Kentucky Public Service Commission
Attn: Gwen R. Pinson, Executive Director
211 Sower Boulevard
Frankfort, Kentucky 40602

Dear Ms. Pinson:

Enclosed for electronic filing are Duke Energy Kentucky's ("Duke") "Monthly Report of Gas Cost Calculations and Tariff Schedules," for the month commencing with the April 2019 revenue month in accordance with KPSC order dated November 6, 2003 in Case No. 2003-00386. This filing is based on supplier tariff rates expected to be in effect on April 1, 2019 and the NYMEX close on March 7, 2019 for the month of April 2019. An original will be sent within the required two (2) business days.

The above described schedules and GCA are effective with the final meter readings of District 1, April 2019 revenue month (i.e., final meter readings on and after April 1, 2019).

Duke's proposed GCA is \$4.182 per Mcf. This rate represents an increase of \$0.125 per Mcf from the rate currently in effect for March 2019.

Very truly yours,

A handwritten signature in black ink that reads "Dana R. Patten".

Dana R. Patten
