NOTICE

Please take notice that Duke Energy Kentucky, Inc. has applied to the Kentucky Public Service Commission for approval to revise its Demand Side Management (DSM) rate for gas service and electric service for residential and commercial customers. Duke Energy Kentucky's current monthly DSM rate for residential gas customers is (\$0.040856) per hundred cubic feet and for non-residential gas customers is \$0.000000 per hundred cubic feet. Duke Energy Kentucky's current monthly DSM rate for residential electric customers is \$0.003035 per kilowatt-hour and for non-residential customers is \$0.005091 per kilowatt-hour for distribution service and \$0.000463 per kilowatt-hour for transmission service.

Duke Energy Kentucky seeks approval to revise these rates as follows: Duke Energy Kentucky's monthly DSM rate for residential gas customers would increase to (\$0.018491) per hundred cubic feet and for non-residential gas customers would remain at \$0.000000 per hundred cubic feet. Duke Energy Kentucky's monthly DSM rate for residential electric customers would decrease to (\$0.000061) per kilowatt-hour and for non-residential customers would decrease to \$0.005024 per kilowatt-hour for distribution service and would increase to \$0.000637 per kilowatt-hour for transmission service.

The rate contained in this notice is the rate proposed by Duke Energy Kentucky. However, the Public Service Commission may order a rate to be charged that differs from this proposed rate. Such action may result in a rate for consumers other than the rate in this notice. The foregoing rates reflect a proposed decrease in electric revenues of approximately (\$4.56) million or (1.39%) over current total electric revenues and an increase in gas revenues of approximately \$1.29 million or 1.28% over current total gas revenues.

A typical residential gas customer using 70 ccf in a month will see an increase of \$1.57 or 2.2%. A typical residential electric customer using 1000 kWh in a month will see a decrease of \$3.35 or (3.5%). A typical nonresidential electric customer using 40 kilowatts and 14,000 kWh will see a decrease of \$1.06 or (0.1%). A nonresidential customer served at transmission voltage using 10,000 kilowatts and 4,000,000 kWh will see an increase of \$787.94 or 0.3%. Non-residential gas customers will see no change in their bills from this application.

Any corporation, association, body politic or person may by motion within thirty (30) days after publication or mailing of notice of the proposed rate changes, submit a written request to intervene to the Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky 40602, and shall set forth the grounds for the request including the status and interest of the party. The intervention may be granted beyond the thirty (30) day period for good cause shown. Written comments regarding the proposed rate may be submitted to the Public Service Commission by mail or through the Public Service Commission's website. A copy of this application filed with the Public Service Commission is available for public inspection at Duke Energy Kentucky's office at 4580 Olympic Boulevard, Erlanger, Kentucky 41018 and on its website at <http://www.duke-energy.com>. This filing and any other related documents can be found on the Public Service Commission's website at <http://psc.ky.gov>.

NEWPORT HOMEOWNERSHIP OPPORTUNITY
NOTICE OF PUBLIC HEARING OF "BRIODING THE GAP" TO HOME

The City of Newport and Newport Housing Corporation (NHC), an affiliate of the Neighborhood Foundation, are pleased to announce the development of three townhomes in Newport, KY (located at 111 West 1st Street and 1st, 2nd, and 3rd Streets) to be completed by the end of January 2019, and the newly constructed home located at Central Avenue is expected to be completed later in 2019. The Kentucky Department of Social Services has made available funds to provide \$20,000 in down payment assistance for each of these townhomes, which is the amount of the down payment being developed by Newport Housing Corporation.

The \$20,000 in down payment assistance provided to each household participating in this program will be secured by a no interest, deferred payment, revolving trust loan in the names which they purchase, (20) year, 4.25% interest rate loan in their own name. Loans of the loan type require and will not have to be repaid. If the homebuyer does not purchase the home, the \$20,000 will be completely forgiven and not forgiven by the Association.

Applicants must have a favorable credit report and must be able to secure a mortgage. The maximum loan term is 30 years. Applicants may not own a home. Applicants must be currently employed in the manufacturing or education fields. Applicants must have been employed for three (3) months. Applicants may not have any delinquent child support or delinquent tax payments. Applicants must not be a restricted individual. Applicants must be a resident of the Commonwealth of Kentucky. Applicants must be at least 18 years old. Applicants must fall within these income brackets:

- 1- person household income of \$17,920 to \$23,999
- 2- person household income of \$23,920 to \$30,999
- 3- person household income of \$30,880 to \$37,999
- 4- person household income of \$37,840 to \$44,999
- 5- person household income of \$44,800 to \$51,999
- 6- person household income of \$51,760 to \$58,999
- 7- person household income of \$58,720 to \$65,999
- 8- person household income of \$65,680 to \$72,999
- 9- person household income of \$72,640 to \$79,999
- 10- person household income of \$79,600 to \$86,999

Additional information regarding home ownership training courses and applications for the program can be obtained by calling Hope Lines at (502) 635-4175.

NOTICE

Please take notice that Duke Energy Kentucky, Inc. has applied to the Kentucky Public Service Commission for approval to revise its Demand Side Management (DSM) rate for gas service and electric service for residential and commercial customers. Duke Energy Kentucky's current monthly DSM rate for residential gas customers is \$0.040856 per hundred cubic feet and for non-residential gas customers is \$0.000000 per hundred cubic feet. Duke Energy Kentucky's current monthly DSM rate for residential electric customers is \$0.003005 per kilowatt-hour and for non-residential customers is \$0.006091 per kilowatt-hour for distribution service and \$0.000463 per kilowatt-hour for transmission service.

Duke Energy Kentucky seeks approval to revise these rates as follows: Duke Energy Kentucky's monthly DSM rate for residential gas customers would increase to \$0.016491 per hundred cubic feet and for non-residential gas customers would remain at \$0.000000 per hundred cubic feet. Duke Energy Kentucky's monthly DSM rate for residential electric customers would decrease to \$0.000061 per kilowatt-hour and for non-residential customers would decrease to \$0.005024 per kilowatt-hour for distribution service and would increase to \$0.008037 per kilowatt-hour for transmission service.

The rate contained in this notice is the rate proposed by Duke Energy Kentucky. However, the Public Service Commission may order a rate to be changed that differs from this proposed rate. Such action may result in a rate for consumers other than the rate in this notice. The foregoing rates reflect a proposed increase in electric revenues of approximately \$4.56 million or (1.39%) over current total electric revenues and an increase in gas revenues of approximately \$1.29 million or 1.28% over current total gas revenues.

A typical residential gas customer using 70 ccf in a month will see an increase of \$1.57 or 2.2%. A typical residential electric customer using 1000 kWh in a month will see a decrease of \$3.35 or (3.5%). A typical non-residential electric customer using 40 kilowatts and 14,000 kWh will see a decrease of \$1.08 or (0.1%). A non-residential customer served at transmission voltage using 10,000 kilowatts and 4,000,000 kWh will see an increase of \$787.84 or 0.3%. Non-residential gas customers will see no change in their bills from this application.

Any corporation, association, body politic or person may by motion within thirty (30) days after publication or filing of notice of the proposed rate changes, submit a written request to intervene to the Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky 40602, and shall set forth the grounds for the request including the status and interest of the party. The intervention may be granted beyond the thirty (30) day period for good cause shown. Written comments regarding the proposed rate may be submitted to the Public Service Commission by mail or through the Public Service Commission's website. A copy of this application filed with the Public Service Commission is available for public inspection at Duke Energy Kentucky's office at 4560 Olympic Boulevard, Ettinger, Kentucky 41018 and on its website at <http://www.duke-energy.com>. This filing and any other related documents can be found on the Public Service Commission's website at <http://psc.ky.gov>.

NEWPORT HOMEOWNERSHIP DEVELOPMENT HOUSING PROJECT NOTICE OF SOLICITATION OF PARTICIPANTS

"BRIDGING THE GAP TO HOME OWNERSHIP"

The City of Newport and Newport Millennium Housing Corporation III, an affiliate of the Neighborhood Foundations, are pleased to announce the development of three homes for affordable homeownership in Newport, KY. Two of the homes which are located at 412 West 10th Street and 1007 Isabella Street, are scheduled to be completed by the end of January, 2019, and the newly constructed home located 901 Central Avenue is scheduled to be completed later in 2019. The Kentucky Department for Local Government has made available funds to provide \$30,000 in down payment assistance for qualifying households wishing to purchase one of these homes. The homes are being developed by Newport Millennium Housing Corporation III. The \$30,000 in down payment assistance provided to each household participating in this program will be secured by a no interest, deferred payment, forgivable mortgage on the homes which they purchase. Each year the purchaser resides in their new home, \$5,000 of the loan will be forgiven and will not have to be repaid. If the homeowner lives in their new home for six (6) years, the \$30,000 loan will be completely forgiven and not repaid by the homeowner. Applicants must have a favorable credit and rental history. Applicants must be able to secure a fixed rate first mortgage loan from a private lender. Applicants may not now own a home. Applicants must successfully complete Homebuyer Education training. Applicants must have been employed for at least the past twelve (12) months. Applicants may not have any felony, violent crime and/or drug-related criminal history. Applicants must not be a registered sex offender. Applicant annual household income must fall within these limits:

One person household - income of \$21,924 to \$43,900
 Two person household - income of \$25,056 to \$50,150
 Three person household - income of \$28,188 to \$56,400
 Four person household - income of \$31,320 to \$62,650
 Five person household - income of \$34,452 to \$68,700

Elderly and/or disabled applicants are not required to meet the twelve (12) month employment requirement. Eligible purchasers will be required to pay a minimum of 1% at the purchase price, from their own funds, toward the purchase. Applications for 412 West 10th and 1007 Isabella will be available by appointment beginning November 16th and will be processed in the order received. Additional information regarding home ownership training courses and applications can be obtained by calling Linda Fields at the Neighborhood Foundations 859-581-2533, ext. 211. Calls will be taken Monday through Friday from 8:00 am until 4:30 pm. The City of Newport, Newport Millennium Housing Corporation III, the Neighborhood Foundations and the Kentucky Department for Local Government conduct business in accordance with all applicable local, state and federal Fair Housing laws and regulations.

the Owensboro-Daviess County Convention & Visitors Bureau, said the Kentucky Department of Tourism is bringing the reporters to town for the opening of the Hall of Fame and Saturday's "Downtown ROMP" festival.

"They're coming from everywhere," he said. "This will likely be the largest number of foreign press ever in Owensboro at one time."

Kirk said he plans to "show them everything Owensboro has to offer."

The members of the foreign press will cover the opening of the Hall of Fame on Thursday night with performances by several Hall of Fame members.

On Friday, they'll visit the childhood home of Bill Monroe, "the father of bluegrass music," in Rosine.

The rate contained in this notice is the rate proposed by Duke Energy Kentucky. However, the Public Service Commission may order a rate to be charged that differs from this proposed rate. Such action may result in a rate for consumers other than the rate in this notice. The foregoing rates reflect a proposed decrease in electric revenues of approximately (\$4.56) million or (1.38%) over current total electric revenues and an increase in gas revenues of approximately \$1.29 million or 1.28% over current total gas revenues.

A typical residential gas customer using 70 ccf in a month will see an increase of \$1.57 or 2.2%. A typical residential electric customer using 1000 kWh in a month will see a decrease of \$3.35 or (3.5%). A typical non-residential electric customer using 40 kilowatts and 14,000 kWh will see a decrease of \$1.06 or (0.1%). A non-residential customer served at transmission voltage using 10,000 kilowatts and 4,000,000 kWh will see an increase of \$787.94 or 0.3%. Non-residential gas customers will see no change in their bills from this application.

Any corporation, association, body politic or person may by motion within thirty (30) days after publication or mailing of notice of the proposed rate changes, submit a written request to intervene to the Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky 40602, and shall set forth the grounds for the request including the status and interest of the party. The intervention may be granted beyond the thirty (30) day period for good cause shown. Written comments regarding the proposed rate may be submitted to the Public Service Commission by mail or through the Public Service Commission's website. A copy of this application filed with the Public Service Commission is available for public inspection at Duke Energy Kentucky's office at 4580 Olympic Boulevard, Erlanger, Kentucky 41018 and on its website at <http://www.duke-energy.com>. NOTICE

Please take notice that Duke Energy Kentucky, Inc. has applied to the Kentucky Public Service Commission for approval to revise its Demand Side Management (DSM) rate for gas service and electric service for residential and commercial customers. Duke Energy Kentucky's current monthly DSM rate for residential gas customers is (\$0.040856) per hundred cubic feet and for non-residential gas customers is \$0.000000 per hundred cubic feet. Duke Energy Kentucky's current monthly DSM rate for residential electric customers is \$0.003035 per kilowatt-hour and for non-residential customers is \$0.005091 per kilowatt-hour for distribution service and \$0.000483 per kilowatt-hour for transmission service.

Duke Energy Kentucky seeks approval to revise these rates as follows: Duke Energy Kentucky's monthly DSM rate for residential gas customers would increase to (\$0.018491) per hundred cubic feet and for non-residential gas customers would remain at \$0.000000 per hundred cubic feet. Duke Energy Kentucky's monthly DSM rate for residential electric customers would decrease to (\$0.000061) per kilowatt-hour and for non-residential customers would decrease to \$0.005024 per kilowatt-hour for distribution service and would increase to \$0.000637 per kilowatt-hour for transmission service.

The rate contained in this notice is the rate proposed by Duke Energy Kentucky. However, the Public Service Commission may order a rate to be charged that differs from this proposed rate. Such action may result in a rate for consumers other than the rate in this notice. The foregoing rates reflect a proposed decrease in electric revenues of approximately (\$4.56) million or (1.39%) over current total electric revenues and an increase in gas revenues of approximately \$1.28 million or 1.28% over current total gas revenues.

NOTICE

Please take notice that Duke Energy Kentucky, Inc. has applied to the Kentucky Public Service Commission for approval to revise its Demand Side Management (DSM) rate for gas service and electric service for residential and commercial customers. Duke Energy Kentucky's current monthly DSM rate for residential gas customers is \$0.040866 per hundred cubic feet and for non-residential gas customers is \$0.000000 per hundred cubic feet. Duke Energy Kentucky's current monthly DSM rate for residential electric customers is \$0.003035 per kilowatt-hour and for non-residential customers is \$0.005001 per kilowatt-hour for distribution service and \$0.000463 per kilowatt-hour for transmission service.

Duke Energy Kentucky seeks approval to revise these rates as follows: Duke Energy Kentucky's monthly DSM rate for residential gas customers would increase to \$0.018491 per hundred cubic feet and for non-residential gas customers would remain at \$0.000000 per hundred cubic feet. Duke Energy Kentucky's monthly DSM rate for residential electric customers would decrease to \$0.000081 per kilowatt-hour and for non-residential customers would decrease to \$0.005024 per kilowatt-hour for distribution service and would increase to \$0.000637 per kilowatt-hour for transmission service.

The rate contained in this notice is the rate proposed by Duke Energy Kentucky. However, the Public Service Commission may order a rate to be charged that differs from this proposed rate. Such action may result in a rate for consumers other than the rate in this notice. The foregoing rates reflect a proposed decrease in electric revenues of approximately \$4.58 million or (1.39%) over current total electric revenues and an increase in gas revenues of approximately \$1.28 million or 1.28% over current total gas revenues.

A typical residential gas customer using 70 ccf in a month will see an increase of \$1.57 or 2.2%. A typical residential electric customer using 1000 kWh in a month will see a decrease of \$3.35 or (3.5%). A typical non-residential electric customer using 40 kilowatts and 14,000 kWh will see a decrease of \$1.05 or (0.1%). A non-residential customer served at transmission voltage using 10,000 kilowatts and 4,000,000 kWh will see an increase of \$787.94 or 0.3%. JAPAN 5, MLB ALL-STARS 3: Ryo-suke Kikuchi drove in the go-ahead run on a squeeze bunt in a four-run ninth inning as Japan beat the MLB All-Stars 5-3 Tuesday and took a 3-1 lead in their six-game exhibition series.

The final two games are on Wednesday and Thursday in Nagoya.

NOTICE

Please take notice that Duke Energy Kentucky, Inc. has applied to the Kentucky Public Service Commission for approval to revise its Demand Side Management (DSM) rate for gas service and electric service for residential and commercial customers. Duke Energy Kentucky's current monthly DSM rate for residential gas customers is (\$0.040856) per hundred cubic feet and for non-residential gas customers is \$0.000000 per hundred cubic feet. Duke Energy Kentucky's current monthly DSM rate for residential electric customers is \$0.003035 per kilowatt-hour and for non-residential customers is \$0.005091 per kilowatt-hour for distribution service and \$0.000463 per kilowatt-hour for transmission service.

Duke Energy Kentucky seeks approval to revise these rates as follows: Duke Energy Kentucky's monthly DSM rate for residential gas customers would increase to (\$0.018491) per hundred cubic feet and for non-residential gas customers would remain at \$0.000000 per hundred cubic feet. Duke Energy Kentucky's monthly DSM rate for residential electric customers would decrease to (\$0.000061) per kilowatt-hour and for non-residential customers would decrease to \$0.005024 per kilowatt-hour for distribution service and would increase to \$0.000637 per kilowatt-hour for transmission service.

The rate contained in this notice is the rate proposed by Duke Energy Kentucky. However, the Public Service Commission may order a rate to be charged that differs from this proposed rate. Such action may result in a rate for consumers other than the rate in this notice. The foregoing rates reflect a proposed decrease in electric revenues of approximately (\$4.56) million or (1.39%) over current total electric revenues and an increase in gas revenues of approximately \$1.29 million or 1.28% over current total gas revenues.

A typical residential gas customer using 70 ccf in a month will see an increase of \$1.57 or 2.2%. A typical residential electric customer using 1000 kWh in a month will see a decrease of \$3.35 or (3.5%). A typical non-residential electric customer using 40 kilowatts and 14,000 kWh will see a decrease of \$1.06 or (0.1%). A non-residential customer served at transmission voltage using 10,000 kilowatts and 4,000,000 kWh will see an increase of \$787.94 or 0.3%. Non-residential gas customers will see no change in their bills from this application.

Any corporation, association, body politic or person may by motion within thirty (30) days after publication or mailing of notice of the proposed rate changes, submit a written request to intervene to the Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky 40602, and shall set forth the grounds for the request including the status and interest of the party. The intervention may be granted beyond the thirty (30) day period for good cause shown. Written comments regarding the proposed rate may be submitted to the Public Service Commission by mail or through the Public Service Commission's website. A copy of this application filed with the Public Service Commission is available for public inspection at Duke Energy Kentucky's office at 4580 Olympic Boulevard, Erlanger, Kentucky 41018 and on its website at <http://www.duke-energy.com>. This filing and any other related documents can be found on the Public Service Commission's website at <http://psc.ky.gov>.
