Dear Ms. Pinson:

On October 16, 2018, Big Rivers Electric Corporation (“*Big Rivers*”) electronically filed a certification that it and its Members possess the facilities to receive electronic transmissions. That certification listed an incorrect email address for Kenergy Corp. (“*Kenergy*”). Kenergy’s correct email address is kpsc@kenergycorp.com.

The undersigned certifies that one paper copy of this electronic filing will be filed with the Public Service Commission within two business days, that the materials in the electronic filing are a true representation of the materials in paper medium, and that the electronic version of the paper filing is a true and accurate copy of each paper filed in paper medium. There are no parties that the Commission has excused from electronic filing procedures.

Please feel free to contact me if you have any questions about this filing.

Sincerely,
