Hello,

For the FY22 NGDISM grant, PHMSA is working diligently to get the required approvals to announce the provisionally selected grant applicants later this month, March 2023. Public announcements regarding PHMSA's FY22 NGDISM awards will be made by USDOT Office of the Secretary (<https://www.transportation.gov/newsroom>).

Jessica,

Please find attached Items 1-19 of the checklist for the above referenced project. Once I receive KY Heritage Council comments I should be able to complete the Environmental Review. Please let me know if you have questions or need additional information.

Tara,

I am no longer working in Community Programs at Rural Development. I am including Greg Pridemore on the email so he can get you in touch with the appropriate Specialist.
