

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF)	CASE NO.
LOUISVILLE GAS AND ELECTRIC)	2019-00043
COMPANY FOR GAS LINE TRACKER)	

MOTION TO CORRECT ORDER

Louisville Gas and Electric Company (“LG&E” or the “Company”), by counsel, hereby moves the Kentucky Public Service Commission (“Commission”) to correct a typo in one of the rates contained in the Appendix to its Order dated April 23, 2019.

In the Appendix, the Commission lists the GLT rates and charges for service rendered to for LG&E’s gas customers on and after May 1, 2019, including the charge for Rates FT and LGDS for Firm Transmission Projects. The support for this charge was provided by the Company on page 2 of its Application filed on February 28, 2019, as well as in Exhibits 1 and 2. Specifically, the charge is \$0.00048 per Ccf and \$0.0048 per Mcf. The Appendix inadvertently omitted a zero in the Transmission Projects Rate for Rate Schedules FT and LGDS. The listed “0.0048” should have been “0.00048”, because the rate in the tariff is per Ccf, rather than per Mcf.

WHEREFORE, Louisville Gas and Electric Company respectfully requests the Commission to issue an order making the above correction to the Appendix to its Order of April 23, 2019 in this proceeding to reflect a rate of \$0.00048 for Rate Schedules FT and LGDS.

Dated: May 1, 2019

Respectfully submitted,

Allyson K. Sturgeon
