

**COMMONWEALTH OF KENTUCKY**  
**BEFORE THE PUBLIC SERVICE COMMISSION**

In the Matter Of:

An Examination Of The Application Of The Fuel    )  
Adjustment Clause Of Kentucky Power Company    )    Case No. 2019-00002  
From November 1, 2016 Through October 31, 2018 )

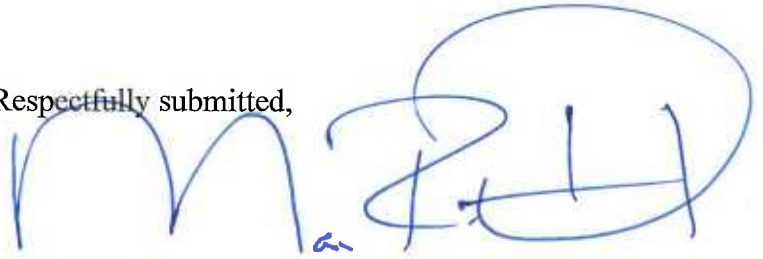

**Notice Of Substitution**

Kentucky Power files under seal the substitute confidential version of Attachment 2b to the Company's response to KPSC 1-4. The originally-filed confidential version of the attachment marked the SNR River Ops, Blackjewel Marketing and Sales, and Case Coal Sales bids as confidential by highlighting the bids in yellow. The substitute confidential version of Attachment 2b to the Company's response to KPSC 1-4 correctly indicates the non-confidential nature of those bids.

The substitution is being made to conform the confidential version to the public version of Attachment 2b to the Company's response to KPSC 1-4 by removing from the confidential version the yellow highlighting of the SNR River Ops, Blackjewel Marketing and Sales, and Case Coal Sales bids.

The public version of Attachment 2b to the Company's response to KPSC 1-4 correctly provided in an unredacted form the SNR River Ops, Blackjewel Marketing and Sales, and Case Coal Sales bids.

Respectfully submitted,
