RE: Peoples Gas KY LLC  
GCR Filing Proposed to Become Effective November 1, 2018  
Case No. 2018-00315

Dear Mr. Derouen:

Enclosed for filing on behalf of Peoples Gas KY LLC (Peoples KY) is the Gas Cost Recovery (GCR) filing for the calendar quarter ended July 31, 2018, for rates proposed to become effective November 1, 2018. Also included are Twentieth Revised Sheet No. 2 and Nineteenth Revised Sheet No. 4, to Peoples KY PSC Kentucky No. 1 Tariff, which are being filed pursuant to the Purchased Gas Adjustment Provision of that Tariff. A hard copy will follow via regular mail delivery.

This filing proposes a GCR rate of \$6.0794 per Mcf of sales, an increase of \$0.4450 per Mcf from the current PGA, which was approved in Case No. 2018-00197 effective August 1, 2018.

For the purposes of forecasting its Expected Gas Cost (EGC), Peoples KY is assuming purchases based on the Appalachian Index price of gas for Columbia Transmission. This price is developed by averaging the estimated cost of gas over 3 months beginning November 2018.

Schedule 1 of the filing is a summary of the proposed PGA rate components. Schedule 2 is a summary of the expected gas costs based on purchases for the 12 months ended July 2018. Schedule 3 is a listing by month of Peoples KY's sales to its customer's for the 12 months ended July 2018. Schedules 4 and 5 are summaries of ACA components.

Sincerely,

Carol Scanlon
