Dear Ms. Pinson:

Please find enclosed Delta's Quarterly Report of Gas Cost Recovery Rate Calculation, which determines the Gas Cost Recovery to be effective with the first billing cycle of May 2019 that includes meters read on and after April 22, 2019. Delta is also filing copies of the schedules in Excel format. Delta has contemporaneously filed a Petition for Confidential Protection for certain of the information in the Quarterly Report.

In accordance with 807 KAR 5:001, Section 8, I certify that, except for the information for which confidentiality has been requested, the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on March 20, 2019; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that an original and paper copy of this filing in paper medium will be filed by hand-delivery with the Commission within two business days from the date of the electronic filing.

Should you have any questions, please let us know.

Sincerely,

Stoll Keenon Ogden PLLC
