Chairman Dupuy called the meeting to order pursuant to the Waiver of Notice signed by the Directors and all were present. Others present included: Carol Hall Fraley, President and CEO; W. Jeffrey Scott, Legal Counsel; Bradley Cherry, Manager of Finance & Accounting; and Priscilla Sparks, Executive Assistant.

INVOCATION Chairman Dupuy gave the invocation.

APPROVAL OF MINUTES Motion was made by Director Trent, seconded by Director Bentley and

unanimously agreed to approve the minutes from the November Board

Meeting for informational purposes only.

PRESIDENT'S REPORT President Fraley reported on the following:

SUGAR TREE BRANCH We have removed our last communications tower. It was located on Sugar

Tree Branch in Lawrence County.

ELWOOD RUSSELL Elwood Russell is still complaining because we did not pay him the \$900 it

cost to have the mast straightened after a tree fell. The tree pulled the line tight causing his service mast to bend. The tree was off the right-of-way and the right-of-way was in good condition. He has contacted the PSC, AG and

BBB.

PIKE ELECTRIC Pike Electric has asked for an increase for the 2019 one year contract

extension.

KAEC DIRECTOR'S REPORT Director Whitt reported on the following:

*The Farm Bill and its effect on Electric Cooperatives was discussed. The Cushion of Credit can be rebuilt to \$581 million and EKP will not have to go in for a rate increase for 3 years. This will probably affect payment of capital credits. We became a member with EKPC in 1964 and were assigned Capital Credits.

*Transformers will probably go up 25%-50% due to import tariffs on aluminum, reported Gary Burnett.

*Charging stations for cars are very expensive. Private owners of charging stations cannot charge more than they use. Some coops are putting in charging stations.

*President Perry talked about net metering and said it has bounced around for 2-3 years. There is not enough to be concern about the bill. On January 22, CEO Fraley will sit in on phone conference in regards to this.

*The legislative breakfast will be held February 7, 2019.

*Mickey Miller has retired. Their engineer, Greg Lee will succeed him.

*Bruce Aaron Davis was seated as the new CEO at Big Sandy, upon Bobby Sexton's retirement.

*Debbie Martin of Shelby Energy, last meeting was November.

*WE OWN IT is a group of Cooperative members who are questioning a lot of cooperative activities. They are writing letters to legislators in all 50 states. They do not approve of health insurance or compensation nor educational classes.

RATE CASE

The Attorney General's office sent questions regarding the Test year 2017, but have even gone back to 2013 on such things as directors insurance and retirement.

RATE CASE (CONTINUED)

Director Martin reported that the class he took had one item for discussion about the director's salaries published.

EKPC DIRECTOR

Director Arrington reported on the October financial overview from the East Kentucky Power Cooperative Board Meeting.

*Margins \$5.1million (was this profit; they don't tell you that).

*Budgeted margins \$2.7million over budget.

*Revenue over budget \$5.2 million.

*Expenses were over budget \$2.5 million.

*Year-to-date margins over budget by \$12.6 million due to high revenue, weather and lower than expected o & m expenses off setting higher than expected purchases and fuel expense.

*Cost of member system was above budget for the month and year to date.

*Annual margins over budget by \$3.0 million.

*Director Arrington went over the budget and their expenses in detail.

FINANCIAL & STATISTIC REPORT FOR OCTOBER 2018 Bradley Cherry, Manager of Finance and Accounting presented the Financial & Statistical Report for October 2018:

SALES AND PURCHASES

Kilowatt hour sales for the month of October were 1.78% over budget. Purchases for the month of October were 8.41% over budget. Line loss for the last twelve months was 5.33%. Year-to-date margins were \$256,713 compared to the budgeted amount (\$682,583).

Sales were down 3% compared to last October. Line loss due to change in billing in September was 21%.

FUEL ADJUSTMENT

The fuel adjustment for was (0.011874).

ESC

The environmental surcharge was 7.68%.

DEGREE DAYS

There were 392 degree days; 99 cooling degree days and 293 heating degree

T.I.E.R.

October 2018's monthly O.T.I.E.R. was (1.16) with the rolling month O.T.I.E.R. at 1.54. Our T.I.E.R. is better in 2018 than the last 3 years.

BILLS

We mailed 15,384 bills in October. Bills mailed were down 62 from last month and 29 from last October. County by county count was: Carter 4,578 (30%), Elliott 3,645 (24%), Greenup 4,296 (28%), Lawrence 761 (5%), Lewis 318 (2%) and Rowan 1,786 (11%). The new billing cycle should start to match up now.

CAPITAL CREDITS

One hundred sixty three capital credit accounts have been paid in full at this point for 2018.

PSC CASE NO. 2018-00272

We received the third round of questions from the Attorney General on Grayson's rate case. Alan Zumstein and Jim Adkins were here Monday and Tuesday and worked with us on replies. They were taken to Legal Counsel Scott to review.

WORK PLAN

The work plan has been extended for one year. After talking to Mike Norman, he said the Contractor can ask for more money. We still have \$11million in our work plan. Pike gave a proposal for an increase on men and trucks.

PLANNING & REVIEW COMMITTEE

The Planning & Review Committee met December 10, 2018 to review the 2019 Proposed budget.

PIKE ELECTRIC

We plan to take comparative bids on the Work Plan extension. The trackhoe with rubber tracks is a major issue. Pike wants to charge 40 hours a week.

We received two additional bids from New River and Davis Elliott that were significantly higher. Taking the trackhoe out of the equation for all three bidders, Pike's bid was 11.5 percent higher for a 40 hour week, without the trackhoe and this was the lowest bid. Kyle will make an effort to get as much work done with the trackhoe while the weather is bad and then send it back to Pike. We can always use a bulldozer or trackhoe on metal tracks that are available here locally. Our next Work Plan contract will most likely be 35-40% more. The demand for linemen is running the prices up.

Director Arrington asked if it was time to hire a hot line crew. We have already started working on this to see if it is feasible. In the future a hotline crew will be considered by GRECC. We are looking at Cooperatives who have hot crews and how they blend in with the work force.

Director Martin made a motion to accept the proposal as accepted with the stipulation that the track machine has to be out of here by April, seconded by Director Whitt and unanimously agreed upon.

APPROVAL OF FINANCIAL & STATISTICAL REPORT FOR OCTOBER 2018

Motion was made by Director Trent, seconded by Director Martin and unanimously agreed to approve the Financial and Statistical report for October 2018 as presented, for informational purposes only.

2019 BUDGET

We probably will not have money on the rate case until July 2019. We cannot plan this budget as we normally would, as we will not have those funds until the middle of the year. Bradley went over the budget and gave examples of what could happen if we don't receive our increase until May or later. The Workplan increase will not affect the budget.

WORK PLAN MONEY

The RF meters that are being ordered from Landis + Gyr are being paid out of this Work Plan. Director Whitt asked how we determine how we pay back a loan. We pay in interest and principle. Right now, we are paying around \$33,000 per month. The total for CoBank, FFC and CFC is around \$91,000 in interest per month. This number affects our T.I.E.R.

BUDGET REQUEST ITEMS

Vehicle replacements totaled was at \$252,000. Upgraded licenses, phone conversion and voice mail to work are included in IT and are very expensive. Discussion was held on how we would operate during an emergency. We plan to purchase 2 drones for construction crews. We need a camera, Brian Poling a computer, 2 tablets for RF system. Metering needs a toolbox and cover. The Budget contains \$15,000 for pole testing, cost of a new roof for warehouse and automation of the gate at the garage, and redoing the parking lot over the hill. This will not be done until creek dredging is done by the City. The work plan study by Leidos will cost approximately \$38,000. Total of projects are \$344,385. If GDP grows we need to increase interest rates to meet our T.I.E.R. Insurance went up, along with interest and depreciation. CoBank and CFC expect interest rates to go up. President Fraley said we were conservative when working on the budget.

BUDGET REQUEST ITESM

(CONTINUED)

The Committee made a motion that the Board approve the Budget as presented, Director Martin seconded and unanimously agreed upon.

At 9:16 a.m. an Executive Session was called by Chairman Dupuy. The Executive Session concluded at 9:45 a.m.

INVOCATION

Director Dupuy gave the invocation.

APPROVAL OF MINUTES

Motion was made by Director Martin, seconded by Director Bentley and unanimously agreed to approve the minutes from the December 2018 Board Meeting for informational purposes only.

PRESIDENT'S REPORT

President Fraley reported on the following:

PEGGY WELLS

President Fraley reported that Peggy Wells has decided to retire March 1, 2019. We will have a retirement lunch on that day.

AMBER WEDDINGTON

Amber Weddington has been hired January 28, 2019 and will be training in the Member Services Department. She is working closely with Sherry Conley.

METER THEFT

We have discovered three meter thefts this week. One was on a Rattlesnake Ridge pumping station on Four Mile and involved a cleaning crew for HUD, Purdy Enterprises. That meter was stolen.

One was located on Blueberry Ridge that Chris Mosier discovered on a service call to the neighbor. The meter was by- passed and continued to report to the office.

Richard Easton found a KU meter on our service, in his territory. The people living there "found" our meter in the closet. KU was able to tell us how many kilowatts were on their meter so that we could bill for them.

TRIPLE J FARMS

We had a bankruptcy filing on Triple J Farms, dba Gilliam's IGA. We do not have accounts in these names and will not recognize the bankruptcy. We will continue to try to collect the off-service bill.

SCOTT MCGUIRE

Scott McGuire has completed requirements for First Class Meterman and Justin Staniford will complete the apprenticeship program 4th year at the end of February. Caitlin Hutchinson Sexton will be promoted in her purchasing position.

LARGE POWER CONTRACT

President Fraley is sending letters for additional deposits or letters of credit on Small Commercial accounts with bad credit and for all Large Power Accounts. Some are sizeable.

RIGHT-OF-WAY EASEMENTS Jonathan McCoy applied for service on property owned by him and his brother, Lonnie. An affidavit of descent was prepared by Legal Counsel Scott on this property and Lonnie still would not sign. We reminded both of them of his parent's capital credits and Lonnie decided to sign the right-of-way easement.

SAFETY DAY

Employees will receive a safety day pay in February for no lost time accidents in 2018.

RONNIE JAMES

Ronnie James talked to Director Martin about an issue regarding relocating some poles on his farm. Ronnie James made this request some time ago and was told he would have to pay for the relocation, if we could get right of way permission from his neighbors. He wants them moved to neighbor or ditch line. The poles are sound and we have no reason to move them. He would have to pay \$26,000 up front as an Advance for Construction to have this done and get right of way easements. We have been unable to get them.

Mr. James refuses to pay and also refuses to sign a right of way easement for his own property.

K-MART

Director Bentley asked about K-Mart. President Fraley said they paid December 1, 2018.

KAEC DIRECTOR'S REPORT

Director Whitt reported the following on the KAEC Board Meeting:

Cyber security was discussed.

There will be a workshop on February 26, to discuss stream lined rate cases.

The Legislative Breakfast will be the 7th of February in Frankfort.

Rocky Adkins spoke on his plans for the Commonwealth as he runs for

Governor. He did an excellent job speaking to the group.

KAEC is looking at reducing their meetings to six per year. They would like

to use teleconferencing for committee meetings.

President Fraley has invited Representative Adkins and his running mate to

stop by the office to meet everyone whenever they can.

EKPC DIRECTOR

Director Arrington reported he, Director Whitt and Director Dupuy attended the CFC Workshop at KAEC on January 23-24, 2019. Sheldon Peterson was recognized for assisting with the Cushion of Credit issue

FINANCIAL & STATISTICAL Bradley Cherry, Manager of Finance and Accounting presented the Financial REPORT FOR NOVEMBER 2018 & Statistical Report for November 2018:

LEGAL COUNSEL

Legal Counsel Scott reported the following:

TRIPLE J FARMS

President Fraley informed Mr. Scott that the Cooperative does not have accounts in the names listed on the Triple J Farm bankruptcy. They filed as Triple J Farms, dba Gilliam IGA. If power was terminated before November 29, 2018 the trustee in bankruptcy would have to apply for membership. Special counsel to the Bankruptcy Court Steven Barnes, called about electric service for an inventory and auction. She will ask for \$1,000 deposit.

RIGHT-OF WAY EASEMENTS

Mr. Scott reported that he became aware that we were filing our own Right of Way Easements on January 11^{th.} He told the Board that it was illegal and unauthorized practice of law for us to file our own easements. Mike Johnston, Carter County Clerk and Pat Heineman, Greenup County Clerk, said this is a normal practice. Mr. Scott came to President Fraley's office to confront her about the filing of Right-of-Way easements. He alleged that she told him the Board said not to tell him about the change in filing. President Fraley took issue with this statement and said that she did not him tell that. He reminded the Board of a letter he sent regarding this matter in December, with a request to put it on the December agenda.

Legal Counsel asked what the Board was going to do about the easement. Chairman Dupuy stated they would research the issue further and continue as we have been. Legal Counsel Scott said to keep in mind that this issue is not a problem until you run into a problem.

Director Arrington asked if Mr. Scott would contest it and he replied that he would not. The discussion continued.

Bradley Cherry asked to clarify his billing statement. Director Martin asked Legal Counsel for the totals over \$2,000. Four months that went over in 2018 were: May, \$2400; July, \$2150; September, \$5600; and November, \$3400.

He disputed that he was under contract until January 31, 2019. President Fraley showed him a copy of his last contract which clearly showed January 31, 2019. Legal Scott asked whom to speak to about the medical insurance he believes he is entitled to until he dies. President Fraley told him that would be Bradley Cherry.

Chairman Dupuy informed him that his contract was ready to be signed for a one year extension. Mr. Scott refused and left the Board Room.

Director Martin made a motion to go into executive session 11:36 a.m. Director Martin made a motion to come out of executive session 11:54 a.m.

MANAGER OF TECHNICAL SERVICES

Brian Poling, Manager of Technical Services reported on the following:

We have been diligently working on RF Router site surveys. As of this week, we have been to every site. One hundred locations were sent back for a second analysis because we felt it was requiring too many transformers. The engineer that designed the system was out of the country and we asked to be assigned a new engineer. She is located in Atlanta and is working on the locations we sent back.

One of our Collector installations has been shipped so we hope to get started installing field equipment in the next few weeks.

Robert used the drone to assist in our repair of a line over a river. Linemen said it was a huge help and they weren't even sure how they would have gotten it in the air if the drone had not been used.

We are also working with AT&T to have a new fiber optic line run for our internet. Currently, the AT&T line that feeds our office is leased from Windstream and has many reliability issues. The new line will also reduce our monthly bill to AT&T.

Andrea had installed a new credit card reader at the front counter. The new reader allows chipped card to be read and brings us up to PCI compliance. The card information is transmitted directly to SEDC and entered on our network. This is the reason we can no longer take credit cards over the phone.

Andrea is at her second two weeks of training through the NRECA's Management Internship Program in Madison Wisconsin. She will have one more two week stay at the end of April.

MANAGER OF MARKETING AND MEMBER SERVICES

KAEC DIRECTOR'S REPORT

Director Whitt reported the following on the KAEC Board Meeting:

There was no KAEC Board Meeting in February. However, a phone conference was held on Friday, February 15, 2019, for a committee meeting. Reports from the legislative session were that the Solar bill has not been passed but it is being recommended that customers with solar, be paid the same rate that we charge for a kilowatt hour. The Public Service Commission wants to control the customer service charges for all electric companies.

There will be a workshop on February 26, to discuss stream lined rate cases. Bradley and Andrea will be attending.

EKPC DIRECTOR

President Fraley reported on the EKPC board meeting in the absence of Director Arrington. The board suspended the rate increase due the Farm bill that was recently passed. Safety measures were strong. November margin was approximately 100,000 over budget. EKPC is going to spend \$10.9 million to replace the cooling tower for Spurlock.

If a Director is unable to attend a regularly scheduled meeting or a specially called meeting due to circumstances beyond his/her control such as jury duty or a family medical emergency. It must be recognized that a board member would have invested time toward the studying and preparation of board meeting material for the subsequent meeting. Therefore, he or she shall be compensated up to two times per year under such circumstances. If a Director chooses to be absent for any other reason, compensation will not be paid.
- 2. Attendance at meetings other than regular monthly board meetings requires the prior approval of the Board.

Active Directors, Attorney and Dependents

MEDICAL INSURANCE

Active Directors and their Dependents are entitled to medical insurance coverage under the current plan carried by the Cooperative in the capped amount of \$814.80 per month for a family plan or \$327.24 for a single participant. If a Director or their Dependents participate in the medical insurance program, any increase in premiums as of January 1, 2002 will be paid by the participant.

If a director leaves the board for any reason, he/she and his/her dependents forfeit paid medical insurance coverage.

WHEN A DIRECTOR LEAVES THE BOARD

In the event of the death of a Director, spouses and dependents will still be eligible to purchase medical insurance, at the rate being charged by the insurance carrier and in accordance with COBRA.

Certain Directors are exempt from this policy due to Board action taken January 2000. A list of those exempted is a part of the minutes of the November 2001 Board meeting.

Past Directors and Dependents

If a Director leaves the Board for any reason, he/she can voluntarily purchase medical insurance coverage at the rate charged by the insurance carrier. Spouses and dependents are also eligible to purchase medical insurance coverage. No cash in lieu of insurance will be paid for any reason after a Director leaves the Board with the exception of those Directors who were exempted by Board action January 2000. A list of those exempted is a part of the minutes of the November 2001 Board meeting.

If a past Director returns to the board for any reason, he or she will be considered a new director. He or she will be eligible for medical insurance benefits only as long as they serve on the Board. Once they leave the Board of Directors for any reason, they are not eligible to receive any medical benefits as outlined above.

Jeffrey Scott and the new law on concealed carry, as it pertains to our employees. Mr. Depp has sent us an engagement letter for consideration.

Motion made by Director Martin and seconded by Director Whitt to have President Fraley execute the engagement letter with Mr. Depp. The motion was approved unanimously.

RANDY KAHRIG

Randy Kahrig built a home in Greenup County in 1999. That house burned in 2014. When he rebuilt the home, we received a temporary inspection and then a final inspection, not for occupancy. During this entire time, Mr. Kahrig's account was being charged the temporary rate. He called the office in December 2018 stating that he was still receiving the temporary rate on his bill. A final (for occupancy) inspection was never received in our office and the rate was not changed.

RANDY KAHRIG (cont.)

The overbilling was calculated from January 2015 through March 2019. Mrs. Fraley spoke with Mr. Kahrig concerning the issue. She explained to him that the Kentucky Public Service Commission requires that we refund 24 months of the discrepancy. President Fraley also paid him three months from 2019 because we were looking into the issue during this time. A check was sent to him in the amount of \$991.71 for 27 months, in accordance with the rules of the PSC. This was for the difference between Temporary Rate and Residential Rate. She also explained that it is the member's responsibility to make sure we receive copies of each inspection. Mr. Kahrig gave the check for the 27 months back to Chairman Dupuy and said he should receive all of the overbilling.

Following thorough discussion, during which Chairman Dupuy said that Mr. Kahrig was very insistent and had been to Mr. Dupuy's home at different times, motion was made to pay the total fifty-one (51) months of overbilling in the amount of \$1,873.23 by Director Martin and seconded by Director Whitt. The motion was approved.

BOARD POLICIES

President Fraley is reviewing our Board Policies in preparation of the Management Audit. She has formed two employee committees to look at the Board Policies on Safety and Work Rules. They haven't been updated recently. Once the committees have made their recommendations for changes and/or additions to these policies, they will be presented to the board for their consideration. These two committees will then combine and draft a policy for the Board to consider on the Board's expectations for safety.

MANAGEMENT AUDIT

President Fraley asked that an update on the Management Audit become a permanent item on future board meeting agendas. Chairman Dupuy agreed and directed her to put it on the agenda each month.

Each director was presented with a notebook with all pertinent information to date, concerning the Management Audit. This notebook will be added to each month.

Ms. Fraley also shared the most recent letter (received April 25, 2019) and other information concerning the upcoming Management Audit. Bradley Cherry, CFO, gave an update on the 2018 Rate Case.

PRESIDENT'S REPORT

President Fraley reported on the following:

AMEND AGENDA

President Fraley requested to amend the agenda to move agenda item # 8 to #22 under additional business. This would become a permanent slot for the Management Audit reports and on going discussion and action.

SAND GAP

President Fraley gave an update on the issue of AEP attempting to serve the lots in Sand Gap. In 2010 Mr. Mark Terry came into our office to apply for service at Sand Gap. He had already contacted AEP to apply for service and AEP told him the service was in our service territory. We built the line into the area. In October of 2012 AEP filed a suit against us for serving that area. We conferred with the PSC and they concluded that the variance of the lines drawn could be as much as one hundred (100) feet. The Franklin Circuit Court granted AEP the right to serve the first house and the last house in the subdivision. We appealed and lost again. AEP made no attempt to serve those lots until this past week.

Someone called to say that AEP was building a line through Sand Gap. President Fraley called Mr. Stevens concerning changing his service to AEP. He noted that he is having too many outages. President Fraley checked and he was off once in November, when a tree fell across the line on Tunnel Branch. He claims that he was offered the opportunity to change to AEP. At this time, Mr. Stevens has not requested that his service from Grayson RECC be disconnected. AEP has also never contacted Grayson RECC. She will forward all pertinent information to Legal Counsel Willis.

ADDITIONAL DEPOSIT LETTERS

President Fraley gave an update on issues concerning 544 letters that were mailed out last week. These letters were mailed to members who did not have good credit standing with the cooperative.

OFFICE CLOSED

Motion was made by Director Whitt, seconded by Director Martin and unanimously agreed to approve closing the office on Monday, October 14, 2019 (Columbus Day) for the annual office cleaning. The office will be closed

OFFICE CLOSED (cont.)

but employees will work to clean, update and store records and other jobs, as needed.

KEC DIRECTOR REPORT

Director Whitt reported on the meeting held in May. The biggest part of the meeting was discussing the Legislative Conference in Washington DC. There was a report from Federated Insurance. There was also a Legislative Committee Report providing an overview of the 2019 legislative session. It was a strong session for electric utilities and specifically Kentucky electric cooperatives by the passage of SB 100.

There was an update on the stream-line rate case option. A couple of cooperatives (Jackson Energy and Jackson Purchase) filed a stream-line rate case. Jackson Energy's case was revenue neutral, they were just trying out this new way of doing rate cases. The PSC has attacked both Cooperatives as if they were actually filing a tradtional rate case.

EKPC DIRECTOR REPORT

We are also allowing members to pay the additional deposits over several months on a contract.

Hutch was walking up the stairs and felt a pop in his right ankle. He went to the doctor and was taken off work for a few days. This was filed with Federated for Worker's Compensation and was denied. President Fraley has been in touch with Federated concerning whether this is a workers comp claim or not. At the present time, it is listed as a Lost-Time accident but this is pending further investigation from Federated Insurance.

GRAYSON RURAL ELECTRIC COOPERATIVE CORPORATION

BOARD POLICY NO. 105

SUBJECT: BOARD OF DIRECTORS - PRESIDENT & CEO INTERRELATIONSHIP

I. OBJECTIVE

II. POLICY

Be it resolved that the Board of Directors of the GRAYSON RURAL ELECTRIC COOPERATIVE CORPORATION establishes and maintains the following guidelines in their relationship with the President and CEO.

- A. It is recognized that good management is the most important factor to the success of the COOPERATIVE CORPORATION. In exercising such management, the Board of Directors reserves its responsibility to establish policy, approve plans and programs, and delegate authority to its President and CEO, except those that are by law, the Articles of Incorporation and Bylaws of the COOPERATIVE CORPORATION conferred upon or reserved to its members.
- B. The Board of Directors recognizes its responsibility and its need to establish policies, approve plans and programs, and delegate authority to the President and CEO to execute and carry out its plans, programs and policies. The President and CEO, shall, among other things, have authority to hire capable personnel within the approved wage and salary plan and policy and the established schedules, train and supervise, and when necessary, replace them.
- C. All policies of the Board of Directors shall be promulgated at regular and special meetings, acting collectively as a Board, and said policies shall be given to the President and CEO by the Chairman. It further recognizes that, should any Director undertake in private conversation with others to make commitments for the Board of Directors, the Director becomes involved in a serious breach of policy which might disrupt the entire organization. THEREFORE, THE BOARD OF DIRECTORS SHALL ADHERE TO THE TIME-HONORED CUSTOM THAT ITS CHAIRMAN OF THE BOARD, OR, IN HIS/HER ABSENCE, THE VICE CHAIRMAN SHALL BE THE SPOKESMAN FOR THE BOARD EXCEPT IN CASES PREVIOUSLY AUTHORIZED BY THE BOARD.

The Board of Directors shall require full and complete information from the President and CEO concerning all matters in connection with the management of the Membership Corporation as set forth in Board Policies.
- F. Primarily, the purpose of this policy is to define the relationship that shall exist between the Board of Directors, who are the elected representatives of the Membership Corporation Members, and the President and CEO, who is employed by the Board of Directors. The Board of Directors recognizes that efficient management of the Membership Corporation can exist only through mutual understanding and complete cooperation between the Board of Directors and the President and CEO. The President and CEO is expected to produce results and give an account to the Board of Directors for his/her stewardship. His/her performance cannot be of the best unless he/she is given latitude to exercise independent judgment in executing policies of the Board of Directors. The Board of Directors acknowledges that obligation and gives the President and CEO that latitude of judgment and discretion, and expects faithful performance, in carrying out all of the policies of the Board of Directors.
- G. The Board of Directors recognizes its responsibility for the employment of a President and CEO, and further recognizes the additional responsibility for a systematic appraisal of the President and CEO's performance or responsibilities in order that growth, development, and effective improvements are encouraged.
