Counsel for Kentucky Utilities Company and Louisville Gas and Electric Company
ADDENDUM TO STIPULATION AND RECOMMENDATION

This Addendum to Stipulation and Recommendation (“Addendum”) is entered into this 6th day of March 2019 by and between Kentucky Utilities Company (“KU”) and Louisville Gas and Electric Company (“LG&E”) (collectively, “the Utilities”); Association of Community Ministries, Inc. (“ACM”); Attorney General of the Commonwealth of Kentucky, by and through the Office of Rate Intervention (“AG”); Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc. (“CAC”); United States Department of Defense and All Other Federal Executive Agencies (“DoD”); Kentucky Industrial Utility Customers, Inc. (“KIUC”); The Kroger Company (“Kroger”); Kentucky School Boards Association (“KSBA”); Lexington-Fayette Urban County Government (“LFUCG”); Louisville/Jefferson County Metro Government (“Louisville Metro”); Metropolitan Housing Coalition (“MHC”); and Walmart Inc. (“Walmart”). (Collectively, the Utilities, ACM, AG, CAC, DoD, KIUC, Kroger, KSBA, LFUCG, Louisville Metro, MHC, and Walmart are the “Parties.”)

WITNESSETH:

WHEREAS, on March 1, 2019, the Parties entered into a Stipulation and Recommendation that was filed with the Kentucky Public Service Commission (“Commission”) on March 1, 2019;

WHEREAS, the Parties discovered that the Stipulation and Recommendation omitted certain terms agreed upon the Parties during the negotiation of the Stipulation and Recommendation; and

WHEREAS, at the commencement of the March 5, 2019 hearing, the Commission requested that the Parties file an addendum setting forth the omitted terms;
WHEREAS, this Addendum is filed as a supplement to the Stipulation and Recommendation and incorporates as if fully set forth herein the terms and conditions of same; and

NOW, THEREFORE, for and in consideration of the promises and conditions set forth herein, the Parties hereby stipulate and agree as follows:

ADDENDUM ARTICLE I. MERGER MITIGATION DEPANCAKING

1. The Utilities have filed a Joint Application at the Federal Energy Regulatory Commission ("FERC") seeking to remove the merger mitigation de-pancaking ("MMD") component of transmission Rate Schedule No. 402. The Parties ask and recommend the Commission approve the Utilities' use of deferral accounting treatment so that if FERC reduces or eliminates the Utilities' MMD obligations, the Utilities will establish a regulatory liability for the reduction in costs to be addressed in the Utilities' future base-rate proceedings.

ADDENDUM ARTICLE II. KSBA-RELATED RATE DESIGN ADJUSTMENT TO RATE PS

2. The rate design shown in Stipulation Exhibits 3 (KU) and 4 (LG&E) and reflected in the tariffs shown in Stipulation Exhibits 6 (KU) and 7 (LG&E) for Power Service (Rate PS) will recover more of the revenue increase through energy charges than demand charges as compared to the Utilities' filed allocation and rate design. This rebalancing of the energy and demand charges did not result in a cost shift to other rate schedules.

---

1 Joint Application Under FPA Section 203 and Section 205 of Louisville Gas and Electric Company and Kentucky Utilities Company, FERC Docket Nos. EC98-2-00 and ER1 8-2162-000.
IN WITNESS WHEREOF, the Parties have hereunto affixed their signatures.
