**SUPPLEMENT TO MOTION TO EXTEND DEADLINE AND PROVISION OF  
SUPPLEMENTAL INFORMATION**

Comes now, the City of Drakesboro (hereafter the “City”), by counsel, and for its motion for additional time, states as follows:

The City has recently applied for a grant described as “FY 2022 Natural Gas Distribution Infrastructure Safety and Modernization Grant Program”. This grant is the matching grant for the Community Development Block Grant previously referenced in motions with this tribunal by the City of Drakesboro. Attached hereto is a copy of proof submission.

Secondly, the undersigned expects that in the next several weeks a leak survey report will be submitted showing no Grade 1 leaks in the City of Drakesboro natural gas system. Hopefully, this provides some assurance as to the safety of the operation and condition of the subject distribution and operating system.

Respectfully submitted,

YONTS, SHERMAN & DRISKILL, P.S.C.
