BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC INVESTIGATION INTO THE )  
OPERATION AND MANAGEMENT OF WESTERN ) CASE NO.  
LEWS-RECTORVILLE WATER AND GAS DISTRICT ) 2019-00028  
PURSUANT TO KRS 74 AND KRS 278 )

MOTION FOR CONFERENCE WITH COMMISSION STAFF  
MOTION FOR CONTINUANCE OF HEARING

---

Comes the Western Lewis-Rectorville Water and Gas District, by counsel, and moves for the following relief:

1. The Western Lewis-Rectorville Water and Gas District (the District) requests a conference with commission staff for the purpose of simplification or clarification of issues. The District believes that issues in this case can be better resolved and explained in a conference with commission staff. Further, the District believes that it can properly answer questions and alleviate all concerns stated in the Commission's Order of January 23, 2019. Should the Commission allow a conference with Commission Staff, the District shall have all parties participate in the conference with Commission Staff so that all questions and concerns from staff can be properly answered.
2. Should the Commission grant the District's request for a conference with Commission Staff and there still be a need for a hearing in front of the Commission or should the Commission not grant the District's request for a conference with Commission Staff and a hearing is still necessary, the District requests that the hearing be rescheduled for good cause. The District's General Manager, Chad Clark, will be in Phoenix, Arizona on the date the Commission ordered the hearing date in Frankfort, Kentucky. Further, the

hearing date would result in an undue burden on Certified Public Accountant Lyn Rhonemus and Certified Public Accountant Gregory Caudill as their time is extremely limited because of tax season demands they face as a result of their positions as Certified Public Accountants..

The information provided is true and correct to the best of my knowledge information and belief formed after a reasonable inquiry.
