RE: *Case No. 2018-00294; Application of KU Company*
Case No. 2018-00295; Application of LG&E Company

Dear Ms. Pinson:

Please accept for filing on behalf of the Kentucky School Boards Association, the enclosed notice of filing of a corrected exhibit in response to question no. 2 of KU and LG&E from their data requests to KSBA. The original response number 2 noted as KU-KSBA-LGE_2_Pilot_School_Rate_Implementation.pdf ("Response to Question 2") was e-filed on February 14, 2019.

For clarification sake, counsel submits that the original exhibit in response to question no. 2 included account numbers of schools which were supposed to be redacted consistent with paragraph 3, page 2 of Kentucky Utility's and Louisville Gas and Electric Company's Petition for Confidential Treatment and Motion to Deviate filed herein in both cases on 11/29/2018 (both petitions referencing the need for confidential protection of school account numbers and the Commission's previous rulings in agreement with that request, see, e.g., fn.2, 3). After being notified that the account numbers in the original exhibit 2 could be discerned despite the blackouts in the original exhibit, undersigned has addressed the redaction concern through this current filing and further understand that the original exhibit shall be removed from the Commission's website.

Hon. Gwen Pinson
