RE: Electronic Application of Louisville Gas and Electric Company For an Order
Approving the Establishment of a Regulatory Asset
Case No. 2019-00017

Dear Ms. Pinson:

On January 29, 2019, the Commission entered an order establishing the procedural schedule in this proceeding. That schedule provided a deadline for interventions and two rounds of requests for information. No persons requested intervention. Louisville Gas and Electric has responded to the Commission's two sets of requests for information.

Louisville Gas and Electric Company requests the Commission take this matter under submission and issue an order on or before March 31, 2019 approving the establishment of the requested regulatory asset as described in its the application as of December 31, 2018.

Yours very truly,

A handwritten signature in blue ink that reads "Kendrick R. Riggs".
