## COMMONWELTH OF KENTUCKY BEFORE THE PUBICE SERVICE COMMISSION

In the Matter of:

ELECTRONIC INVESTIGATION INTO EXCESSIVE )  
WATER LOSS BY KENTUCKY'S )  
JURISDICTIONAL WATER UTILITIES )

CASE NO.  
2019-00041

Progress on order 2019-00041:

- A. A revised leak adjustment policy:
  - a. A revised leak adjustment policy is ready for submission pending approval from Cawood Water Districts Board members and will have a excel spreadsheet format with it.
- B. Its 2018 audit and annual report:
  - b. The 2018 audit is complete, and the annual report has been submitted and ready to send.
- C. The results of the tests of its meters that are ten years old or older or in the alternative, obtain and provide estimates to replace those meters:
  - c. Concerning residential meters that are 10 years old or older, Cawood Water District is current and there are no residential meters in the system that are out of date.
- D. A meter testing schedule:
  - d. A meter testing schedule has been prepared and is pending approval from the Cawood Water District board members.
- E. Documentation of fire department water usage:
  - e. We are working with the fire department, so we get constraint reports on usage.
- F. A standard written procedure for when there is a line break due to excavation damage that ensures that line break repairs are charged to the appropriate offender:
  - f. A procedure for excavation damage is ready for the board to go over for approval.
- G. A written policies and procedures manual:
  - g. We are still updating the policies and procedures manual.
- H. A written safety training schedule:

- h. The written safety training schedule is ready for the board to go over for approval.
- i. A written policy regarding theft of water service:
- i. We are still working on the theft of water service.
- J. The results of a comprehensive water audit:
- j. We are still working on a comprehensive water audit.

Sincerely

A handwritten signature in black ink, appearing to read "Grant Cooper". The signature is fluid and cursive, with the first name "Grant" and last name "Cooper" clearly distinguishable.

Grant Cooper
