The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website www.atmosenergy.com or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at http://psc.ky.gov. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website www.atmosenergy.com or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at http://psc.ky.gov. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

**REQUEST FOR STATEMENTS OF QUALIFICATIONS** 

The Muhlenberg County Board of Health is accepting Statements of Qualifications for architect design, inspection, and construction supervision services to be performed for the Muhlenberg County Health Department Rehabilitation Project. Funds will be requested through the Kentucky CDBG program, other grant programs and loan funds.

In order to be considered, three copies of the statements of qualifications must be received by 4 p.m. local time on Wednesday, October 31, 2018. They should be sealed and labeled "Muhlenberg County Health Department Rehabilitation Project." The Muhlenberg County Board of Health reserves the right to reject any or all statements of qualifications.

The statements of qualifications will be evaluated and ranked on the basis of the following considerations:

- 30528. Experience or technical expertise of the firm with regard to the type of services to be provided on projects of a similar nature.
- 30529. Past record of performance with the locality and other clients, including quality of work and timeliness.
- 30530. Capacity of the firm to work within time limitations, taking into consideration the current and planned workload of the firm.
- 30531. Proximity and accessibility of the firm to the County.
- 30532. Familiarity with the project requirements and locality.

Statement of Qualifications should include the following information:

- 31312. Outline the experience and qualifications of the firm and the individual(s) to be assigned to the project.
- 31313. Describe the past record of performance with the locality and with other clients.Include the name and number of a contact person for each referenced project.
- 31314. Outline the firm's capacity for performance. Describe the time frame for services to be provided and staffing considerations such as availability, workload, etc.
- 31315. State the base of operations for the firm and briefly analyze accessibility to the \ locality.
- 31316. Describe the degree of familiarity with the locality.

The qualification statements will be scored based upon the following criteria:

EVALUATION/AWARD CRITERIA

1. Experience and qualifications 3	5 points
2. Past Performance 3	0 points
3. Capacity for performance 2	0 points
4. Accessibility 1	5 points
5. Familiarity with locality and project 2	5 points
Total Points Possible 1	25

Questions concerning this Request for Statements of Qualifications should be addressed to Cathy Bethel at the Muhlenberg County Health Department, phone 270-754-3200.

Statements of Qualifications will be evaluated on the basis of written materials; therefore it is not necessary that a representative of the firm attend the evaluation meeting. After the close of evaluations, the Board will contact the highest ranking firm and enter negotiations. If the Health Board is unable to negotiate a satisfactory agreement, the second ranked firm will be contacted.

The Health Board will adhere to the provisions of Title VI of the Civil Rights Act of 1964, and Section 3 in the implementation of this project.

No person shall be excluded from participation in, denied benefits of, or subjected to discrimination in the implementation of this program on the grounds of race, religion, color, national origin, sex, gender identity, sexual orientation, age, disability status, veteran status or any other basis covered by appropriate law. Kentucky Relay Service for the hearing and speech impaired: 1-800-648-6056.

Attention is particularly called to the requirements as to conditions of employment to be observed under the contract, Section 3, Segregated Facilities, Section 109, Title VI, E.O. 11246, the Anti-Kickback Act and Section 504 requirements. Local, minority, female-owned and veteran owned firms are encouraged to respond.

All Statements of Qualifications should be addressed to: *"Muhlenberg County Health Department Rehabilitation Project,"* C/O Cathy Bethel, Director, P.O. Box 148, Central City, KY 42330.

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website www.atmosenergy.com or the Commission office or its website listed below.

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at http://psc.ky.gov. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website www.atmosenergy.com or the Commission office or its website listed below

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at http://psc.ky.gov. Comments regarding the application may be submitted to the Public Service Commis-sion through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.

The impact on each customer's average bill will vary according to individual consumption or transportation levels. However, this impact can be determined by each customer by applying the proposed rates listed above to their respective average consumption or transportation levels.

The rates contained in this notice are the rates proposed by Atmos Energy Corporation, however, the KPSC may order rates to be charged that differ from the proposed rates contained in this notice. Such action may result in rates for customers higher or lower than the rates included in this notice.

Atmos Energy's application for rate adjustment is available for examination at its offices listed below. Any person may obtain a copy of the application, testimony or other documents or examine the rate application and any related filings at the offices of Atmos Energy listed below or at its website www.atmosenergy.com or the Commission office or its website listed below

A person may also examine the application at the Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at http://psc.ky.gov. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of initial publication of this Notice, it may take final action on Atmos Energy's application.
