# AQUA AMERICA, INC.'S MOTION FOR CONFIDENTIAL TREATMENT OF <a href="INFORMATION">INFORMATION</a>

Aqua America, Inc. ("Aqua America") respectfully submits this motion pursuant to 807 KAR 5:001, Section 13, and KRS 61.878(1) for confidential treatment of a document responsive to the Attorney General's Supplemental Data Requests. Specifically, Aqua America requests confidential treatment for the document labeled KYOAG-22-CONF.

1. KYOAG-22-CONF contains a due diligence report that presents detailed confidential and proprietary information about Aqua America's finances and strategic analysis. Access to this information by Aqua America's competitors would provide those competitors with an unfair advantage in the marketplace.

- 2. Much of the information in KYOAG-22-CONF is not publicly disseminated, and could be used by competitors to the disadvantage of Aqua America and its subsidiaries.
- 3. Much of the information in KYOAG-22-CONF is treated as confidential by Aqua America and is not widely disseminated even among Aqua America's employees. Only personnel with a business reason to use the confidential information are permitted to view it.
- 4. Under KRS 61.878(1)(c)(1), commercial information generally recognized as confidential is protected if disclosure would cause competitive injury and permits competitors an unfair commercial advantage. Much of the information contained in KYOAG-22-CONF, meets this standard.
- 5. As permitted by 807 KAR 5:001, Section 13(2)(a)(3)(b), Aqua America is seeking confidential treatment for KYOAG-22-CONF in its entirety due to the confidential and proprietary nature of much of the information contained therein. Even though all of the information contained in KYOAG-22-CONF is not confidential, it is impractical to redact and highlight only the confidential portions, as they constitute a large percentage of the information contained in KYOAG-22-CONF.
- 6. If the Commission disagrees with Aqua America that KYOAG-22-CONF is exempt from disclosure, it must hold an evidentiary hearing to protect the due process rights of Aqua America and permit it to supply the Commission with a complete record to enable it to reach a decision with regard to this matter.
- 7. Aqua America does not object to the disclosure of KYOAG-22-CONF, pursuant to a confidentiality agreement, to the Attorney General or any intervenor who can demonstrate a legitimate interest in reviewing the confidential information for the purpose of participating in this proceeding.

8. In compliance with 807 KAR 5:001, Section 8(3) and 13(2)(e), Aqua America is

filing with the Commission one paper copy of KYOAG-22-CONF in its entirety.

9. 807 KAR 5:001, Section 13(2)(a)(2) provides that a motion thereunder shall state

the time period in which the material should be treated as confidential and the reasons for this

time period. Aqua America respectfully submits that five years from the date of the filing of the

Joint Application is a reasonable period of time for the material in KYOAG-22-CONF to be

treated as confidential in light of the competitive conditions in the water, wastewater, and natural

gas industries.

WHEREFORE, Aqua America, Inc. respectfully requests that the Commission grant

confidential treatment of the information described herein.

Respectfully submitted
