BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

KENTUCKY’S JURISDICTIONAL)
WATER UTILITIES)**

**AMENDED MOTION FOR EXTENSION OF TIME TO
FINALIZE REPORT AND TO SUBMIT RESULTS**

Farmdale Water District (“Farmdale District”), by counsel, files this *Amended Motion for Extension of Time to Finalize Report and to Submit Results*. The *Motion for Extension of Time to Finalize Report and to Submit Results* was originally filed on April 20, 2021. In the *Motion for Extension of Time to Finalize Report and to Submit Results*, Farmdale District explained that Kentucky Rural Water Association (“KRWA”), who performed Farmdale District’s comprehensive water audit, had completed the comprehensive water audit, but needed additional time to finalize the report. Farmdale District also stated preliminary findings and the priority of certain projects based on those preliminary findings. Farmdale District requested an extension until May 12, 2021 in which to finalize the report of its water audit results and submit it to the Commission.

After discussions with KRWA, Farmdale District has determined that additional time is needed to finalize the report of its comprehensive water audit and

to submit the report to the Commission. Since the *Motion for Extension of Time to Finalize Report and to Submit Results* was filed on April 20, 2021, KRWA employees have made numerous trips to Farmdale District to assist Farmdale District staff in locating large leaks and reducing the size of the areas where the large leaks are located. However, KRWA employees have been extremely busy assisting other utility systems, particularly due to the backlog of work resulting from the COVID-19 pandemic, and have not yet finalized Farmdale District's comprehensive water audit report. Therefore, Farmdale District requests to amend its *Motion for Extension of Time to Finalize Report and to Submit Results* filed on April 20, 2021 to request an extension through July 30, 2021 in which to finalize the report of its comprehensive water audit and to submit the report to the Commission.

WHEREFORE, Farmdale District respectfully requests that the Commission grant its request for an extension of time until July 30, 2021 in which to finalize the report of its water audit results and submit it to the Commission.

Dated: June 3, 2021
