*Re: Case No. 2018-00316 – Executed KIA Agreement F16-027*

Dear Ms. Pinson:

On August 8, 2019, the Northern Kentucky Water District (NKWD) received a copy of executed agreement F16-027 from Kentucky Infrastructure Authority (KIA) staff, which had previously been sent to KIA's legal counsel. This agreement pertains to the Certificate of Public Convenience and Necessity issued to NKWD in Case No. 2018-00316.

As required by the applicable order and as mentioned in my May 30, 2019 letter to you, enclosed and uploaded along with this cover letter is a copy of this executed agreement. All documents uploaded today will be submitted in paper medium to the commission's office no later than the second business day following this electronic transmission, or Monday, August 19, 2019, as required by 807 KAR 5:001, Section 8, (12)(2).

As such, this will close out this particular requirement within the order in this case. If you have any questions or need additional information, please contact me at the phone number or email address below.

Sincerely,
