### Instructions for filling out the stat form and submitting to NCMIS

- 1). Complete all fields with a red tab in the corner of the cell. Place cursor on red tab to reveal what to enter. [See Example](#)
- A). The date field, located in the top right-hand side of the form, must be updated for the year that you are reporting.
- B). The Report Period field is a drop down box. Please select the applicable reporting time for what you are submitting.
- C). There could be fields on the form that are not applicable to you (example: TPA). If they do not are not required to fill them out if they are applicable and you fail to correctly populate them, your report will be rejected.
- 2). When entering statistical data you will only be able to enter in cells with a red Q. You will not be able to complete any sections in gray.
- 3). NCMIS will only accept this statistical data file when submitting your data. NCMIS will NOT accept similar Excel files, printed or faxed versions of this form. You will not be able to complete any sections in gray.
- 4) We have included 2 macros on this form, "ZeroFirstQTRonly" will reset all values in the 1st quarter back to zero. "Zero2nd thru 4th quarters. The listing will have a same green arrow similar to a play symbol. Select the macro and click "run".
