Re: Case No. 2018-00358

Dear Ms. Pinson:

On January 25, 2019, Kentucky-American Water Company's ("KAW") e-filed its responses to the Attorney General's First Request for Information. In the course of that e-filing, the Commission's e-portal rejected the enclosed Excel file (which is responsive to Item 3 of the Attorney General's Request) because the extension on the file is ".xlsb" instead of ".xls". After speaking today with Ms. Vinsel and Ms. Mendez of Commission Staff, please accept for filing the same .xlsb file which is being uploaded within a .zip file pursuant to Ms. Mendez's instructions. I certify that there are no materials to be filed in paper medium that are not included in the electronic submission. In fact, since this e-filing is solely an Excel file, there is no paper to be submitted at all with the exception of this letter, a copy of which is a true representation of the letter that I have e-filed.

Very truly yours,

A handwritten signature in blue ink that reads "Lindsey W. Ingram III".
