

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF NORTHERN)
KENTUCKY WATER DISTRICT (A) FOR) Case No. 2018-00291
AN ADJUSTMENT OF RATES;)
(B) ISSUANCE OF BONDS;)
(C) FINANCING; AND (D) TARIFF)
REVISIONS)

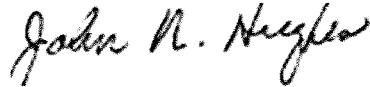

MOTION TO WITHDRAW CERTAIN TARIFFS

Northern Kentucky Water District (NKWD or District), by counsel, moves for an order allowing the withdrawal of certain proposed tariffs included in the application. Representatives of the District and the Commission Staff met in an informal conference on February 8th to discuss issues related to the pending rate application. Part of that discussion included the proposed tariff modifications. Because of the technical nature of the proposed tariff changes and to simplify the rate proceeding, it was agreed that the best means to deal with the tariff revisions would be in a separate proceeding.

Except for the tariff changes in Exhibit M, "Proposed Tariffs," Sections II, III, and IV, which relate to the proposed rate adjustments for customer classes, Section VIII (8) related to credit card billing and Section XIII (1) increasing the current tap fees, all other wording and formatting changes to the proposed tariffs are withdrawn. Any other changes not specifically included in the above list are also withdrawn.

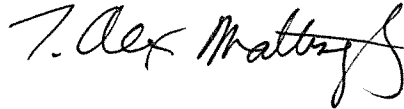

For these reasons, NKWD moves for an order allowing the withdrawal of the identified tariff revisions from review in this case.
