Dear Ms. Pinson:

Please find enclosed Delta's Quarterly Report of Gas Cost Recovery Rate Calculation, which determines the Gas Cost Recovery to be effective with the first billing cycle of November 2018 that includes meters read on and after October 24, 2018. Delta is also filing copies of the schedules in Excel format. Delta has contemporaneously filed a Petition for Confidential Protection for certain of the information in the Quarterly Report.

Delta has also included its responses to the data requests set forth in the Commission's July 5, 2018 Order in Case No. 2018-00213.

In accordance with 807 KAR 5:001, Section 8, I certify that, except for the information for which confidentiality has been requested, the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on September 24, 2018; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that an original and six paper copies of this filing in paper medium will be filed by hand-delivery with the Commission within two business days from the date of the electronic filing.
