JURISDICTIONAL WATER UTILITIES)	2019-00041

**MOTION FOR ADDITIONAL TIME TO RESPOND TO COMMISSION
STAFF'S SECOND REQUEST FOR INFORMATION TO WATER
UTILITIES THAT REPORT OVER 35 PERCENT WATER LOSS**

Comes now the North Manchester Water Association (NMWA) by and through counsel of record, and hereby moves for ten (10) additional days in which to respond to the Commission staff's second request for information to water utilities that report over 35 percent water loss. As grounds for this motion, counsel would state that the responses were delivered to my office on Friday, May 31, 2019, at approximately 1:00 p.m. However, counsel was out of town and was unable to comply with the Commission's deadline set forth in its May 3, 2019 request.

All on this 3th day of June, 2019.

Respectfully Submitted,
