RE: Application for a Purchased Water Adjustment

Ms. Pinson,

This is an application for a Purchased water rate adjustment for the East Daviess County Water Association. The adjustment is for an increase in the cost of water attributable to our supplier's new wholesale rates.

The increase in non-revenue water for this application compared to our 2017 PSC Annual Report, is attributed to the excessive flushing needed to stay in compliance with the TTHM requirements. Our wholesale supplier has had an issue with two of their wells causing the excessive flushing.

Please let me know if you need any more information.

Sincerely,

Agnes Johnson
