Re: Case No. 2019-00028
Response to Commission's request for list of witnesses

To Whom It May Concern,

Enclosed is the Western Lewis-Rectorville Water and Gas District's response to the Commission's request of identification of witnesses who sponsored each request by the Commission.

It was by a misunderstanding of the Commission's requests that these witnesses were not previously identified in regards to each request. The Western Lewis-Rectorville Water and Gas District was not attempting to evade the Commission by not identifying the sponsor of each request. The District will ensure in future filings that the requirements for witness identification are met.

Respectfully,

Benjamin L. Harrison
