

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

Electronic Investigation of Johnson County Gas)	
Company, Inc. and Bud Rife, Individually and as an)	Case No. 2019-00056
Officer of Johnson County Gas Company, Inc.)	
Alleged Violation of KRS 278.300 and its Tariff)	

MOTION FOR EXTENSION OF TIME

Comes Johnson County Gas Company, Inc., and Bud Rife, Individually and as an Officer of Johnson County Gas Company, Inc. (“Movants”), by counsel, and hereby move the Commission for extensions of time, as follows:

- a) a seven day extension, until April 4, 2019, within which to supplement their response to the Commission Staff’s first data requests, which response was filed March 27, 2019;
- b) a twenty one (21) day extension, until April 18, 2019, within which to respond to the Attorney General’s first data requests;
- c) a continuance of the hearing in this matter from April 24, 2019, until a day during the week of May 20, 2019, other than Friday, May 24, 2019.

As grounds for this motion, Movants state that it has been extremely difficult for the limited staff of Johnson County Gas Company, consisting of Suda Allen, the office receptionist and bookkeeper, Robert Newsome, the part-time assistant, and Bud Rife, who has only been keeping limited hours at the direction of his doctor, to comply with the burdensome requests of the staff, and particularly the Attorney General. The Attorney General’s data requests consist of

68 distinct requests, with 134 distinct subparts to those requests. The amount of time necessary for what is essentially a two person office, that is also charged with running a gas company, to accumulate the documents and formulate the responses to this burdensome request is staggering.

Movants are committed to fully answering all of the requests of staff and the Attorney General, but need additional time to do so. Movants submit this is not an unreasonable request given the volume of material they much locate, sort and compile with a very limited staff.

Dated this 28th day of March, 2019.

Respectfully submitted,

JOE F. CHILDERS
BETHANY N. BAXTER
