In re: *Rattlesnake Ridge Water District*

Executive Director Chandler:

Please find enclosed Rattlesnake Ridge Water District's current Employee Safety Handbook, Audit Reports and other documents provided in accordance with the Commission's November 22, 2019 Order.

In accordance with 807 KAR 5:001, Section 8, I certify that the electronically filed documents are true and correct copies of the documents which were provided to me by the Water District. I have not forwarded a copy via first-class mail due to the current COVID-19 pandemic state of emergency; there are currently no parties in this proceeding that have been excused from participating via electronic means; and the original versions of the documents filed electronically will be filed with the Commission in paper medium if directed by the Commission.

Thank you for your attention to this matter. Do not hesitate to contact me with questions or concerns.

Very truly yours,

Derrick E. Willis
