MOTION FOR DEVIATION

Northern Kentucky Water District (NKWD), by counsel, petitions for an order granting a deviation pursuant to 807 KAR 5:001(22) from the requirement of submitting a paper copy of the electronic filing within the time specified by 807 KAR 5:001(8)(12)(a)(2).

NKWD electronically filed its application on Wednesday October 3, 2018. Due to unexpected delay in completing the copying and delivery of the paper volumes of the application, the filing of the paper copies was made on Monday October 8, 2018, which is the third business day after the electronic upload. The filing was made in a good faith effort to comply with the regulation and the delay should have no material effect on the processing of the application.

For these reasons, NKWD seeks a deviation for the filing of the application as timely.
