Re: PSC Case No. 2019-00104 (The Proposed Acquisition by Bluegrass, etc.);  
notice of a later-than-estimated application filing date

Dear Ms. Pinson:

By letter filed March 27, 2019, I informed you of the intent of eight (8) sewer utilities and the entity seeking to acquire those utilities' assets — Bluegrass Water Utility Operating Company, LLC ("Bluegrass Water") to file a joint application within the next two weeks, asking the Commission's approval of the proposed acquisition by Bluegrass Water and the transfer of ownership and control of assets by the sewer utilities. In addition, on behalf of all the joint applicants, Bluegrass Water concurrently submitted a Notice of Election of Use of E-Filing Procedures for the acquisition/transfer case. In the Notice of Election, it was stated that the application would be filed with the Commission "no later than April 9, 2019."

Unfortunately, it is evident that the filing will be later than today (April 9, 2019). The undersigned counsel and the joint applicants underestimated the logistical difficulties and time it would take to obtain signed verifications from each of the nine (9) joint applicants. That process is ongoing, and it is hoped that the application's filing can occur this week and no later than April 16, 2019. We regret the delay, and will file as soon as possible.

Thank you for your attention to this matter. Please contact me with any questions that may arise.

Sincerely,

*/s/ Katherine K. Yunker*
