Re: *In the Matter of: Electronic Examination of the Application of The Fuel Adjustment Clause of Big Rivers Electric Corporation from November 1, 2016 Through October 31, 2018.- Case No. 2019-00007*

Dear Mr. Chandler:

It has come to our attention that there was an unintentional issue with the public versions of

- 1) Big Rivers' Responses to Commission Staff's Request for Information dated February 11, 2019, originally filed March 11, 2019; and
- 2) Responses to Commission Staff's Second Request for Information dated March 11, 2019, originally filed March 25, 2019,

which resulted in the incomplete redaction of confidential information.

The issue has been addressed and Big Rivers is electronically filing, with this letter, its

- 1) Reformatted Responses to Commission Staff's Request for Information dated February 11, 2019; and
- 2) Reformatted Responses to Commission Staff's Second Request for Information dated March 11, 2019.

Consequently, we respectfully request that the public versions of the filings be removed from the public record and replaced with this filing of the reformatted files. No party to this matter will be prejudiced by this request.
