Administrator pays benefits for expenses incurred on account of you or your dependent, you or any other person or organization that was paid must make a refund to the Claims Administrator if:

- All or some of the expenses were not paid by you or did not legally have to be paid by you or your dependent;
- All or some of the payment made by the Claims Administrator exceeded the benefits under this Plan; or
- If all or some of the expenses were recovered from or paid by a source other than the Plan as a result of charges against a third party for negligence, wrongful acts or omissions.

If the refund is due from another person or organization, you or your dependent agrees to help the Claims Administrator get the refund when requested.

If you or your dependent, or any other person or organization that was paid, does not promptly refund the full amount, the Claims Administrator may reduce the amount of any future benefits that are payable under this Plan.

## DISCLOSURE AUTHORIZATION

If you file a claim for benefits, it will be necessary that you authorize any health care Provider, insurance Claims Administrator, or other entity to furnish the Claims Administrator all information and records or copies of records relating to the diagnosis, treatment, or care of any individual included under your coverage. If you file claims for benefits, you and your dependents will be considered to have waived all requirements forbidding the disclosure of this information and records.

## TERMINATION OF COVERAGE

## Termination of Individual Coverage

Coverage under the Plan for you and/or your dependents will terminate when:

- You terminate employment with Atmos;
- Your contribution for coverage under the Plan is not received timely by the Plan Administrator;
- You elect to discontinue coverage; or
- A dependent ceases to be a dependent as defined in the Plan.

The Plan Administrator may terminate or refuse to renew the coverage of an eligible employee or dependent for fraud or intentional misrepresentation of a material fact by that individual.

Coverage for a child who is mentally or physically incapacitated will not be denied due to age, and he or she shall be considered a "child" for purposes of dependent eligibility. Coverage for a mentally or physically incapacitated child will be available as long as dependent coverage under this Plan continues and the child continues to meet all of the following conditions:

- The child is incapacitated and became incapacitated prior to attaining any limiting age;
- The child is not capable of self-support; and
- The child is a dependent of the employee for federal income tax purposes.

For purposes of this provision, mentally or physically incapacitated means any medically determinable physical or mental condition that prevents the child from engaging in self-
sustaining employment. The incapacity must begin before the child attains the limiting age. If the child is covered under this Plan immediately prior to attaining the limiting age, you must submit satisfactory proof of the incapacity and dependency through your Plan Administrator to the Claims Administrator within 31 days following the child's attainment of the limiting age. As a condition to the coverage of any child as an incapacitated dependent beyond the limiting age, the Claims Administrator may require periodic certification of the child's physical or mental condition.

## Termination of the Group

The coverage of all Participants will terminate if the group is terminated in accordance with the terms of the Plan. However, see the subsection entitled "CONTINUATION OF HEALTH COVERAGE UNDER COBRA" in this "TERMINATION OF COVERAGE" Section of the Benefit Booklet.

## PROHIBITION AGAINST RESCISSION OF COVERAGE

The Plan Administrator is prohibited from rescinding or retroactively terminating the medical and prescription drug coverage under this Plan for you, your covered spouse or covered child unless you or the covered individual commits an act, practice, or omission that constitutes fraud, or an intentional misrepresentation of a material fact including, but not limited to, false information relating to another person's eligibility or status as a dependent; provided, however, that the foregoing prohibition shall not prohibit retroactive termination in the event: (i) a participant fails to timely pay premiums towards the cost of coverage; (ii) the Plan erroneously covers your ex-spouse because you failed to timely report a divorce to the Plan Administrator; (iii) the Plan erroneously covers a participant due to a reasonable administrative delay in terminating coverage; or (iv) any other circumstance under which retroactive
termination would not violate the Affordable Care Act.

The Plan Administrator shall provide a covered individual with thirty (30) days' prior written notice of intent to rescind coverage. The covered individual may appeal the rescission of coverage as a denial of a Post-Service Claim under the Plan. In the event the Plan Administrator rescinds a covered individual's coverage on account of an act, practice, or omission that constitutes fraud, or an intentional misrepresentation of a material fact including, but not limited to, false information relating to another person's eligibility or status as a dependent, such rescission shall not cause the individual to incur a "qualifying event" as provided under COBRA.

## COVERAGE CONTINUATION DURING ACTIVE DUTY IN THE UNIFORMED SERVICES

A "USERRA Leave" is a leave of absence taken by an employee for a call to military duty that is protected by the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended ("USERRA"). Unless otherwise provided by Atmos' Military Leave of Absence Policy, the following rules apply under USERRA:

If you return from a USERRA Leave, you may reenter the Plan immediately upon return, and you shall receive the same benefits as existed before your USERRA Leave, subject to any changes that effected the work force as a whole, immediately upon return. You and your dependents covered under the Plan may continue to be covered under this Plan during your USERRA Leave by paying the portion of the contribution for the coverage for your family.

## LEAVE OF ABSENCE UNDER THE FAMILY AND MEDICAL LEAVE ACT

If you take a leave of absence under the Family and Medical Leave Act ("FMLA"), you may continue your coverage during the period of your FMLA leave of absence, provided that you pay any required contributions under the Plan.

In general, an FMLA leave shall not exceed a period of 12 weeks. However, an employee who is the spouse, daughter, son, or nearest blood relative of a "covered service member" (defined below) shall be provided up to 26 weeks of jobprotected FMLA leave to care for such covered service member. For purposes of this paragraph, covered service member shall mean a member of the armed forces, including a member of the National Guard or Reserves, who is undergoing medical treatments, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a "serious injury or illness." For purposes of this paragraph, serious injury or illness shall mean an injury or illness incurred by the covered service member in line of duty on active duty of the armed forces that may render the covered service member medically unfit to perform the duties of the covered service member's office, grade, rank or rating.

You may elect to either pre-pay your required contributions, pay your required contributions on the same schedule as they would have been due had the leave not been taken. If you notify the Employer during your leave that you will not be returning to work, your coverage under the Plan will be terminated on the date following the date you gave such notice to your Employer. If you choose not to retain medical coverage during FMLA leave, your coverage under this Plan, subject to any changes that affect the work force as a whole, will be restored upon your return to service with the Employer. You will be treated as though no service or coverage interruption had occurred.

Please review Atmos' Leave of Absence Policy for more information.

## OTHER APPROVED LEAVES OF ABSENCE

If you take an approved leave of absence other than USERRA Leave or FMLA leave, you may have the option to continue your coverage under this Plan provided you pay any required contributions toward your coverage. Please review Atmos' Leave of Absence Policy for more information or you may contact Human Resources at Atmos Energy.

## CONTINUATION OF HEALTH COVERAGE UNDER COBRA

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed below. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse or dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

## This "CONTINUATION OF HEALTH COVERAGE UNDER COBRA" subsection generally explains COBRA continuation coverage, when it may become available to you and members of your family, and what you need to do to protect the right to receive it.

## QUALIFYING EVENTS AND QUALIFIED BENEFICIARIES

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."
- Your spouse dies;

## AVAILABILITY OF COBRA COVERAGE

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred.

When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the Employer must notify the Plan Administrator of the qualifying event.

## You Must Give Notice of Some Qualifying Events

You must notify the Plan Administrator within 60 days of the following occurrences:

- Your divorce or legal separation from your spouse; or
- The date any of your dependent children no longer qualifies as a dependent under this Plan (i.e., age 26).

Written notice of a qualifying event must be sent to:

Atmos Energy Corporation
P.O. Box 650205

Dallas, TX 75265
Attn: Plan Administrator

Contact the Plan's COBRA Administrator, Conexis, at 1-877-722-2667, for additional information, including a description of any required information or documentation.

## PROVISION OF COBRA COVERAGE

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. A covered employee may elect COBRA continuation coverage on behalf of their spouse and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

## Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must
last at least until the end of the 18 -month period of COBRA continuation coverage.

## Second qualifying event extension of 18month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

## TERMINATION OF COBRA CONTINUATION COVERAGE

COBRA continuation coverage may terminate before the end of the maximum period of coverage outlined above if any of the following events occur:

- The Company terminates all of its health benefit plans;
- You fail to pay the premium due for the continuation coverage and do not pay it within the 30-day grace period;
- You, your spouse or your dependent becomes entitled to coverage under Medicare; or
- You or your beneficiary becomes covered, after making the COBRA continuation coverage election, under another group health plan.

## Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

## IF YOU HAVE QUESTIONS

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

## ALTERNATIVE COVERAGE UNDER THE VETERANS BENEFITS IMPROVEMENT ACT OF 2004

If you are called to active military duty, and you elect to continue your coverage during such duty, your coverage may be continued for a certain period at $102 \%$ of the applicable premium under the Veterans Benefits Improvement Act of 2004. However, this continuation of coverage is an alternative to COBRA continuation coverage, and does not provide the right to extend coverage upon a second qualifying event that is available under COBRA continuation coverage.

## KEEP YOUR PLAN INFORMED OF ADDRESS CHANGES

In order to protect your family's rights, you must keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

# NOTICE OF PRIVACY RIGHTS HEALTH CARE RECORDS 

THIS PORTION OF THE SUMMARY PLAN DESCRIPTION CONSTITUTES THE HIPAA PRIVACY NOTICE AND DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This HIPAA Privacy Notice Section of the Summary Plan Description gives you advice required by law. This Section applies to health information the Plan receives about you.

You may receive notices about your medical information and how it is handled by other plans or insurers. The Health Insurance Portability and Accountability Act of 1996, as amended ("HIPAA"), mandated the issuance of regulations to protect the privacy of individually identifiable health information, which were issued at 45 CFR Parts 160 through 164 (the "Privacy Regulations"). Since their initial publication, the Privacy Regulations were amended by the Genetic Information Nondiscrimination Act of 2008 ("GINA") and the Health Information Technology for Economic and Clinical Health Act ("HITECH") under the American Recovery and Reinvestment Act of 2009 ("ARRA"), and by modifications to the HIPAA Privacy, Security, Enforcement, and Breach Notification Rules, as published in the Federal Register on January 25, 2013. As a participant or beneficiary of the Plan, you are entitled to receive a notice of the Plan's privacy procedures with respect to your health information, including "genetic information" (as defined in Section 105 of GINA), that is created or received by the Plan (your "Protected Health Information" or "PHI"). This Notice is intended to inform you about how the Plan will use or disclose your PHI, your privacy rights with respect to the PHI, the Plan's duties with respect to your PHI, your right to file a complaint with
the Plan or with the Secretary of the U.S. Department of Health and Human Services ("HHS") and the office to contact for further information about the Plan's privacy practices.

## How the Plan Will Use or Disclose Your PHI

Other than the uses or disclosures discussed below, any use or disclosure of your PHI will be made only with your written authorization. Any authorization by you must be in writing. You will receive a copy of any authorization you sign. You may revoke your authorization in writing, except your revocation cannot be effective to the extent the Plan has taken any action relying on your authorization for disclosure. Your authorization may not be revoked if your authorization was obtained as a condition for obtaining insurance coverage and any law provides the insurer with the right to contest a claim under the policy or the policy itself provides such right.

When using or disclosing PHI or when requesting PHI from another covered entity, the Plan will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations. Effective for uses and disclosures on or after February 17, 2010 until the date the Secretary of HHS issues guidance on what constitutes the "minimum necessary" for purposes of the privacy requirements, the Plan shall limit the use, disclosure or request of PHI (1) to the extent practicable, to the limited data set or (2) if needed by such entity, to the minimum necessary to accomplish the intended purpose of such use, disclosure or request. The minimum necessary standard will not apply in the following situations:

- disclosures to or requests by a health care provider for treatment;
- uses or disclosures made to the individual;
- disclosures made to HHS;
- uses or disclosures that are required by law;
- uses or disclosures that are required for the Plan's compliance with legal regulations; and
- uses and disclosures made pursuant to a valid authorization.

The following uses and disclosures of your PHI may be made by the Plan:

For Payment. Your PHI may be used or disclosed to obtain payment, including disclosures for coordination of benefits paid with other plans and medical payment coverages, disclosures for subrogation in order for the Plan to pursue recovery of benefits paid from parties who caused or contributed to the injury or illness, disclosures to determine if the claim for benefits are covered under the Plan, are medically necessary, experimental or investigational, and disclosures to obtain reimbursement under insurance, reinsurance, stop loss or excessive loss policies providing reimbursement for the benefits paid under the Plan on your behalf. Your PHI may be disclosed to other health plans maintained by the Plan sponsor for any of the purposes described above. Uses and disclosures of PHI for payment purposes are limited by the minimum necessary standard.

For Treatment. Your PHI may be used or disclosed by the Plan for purposes of treating you. One example would be if your doctor requests information on what other drugs you are currently receiving during the course of treating you.

For the Plan's Operations. Your PHI may be used as part of the Plan's health care operations. Health care operations include quality assurance, underwriting and premium rating to
obtain renewal coverage, and other activities that are related to creating, renewing, or replacing the contract of health insurance or health benefits or securing or placing a contract for reinsurance of risk, including stop loss insurance, reviewing the competence and qualification of health care providers and conducting cost management and quality improvement activities, and customer service and resolution of internal grievances. The Plan is prohibited from using or disclosing your PHI that is genetic information for underwriting purposes. Uses and disclosures of PHI for health care operations are limited by the minimum necessary standard.

The following use and disclosure of your PHI may only be made by the Plan with your written authorization or by providing you with an opportunity to agree or object to the disclosure:

To Individuals Involved in Your Care. The Plan is permitted to disclose your PHI to your family members, other relatives and your close personal friends involved in your health care or the payment for your health care if:

- the PHI is directly relevant to the family or friend's involvement with your care or payment for that care;
- you have either agreed to the disclosure or have been given an opportunity to object and have not objected; and
- the PHI is needed for notification purposes, or, if you are deceased, the PHI is relevant to such person's involvement, unless you have previously expressed to the Plan your preference that such information not be disclosed after your death.

The following uses and disclosures of your PHI may be made by the Plan without your authorization or without providing you with an opportunity to agree or object to the disclosure:

For Appointment Reminders. Your PHI may be used so that the Plan, or one of its contracted service providers, may contact you to provide appointment reminders, refill reminders, information on treatment alternatives, or other health related benefits and services that may be of interest to you, such as case management, disease management, wellness programs, or employee assistance programs.

To the Plan Sponsor. PHI may be provided to the sponsor of the Plan provided that the sponsor has certified that this PHI will not be used for any other benefits, employee benefit plans or employment-related activities.

When Required by Law. The Plan may also be required to use or disclose your PHI as required by law. For example, the law may require reporting of certain types of wounds or a disclosure to comply with a court order, a warrant, a subpoena, a summons, or a grand jury subpoena received by the Plan.

For Workers' Compensation. The Plan may disclose your PHI as authorized by and to the extent necessary to comply with laws relating to workers' compensation or other similar programs, established by law, that provide benefits for work-related injuries or illnesses without regard to fault.

For Public Health Activities. When permitted for purposes of public health activities, including when necessary to report product defects, to permit product recalls and to conduct post-marketing surveillance. Your PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized or required by law.

To Report Abuse, Neglect or Domestic Violence. When authorized or required by law to report information about abuse, neglect or domestic violence to public authorities if there exists a reasonable belief that you may be a
victim of abuse, neglect or domestic violence. In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, the Plan is not required to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives, although there may be circumstances under federal or state law when the parents or other representatives may not be given access to a minor's PHI.

For School Records. The Plan may disclose immunization records for a student or prospective student to the school to comply with a state or other law requiring the student to provide proof of immunization prior to admitting the student to school.

For Public Health Oversight Activities. The Plan may disclose your PHI to a public health oversight agency for oversight activities authorized or required by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).

## For Judicial or Administrative Proceedings.

The Plan may disclose your PHI when required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Plan that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or any raised were resolved in favor of disclosure by the court or tribunal.

For Other Law Enforcement Purposes. The Plan may disclose your PHI for other law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Disclosures for law enforcement purposes include disclosing information about an individual who is or is suspected to be a victim of a crime, but only if the individual agrees to the disclosure, or the Plan is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement, and disclosure is in the best interest of the individual as determined by the exercise of the Plan's best judgment.

To a Coroner or Medical Examiner. When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized or required by law. Also, disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent.

For Research. The Plan may use or disclose PHI for research, subject to certain conditions.

To Prevent or Lessen a Serious and Imminent Threat. When consistent with applicable law and standards of ethical conduct, if the Plan, in good faith, believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.

State Privacy Laws. Some of the uses or disclosures described in this Notice may be prohibited or materially limited by other applicable state laws to the extent such laws are
more stringent than the Privacy Regulations. The Plan shall comply with any applicable state laws that are more stringent when using or disclosing your PHI for any purposes described by this Notice.

## Your Privacy Rights With Respect to PHI

## Right to Request Restrictions on PHI Uses

 and Disclosures. You may request the Plan to restrict uses and disclosures of your PHI to carry out treatment, payment or health care operations, or to restrict uses and disclosures to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. The Plan is not required to comply with your request. The Plan will accommodate reasonable requests to receive communications of PHI by alternative means or at alternative locations. You or your personal representative will be required to complete a form to request restrictions on uses and disclosures of your PHI.Right to Inspect and Copy PHI. You have a right to inspect and obtain a copy of your PHI contained in a "designated record set," for as long as the Plan maintains the PHI, other than psychotherapy notes and any information compiled in reasonable anticipation of or for the use of civil, criminal, or administrative actions or proceedings or PHI that is maintained by a covered entity that is a clinical laboratory. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. Psychotherapy notes do not include summary information about your mental health treatment. To the extent that the Plan uses or maintains an electronic health record, you have a right to obtain a copy of your PHI from the Plan in an electronic format. In addition, you may direct the Plan to transmit a copy of your PHI in such electronic format directly to an entity or person.

A "designated record set" includes the medical records and billing records about individuals
maintained by or for a covered health care provider; enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for the Plan; or other information used in whole or in part by or for the Plan to make decisions about individuals. Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

You or your personal representative will be required to complete a form to request access to the PHI in your designated record set. If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, a statement of your review rights, a description of how you may exercise those review rights and a description of how you may complain to HHS.

Right to Amend. You have the right to request the Plan to amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set. If the request is denied in whole or part, the Plan must provide you with a written denial that explains the basis for the denial. You or your personal representative may then submit a written statement disagreeing with the denial and have that statement included with any future disclosures of your PHI.

You or your personal representative will be required to complete a form to request amendment of the PHI in your designated record set. You must make requests for amendments in writing and provide a reason to support your requested amendment.

Right to Receive an Accounting of PHI Disclosures. At your request, the Plan will also provide you with an accounting of disclosures by the Plan of your PHI during the six years prior to the date of your request. However, such accounting need not include PHI disclosures made: (1) to carry out treatment, payment or
health care operations; (2) to individuals about their own PHI; (3) pursuant to a valid authorization; (4) incident to a use or disclosure otherwise permitted or required under the Privacy Regulations; or (5) as part of a limited data set. If you request more than one accounting within a 12 -month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting. Notwithstanding the foregoing, if the Plan maintained electronic PHI as of January 1, 2009, you can request an accounting of all disclosures of your electronic PHI made by the Plan during the three years prior to the date of your request (but on and after January 1, 2014).

## Right to Receive Confidential

 Communications. You have the right to request to receive confidential communications of your PHI. This may be provided to you by alternative means or at alternative locations if you clearly state that the disclosure of all or part of the information could endanger you.
## Right to Receive a Paper Copy of This Notice

 Upon Request. To obtain a paper copy of this Notice, contact the Privacy Official at the address and telephone number set forth in the Contact Information section below.
## A Note About Personal Representatives

You may exercise your rights through a personal representative. Your personal representative will be required to produce evidence of his or her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take one of the following forms:

- a power of attorney for health care purposes, notarized by a notary public;
- a court order of appointment of the person as the conservator or guardian of the individual; or
- an individual who is the parent of a minor child.

The Plan retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect. This also applies to personal representatives of minors.

## The Plan's Duties With Respect to Your PHI

The Plan has the following duties with respect to your PHI:

- The Plan is required by law to maintain the privacy of PHI and provide individuals with notice of its legal duties and privacy practices with respect to the PHI.
- The Plan is required to abide by the terms of the notice that are currently in effect.
- The Plan reserves the right to make amendments or changes to any and all of its privacy policies and practices described in this Notice and to apply such changes to all PHI the Plan maintains. Any PHI that the Plan previously received or created will be subject to such revised policies and practices and the Plan may make the changes applicable to all PHI it receives or maintains. In the event of any material change to the uses or disclosures, the individual's rights, the duties of the Plan or other privacy practices stated in this Notice, the Plan will post the change or the revised Notice, or, alternatively, information about the change to the Notice and the means to obtain the revised Notice, will be provided to you in the Plan's next annual benefits mailing.
- The Plan is required to notify you of any "breach" (as defined in 45 CFR 164.402 of the Privacy Regulations) of you unsecured PHI.

## Your Right to File a Complaint

You have the right to file a complaint with the Plan or HHS if you believe that your privacy rights have been violated. You may file a complaint with the Plan by filing a written notice with the Complaint Official, describing when you believe the violation occurred, and what you believe the violation was. You will not be retaliated against for filing a complaint.

## Contact Information

If you would like to exercise any of your rights described in this Notice or to receive further information regarding HIPAA privacy, how the Plan uses or discloses your PHI, or your rights under HIPAA, you should contact the Privacy Official and Complaint Official for the Plan. The contact information for the Privacy Official is VP, Human Resources, Attn: HIPAA Privacy Officer, Atmos Energy Corporation, Three Lincoln Centre, Suite 1800, 5430 LBJ Freeway, Dallas, TX 75240-2601, (972) 855-4026. The contact information for the Complaint Official is Associate General Counsel, Attn: HIPAA Complaint Officer, Atmos Energy Corporation, Three Lincoln Centre, Suite 1800, 5430 LBJ Freeway, Dallas, TX 75240-2601, (972) 8553089.

Please read this portion of the Benefit Booklet carefully as it has information about the Prescription Drug coverage available under the Plan, and about your options under Medicare's Prescription Drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare Prescription Drug coverage in your area. Information about where you can get help to make decisions about your Prescription Drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Atmos Energy Corporation has determined that the prescription drug coverage offered by the Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

## When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to enroll in a Medicare drug plan, you may keep your prescription drug coverage under the Plan, in which case, you will still be eligible to receive all of your current health and prescription drug benefits. Before enrolling in any Medicare drug plan, you should compare your current coverage, including which drugs are covered, with the coverage and cost of other plans offering Medicare prescription drug coverage in your area. If you do decide to join a Medicare drug plan and drop your current Plan coverage, be aware that you and your dependents will not be able to get the Plan coverage back until you enroll for the next plan year during open enrollment, unless you have a change in status that permits you to change your enrollment election.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Atmos Energy Corporation and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least $1 \%$ of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least $19 \%$ higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have

Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## INFORMATION CONCERNING EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If the Plan is part of an "employee welfare benefits plan" and "welfare plan" as those terms are defined in ERISA:

The Plan Administrator will furnish Summary Plan Descriptions, annual reports, and summary annual reports to you and other plan participants and to the government as required by ERISA and its regulations.

The Claims Administrator will furnish the Plan Administrator with this Benefit Booklet as a description of benefits available under this Plan. Upon written request by the Plan Administrator, the Claims Administrator will send any information that the Claims Administrator has that will aid the Plan Administrator in making its annual reports.

Claims for benefits must be made in writing on a timely basis in accordance with the provisions described in this Benefit Booklet. Claim filing and claim review procedures are found in the subsections entitled "CLAIM FILING PROCEDURES" and "CLAIMS REVIEW PROCEDURES" in the "HOW TO RECEIVE HEALTH CARE BENEFITS" Section of this Benefit Booklet.

BCBSTX, as the Claims Administrator, is not the ERISA "Plan Administrator" for benefits or activities pertaining to the Plan.

The Plan Administrator has given the Claims Administrator the initial authority to make certain benefit determinations in accordance with the benefits and procedures detailed in the Plan. The Plan Administrator has full and complete authority and discretion to make decisions regarding the Plan's provisions and determining questions of eligibility and benefits. Any decision made by the Plan Administrator shall be final and conclusive.

## STATEMENT OF ERISA RIGHTS

As a participant in this Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as division offices, worksites or union halls, all Plan documents, including insurance contracts, copies of collective bargaining agreements and a copy of the latest annual report (Form 5500 Series), filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room at the Employee Benefits Security Administration;
- Obtain upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies; and
- Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

You are entitled to continue health coverage for yourself and eligible spouse and dependents if there is a loss of coverage under the Plan as a result of a Qualifying Event. You or your dependents may have to pay for such coverage. Review this Summary Plan Description and the documents governing the Plan on the rules governing your COBRA Coverage rights.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit under the Plan or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored, in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to obtain, without charge, copies of documents relating to the decision and to have the Plan review and reconsider your Claim.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan Administrator and do not receive them within 30 days, you may file suit in a federal court. In such case, the court may require the Plan Administrator to provide the materials and pay you up to $\$ 110$ a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, and you disagree with that denial, you must file an appeal of that denial in accordance with the claims procedures described in this Summary Plan Description. After the appeal is denied in accordance with the claims procedures, you may file suit in a state or federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, after exhausting the claims appeal procedure, you may file suit in federal court.

If it should happen the Plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees.

If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your Claim is frivolous. If you have any questions about the Plan, you should contact the Plan Administrator.

If you have questions about this statement or about your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration (formerly the Pension \& Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N. W., Washington, D. C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## REQUEST:

Provide a complete description of the financial reporting and ratemaking treatment of Atmos's pension costs.

## RESPONSE:

Pension costs and liabilities are determined on an actuarial basis and are affected by numerous assumptions and estimates including the market value of plan assets, estimates of the expected return on plan assets, assumed discount rates and current demographic and actuarial mortality data. The assumed discount rate and the expected return are the assumptions that generally have the most significant impact on our pension costs and liabilities.

The discount rate is utilized principally in calculating the actuarial present value of our pension obligation and net pension cost. When establishing our discount rate, we consider high quality corporate bond rates based on Moody's Aa bond index, changes in those rates from the prior year and the implied discount rate that is derived from matching our projected benefit disbursements with a high quality corporate bond spot rate curve.

The expected long-term rate of return on assets is utilized in calculating the expected return on plan assets component of the annual pension cost. We estimate the expected return on plan assets by evaluating expected bond returns, equity risk premiums, asset allocations, the effects of active plan management, the impact of periodic plan asset rebalancing and historical performance. We also consider the guidance from our investment advisors in making a final determination of our expected rate of return on assets. To the extent the actual rate of return on assets realized over the course of a year is greater than or less than the assumed rate, that year's annual pension cost is not affected. Rather, this gain or loss reduces or increases future pension costs over a period of approximately ten to twelve years.

These costs are included as benefits expense in the revenue requirement of this case.

## RESPONSE:

a) SFAS No. 106, "Employers' Accounting for Postretirement Benefits Other Than Pensions."

Atmos Energy adopted SFAS 106 effective October 1, 1993. Upon adoption, the Company recognized an initial transition obligation of $\$ 33,354,000$, which was amortized on a straight-line basis over 20 years from the date of adoption. The expense reflected in the income statement is recorded in account 9260-01200 through May 2012. Since June of 2012, it is being recorded in 9260-01203. In fiscal 2004, the effect of adopting this standard increased consolidated net periodic postretirement cost by $\$ 3,789,000$.
b) SFAS No. 112, "Employers' Accounting for Postretirement Benefits."

SFAS 112 became effective for Atmos Energy on October 1, 1994. Prior to the adoption of SFAS 112, postemployment benefit costs were recorded on a pay-as-you-go basis. The cumulative effect of adopting SFAS 112 as well as the effect of the new standard upon the recurring expense for these benefits were not material.
c) SFAS No. 143, "Accounting for Asset Retirement Obligations."

SFAS 143 became effective for Atmos Energy on October 1, 2002. Upon adoption of SFAS 143, the Company determined that it had a legal obligation to remove its mains; however, no asset retirement obligation was recorded because it could not be determined when the legal obligation would be incurred. Additionally, the Company estimated that it had a liability pertaining to the restoration of certain leased facilities of approximately $\$ 250,000$; however, this liability was not recorded due to immateriality. Thus, no amounts were recorded in the consolidated financial statements for the adoption of SFAS 143.

Effective September 30, 2006, the Company adopted the provisions of Financial Accounting Standard Interpretation No. 47 Accounting for Conditional Asset Retirement Obligations, an interpretation of SFAS 143. Under this guidance, the Company determined that it had an asset retirement obligation for all of its utility division mains totaling $\$ 15,070,269$. This liability was reclassified, for financial reporting purposes, from the Company's existing regulatory cost of removal obligation. Additionally, the Company reflected, for financial reporting purposes only, a net asset retirement cost totaling \$4,759,263 as a component of net property, plant and equipment with an offsetting increase to regulatory liabilities.
d) The depreciation rates utilized by Atmos Energy's Kentucky/Mid-States Division did not change upon implementation of SFAS No. 143.

Case No. 2018-00281<br>Atmos Energy Corporation, Kentucky Division<br>Staff DR Set No. 1<br>Question No. 1-45<br>Page 3 of 3

e) SFAS No. 158, "Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans."

During fiscal 2007, Atmos Energy adopted the disclosure requirements of SFAS 158, Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans, an amendment of FASB Statements No. 87, 88, 106, and 132(R). SFAS 158 also required the Company to change its pension and post retirement measurement date from June 30 to September 30 by fiscal 2009.

Effective October 1, 2008 Atmos Energy adopted the measurement date requirements of SFAS 158 using the remeasurement option. Under this option, Atmos Energy reported its pension and postretirement liabilities on its September 30, 2008 consolidated balance sheet based upon a June 30, 2008 valuation date. Its fiscal 2008 net periodic pension and postretirement costs were determined using a June 30, 2007 valuation date and were not affected by this change. Our pension and postretirement liabilities and our fiscal 2009 net pension and postretirement cost were remeasured and calculated as of September 30, 2008.

Under the transition rules, Atmos Energy was required, on October 1, 2008, to record a net of tax charge of $\$ 7.8$ million to retained earnings to bring the net periodic pension and postretirement cost into alignment with the new September 30 measurement date. Further, our pension and postretirement liabilities increased by a net $\$ 3.5$ million and the unrealized losses associated with our pension and postretirement plans (which are reflected on the consolidated balance sheet as a component of deferred charges and other assets) decreased by $\$ 9.0$ million. These changes reflect the impact of bringing the net periodic pension and postretirement costs into alignment with the new measurement date and the remeasurement of the associated liabilities as of September 30, 2008.

5)
a) Investment credit realized is $\$ 3,304,551$.
b) Investment credit amortized - Pre-Revenue Act of 1971: Not applicable.
c) Investment credit amortized - Revenue Act of 1971: As of 09/30/2017 amount equals $\$ 3,304,551$
6) Not applicable.
7) The Company does not file tax returns or calculate federal taxable income at a "Kentucky only" level. Taxes are filed and current taxable income is calculated on a utility combined basis only. Kentucky State income taxes are apportioned based upon state tax law. As such, the Company has not made calculations utilizing such apportionments which may overstate or understate taxes paid to Kentucky based upon income earned by the Company in other states. The Company's filing at MFR 16(8)(e) calculates income tax expense for ratemaking purposes. Deferred income taxes are also reduced from Ratebase and shown at MFR 16(8)(b). Income tax expense recorded on the general ledger for the Kentucky operations is attributed based on the Kentucky only pre-tax book income which includes allocations of shared costs from Shared Services and allocations of permanent differences to Kentucky. This amount is not appropriate for ratemaking purposes. Deferred income taxes are determined based upon activity on a divisional basis.
8) Please see the response to subpart (7).
9) Please see confidential Attachment 2 for Atmos Energy's Fiscal Year 2017 Federal tax return and the Fiscal Year 2017 Kentucky State tax return.
10) Please see Attachment 3.

## REQUEST:

Provide the Atmos's written policies on the compensation of outside attorneys, auditors, consultants, and all other professional service providers. Include a schedule of fees, per diems, and other compensation in effect during the base period. Include all agreements, contracts, memoranda of understanding, and any other documentation that explains the nature and type of reimbursement paid for professional services. Indicate if any changes have occurred since the test year of Atmos's last base rate case, the effective date of these changes, and the reason for these changes.

## RESPONSE:

# Case No. 2018-00281 <br> Atmos Energy Corporation, Kentucky Division <br> Staff DR Set No. 1 <br> Question No. 1-53 <br> Page 1 of 2 

## REQUEST:

Regarding Atmos's employee compensation policy:
a. Provide Atmos's written compensation policy as approved by the Board of Directors.
b. Provide a narrative description of the compensation policy, including the reasons for establishing the policy and Atmos's objectives for the policy.
c. Explain whether the compensation policy was developed with the assistance of an outside consultant. If the compensation policy was developed or reviewed by a consultant, provide any study or report provided by the consultant.
d. Explain when Atmos's compensation policy was last reviewed or given consideration by the Board of Directors.

## RESPONSE:

a) Please see confidential Attachment 1 and confidential Attachment 2 for merit increase letters from Willis Towers Watson ("WTW") and Pay Governance, respectively. Please see confidential Attachment 3 for the Variable Pay Plan document, confidential Attachment 4 for the Incentive Plan for Management document, and confidential Attachment 5 for the Long-Term Incentive Plan document.
b) Atmos Energy's compensation program is comprised of several pay components that make up the Company's Total Rewards strategy. The Total Rewards program was developed in 1998 and has been subject to appropriate changes or revisions to allow the Company to remain competitive within the marketplace. The pay portion of Total Rewards includes a combination of a fixed component in the form of base salary and the variable components of incentive compensation, which are comprised of STI and LTI. Annual merit increases are also part of the Total Rewards strategy. Taken as a whole, the Total Rewards compensation package is targeted at the 50th percentile (median) of pay for comparable positions at peer companies that are similar in size and/or industry to Atmos Energy. Stated differently, the Company aims to compensate its employees at the midpoint between the highest and lowest compensation levels of peer companies. The Company's goal is to ensure that Atmos Energy is able to compete in the marketplace to attract and retain the caliber of employees necessary to operate a safe and reliable gas utility system. Toward that end, the Company aims to maintain a pay program that is externally competitive with employers with whom the Company competes for talent, internally equitable among the Company's employees, and allows the Company to attract, retain, and motivate a quality workforce that will operate the utility in a safe, reliable and efficient manner.

c) The Total Rewards program was developed in 1998 and has been subject to appropriate changes or revisions to allow the Company to remain competitive within the marketplace. Atmos Energy engages an independent third-party consultant, Willis Towers Watson, to give a merit increase recommendation based on survey data. This recommendation is performed annually by WTW to ensure Atmos Energy remains competitive. Atmos Energy also annually engages Pay Governance to review officer compensation and to provide a recommendation for merit increase budget. Please see confidential Attachment 1 and confidential Attachment 2 for merit increase letters from WTW and Pay Governance, respectively.
d) The Total Rewards program was developed in 1998 and has been subject to appropriate changes or revisions to allow the Company to remain competitive within the marketplace. The program is reviewed by the Board of Directors on an annual basis.

## REQUEST:

Explain whether, prior to reflecting any adjustments to wages, salaries, benefits, and other compensation in the rate application, Atmos, through an outside consultant or otherwise, performed a study or survey to compare its wages, salaries, benefits, and other compensation to those of other utilities in the region, or to other local or regional enterprises.

List all present or proposed research efforts dealing with the pricing of natural gas and the current status of such efforts.

# Case No. 2018-00281 <br> Atmos Energy Corporation, Kentucky Division <br> Staff DR Set No. 1 <br> Question No. 1-57 <br> Page 1 of 4 

## REQUEST:

Provide an analysis of Atmos's expenses for research and development activities for the base period and the three most recent calendar years. The analysis should include the following:
a. Basis of fees paid to research organizations and Atmos's portion of the total revenue of each organization. Where the contribution is monthly, provide the current rate and the effective date.
b. Details of the research activities conducted by each organization.
c. Details of services and other benefits provided to Atmos by each organization.
d. Annual expenditures of each organization with a basic description of the nature of costs incurred by the organization.
e. Details of the expected benefits to Atmos.

## RESPONSE:

a) Atmos Energy is an active member of two research and development (R\&D) programs offered by the Gas Technology Institute (GTI). These are the Operations Technology Development (OTD) R\&D Program and the Utilization Technology Development (UTD) R\&D Program. Atmos Energy utilizes funds collected from Kentucky to fund annual dues for both UTD and OTD. These funds are paid to Gas Technology Institute and placed in a hold account and allocated periodically to the UTD and OTD organizations. Per the Company's First Revised Sheet No. 37, which became effective May 3, 2018, the Research \& Development Rider is $\$ 0.0174$ per 1,000 cubic feet.

Atmos Kentucky Contribution:

| Calendar Yr. |  | Collections |  |
| :--- | :--- | :--- | :--- |
| 2014 |  | $\$ 66,749.47$ |  |
| 2015 |  | $\$ 66,503.94$ |  |
| 2016 |  | $\$ 58,339.23$ |  |
| 2017 |  | $\$ 62,672.12$ |  |
| $2018(1)$ |  | $\$ 48,986.76$ |  |

Note: (1) Through September 2018
b) GTI is a national organization and does not conduct research specifically to benefit a certain state. GTI's focus is broader to benefit all natural gas consumers. Atmos Energy is able to choose specific projects in which its R\&D funds will be invested through its participation with GTI. GTI has sub-organizations in which the Company has representation: Operations Technology Development (OTD) and Utilization Technology Development (UTD). OTD focuses on the improved safety, reliability, and operational efficiency of natural gas systems. UTD focuses on consumer enduse gas technologies that improve cost effectiveness, increase energy efficiency

Case No. 2018-00281<br>Atmos Energy Corporation, Kentucky Division<br>Staff DR Set No. 1<br>Question No. 1-57<br>Page 2 of 4

and reduce environmental impact. OTD and UTD project proposals are vetted by the Technical Project Committee (TPC) representatives from UTD/OTD member companies, including representatives from Atmos Energy. The TPC Committee members go through a process of participating in working group calls to discuss potential R\&D needs, provide input to pre-proposals, review written proposals and participate in meetings where the project proposals are presented. The field of projects is narrowed by the TPC to those deemed to support the needs of customers from the member companies. Then, each member company, including Atmos Energy, allocates funding to the specific projects that are of interest and have direct applicability for their company and their customers. Other member companies invariably have similar issues, enabling Atmos Energy to leverage its research dollars significantly, including obtaining additional co-funding from DOE (for UTD) or PHMSA (for OTD).

GTI uses a stage-gate (milestone) process. So, in addition to the initial project funding choice, each project is reviewed at the next gate, to determine if technical and cost goal milestones are met, before a decision is made by Atmos Energy as to whether or not to continue funding a project beyond the current gate.

Following are lists of OTD and UTD projects funded by Atmos Energy in 2017.
